A MESSAGE FROM

MR. RICHARDS—MMHS PRINCIPAL

Dear Mesa Parents and Students,

Happy New Year! Welcome to Second Semester and 2022. This is the last semester for our seniors. They will be making plans for the future, picking where they will continue their education, and get to take part in a ton of fun activities to ensure that they really get the most out of their high school experience. Please pay attention to the Ramblings Newsletter and other announcements concerning Senior Parent Night.

Reminder: It is **very important** that students are bringing their technology devices to school every day. Many of their teachers will be using Canvas for lessons, assignments, and assessments, as well as other online assessments. We could use your help to make this a regular habit for the students. The library still has devices available for checkout if your student is still in need of one!

Our Winter Season sports have just started in Southwestern League play. Please come out and support our Rams in soccer, basketball, water polo and wrestling.

This semester we will have our Drama department putting on “Anne Frank” (Feb. 3-5), “West Side Story” (Mar. 3-5) and “School House Rock” (May 1-3). These kids, under the direction of Chris Ryan, do an amazing job every single show, and these three will be incredible.

Early this semester all 9th – 11th grade students will be deciding on their courses for next year. Below are two links that may help you and your students decide on what courses to select. The first link is the course catalog for the 21-22 school year (our current year). We will update the link once the new course catalog for 21-22 is finished. There will only be minimal changes to the current catalog.

Course Catalog

In addition, Mesa will be going through the process of revalidating our AVID Demo School status. Attaining this designation places Murrieta Mesa in the top 3 percent of approximately 5,600 AVID schools in 44 states, the District of Columbia, 16 countries, and U.S. territories.

As always, as much stress as these events may put on staff, it is also so exciting to be able to show-off our school. Mesa is an incredible place that I love for others to see. We are proud of what we have yet are always working to get better.

Thank you for all you do in supporting Mesa!

Scott Richards Jr.
