# Global Context Group Powerpoint Presentation
Due _____

Directions: Once assigned to a group, your group will choose one of the six global contexts to present to the class in a power point. This is a group grade so let me know ASAP if someone is not contributing.

Requirements:
1st slide: List each group member's name & slide they created, define your global context, and insert a relevant or symbolic picture of your global context.
2nd slide: Show one example from the world around you that applies to your global context and explain its relevance
3rd slide: Explain why this global context is important
4th slide: Each group member must type 1-2 sentences explaining why this global context is important to them personally
5th slide: Create 2 quiz questions based off your power point
6th slide: Answers to the 2 quiz questions

Jobs:
Each group will be made up of 5 students: each one of you must create and present one slide, then put all the slides together into one power point.

Extra Credit:
The group that creates the best powerpoint, will get _____pts. extra credit and will have their power point uploaded to my Haiku page for student reference.
