

Complete Outline/ Add the Thesis Statement and All Commentary

Directions: Now you will write the body of your paper which includes your commentary and concluding sentences. **Every concrete detail may not require a commentary.** Review your essay terminology if you need a reminder. The introduction and concluding paragraphs will be written after the body is complete. **Do not include phrases like "This shows that" or "For example" or personal pronouns such as "I," "me," "my," "we," "us," "you," etc.**
