

Hello Educational Partners,

I hope this finds you all well and safe and thank you for supporting your seniors. Please share this with your seniors and their families;

If your senior has submitted an MSJC online application for admission they are now an Eagle! They will register themselves in fall online classes when registration starts on or after the date generated for them which will post in early June to their Eagle Advisor portal (EA).

Once they have applied, the next step is to check email for an Activation Code for set up of the Eagle Advisor (EA) portal. If that code has expired just request another one from the EA log in area.

Eagle Advisor is where students complete the online Orientation, activate Student Email, Register and pay for classes, online (\$46.00/unit), check Financial Aid status and meet with an MSJC Counselor (virtually via Canvas)! It is important to set this up and to use **Google Chrome**.

New Student Checklist

Complete an MSJC **AdmissionsApplication** at the college home page. Look for the **red ENROLL NOW** button at; www.msjc.edu

Complete an **Online Orientation** at **EagleAdvisor** - "Login" at; www.msjc.edu
Meet on line with Counseling for your Personalized Educational Plan
at; www.msjc.edu/counseling/

To find resources see the MSJC [Student Support Hub](#) which is now live on the website.

Choose fall 2020 classes from the fall schedule to post in May
at; www.msjc.edu/Schedule

Apply to First Year Experience at;
<https://msjc.edu/fye/>

Please let me know if you have any questions; outreach@msjc.edu
