Student Email: [REDACTED]

Dear [REDACTED]

I know this is a difficult and challenging time, and there is much uncertainty about how your school plans to finish the academic year. Some school districts may put all courses online while others may require summer school. Please know that whatever your school district decides, **your admission to CSUSM will not be impacted.**

All of us at CSUSM are committed to working with you and your family to make your transition to campus as easy and stress-free as possible. As part of that effort, CSUSM is taking the following steps:

1. Intent to Enroll deadline has been pushed back to June 1 to provide you with more flexibility before having to make a decision about Fall 2020.
2. Admissions and Financial Aid are taking virtual appointments. Visit our [Contact Us](#) page to schedule an appointment.

While we are currently unable to take phone calls, please don't hesitate to reach out to us via email ([Admissions](#) or [Financial Aid](#)). We are working on providing additional outreach methods throughout the spring that will offer further opportunities to connect. Our [Contact Us](#) page will have updated options for reaching us.

The health, safety and well-being of our students and our community are always our top priorities. From all of us at CSUSM, we hope you and your family are doing well in this difficult time. We can't wait to officially welcome you into the CSUSM family!

Sincerely,
Scott Hagg
Associate Vice President
Enrollment Management Services
