Important Information for Incoming Freshmen and Parents Class of 2024

- ⇒ In order to support the academic success of our incoming freshmen, all students who are below a 3.0 GPA will have Academic Seminar as one of their electives. This course meets MVUSD graduation requirements for elective credit. The focus of this course will be: goal-setting, organization skills, focused note-taking, critical thinking, higher level questioning, and college and career research. Students will receive academic support via trained teachers, peer academic tutors and college tutors. Students will have access to trips to local vocational and college sites, professional guest speakers and current college students. This course will provide students a bridge for high school academic success and a clear vision for their post-secondary goals. Students will gain the knowledge, skills and understanding of what is required of them to successfully pursue their college and/or career options. It will provide additional daily instructional time to be utilized as an instructional reinforcement opportunity between a collaborative teaching-team within the content areas.
