

STUDENT SUCCESS IN ELEMENTARY ONLINE LEARNING:

WE ALL PLAY A PART!

WHAT OUR SCHOOL AND TEACHERS WILL DO:

- Provide daily live instruction with engaging activities.
- Provide synchronous and asynchronous assignments.
- Reach out to help when students are not engaging well or making progress.
- Provide access to healthy meals and snacks through Nutrition Services, if needed.
- Focus on building connections with students.
- Encourage students to try their best!
- Provide students with extra help as needed, including office hours.
- Answer questions about assignments and grades.
- Provide counseling and guidance when needed.

WHAT STUDENTS CAN DO:

- Follow a daily schedule: get dressed, eat a healthy breakfast, and log in.
- Have a dedicated learning area. Get materials ready and keep your device charged.
- Log in on time each day and turn on your camera.
- Limit your use of electronics and screen time on school days.
- Take breaks and move around to improve focus.
- Give your best effort!
- Complete and turn in assigned work.
- Ask your teacher for help if needed.
- Use additional resources for help, such as Paper Tutoring (4th grade and up.)

WHAT PARENTS, GUARDIANS & FAMILY MEMBERS CAN DO:

- Talk to your student about why school participation is important.
- Establish a routine with your student of getting dressed, eating, and logging in to virtual learning.
- Encourage your student to eat a healthy breakfast and lunch. Meals are available through Nutrition Services.
- Structure the day with breaks for your student to move around and have fun.
- Limit non-instructional screen time on school days.
- Set up a quiet and organized area for virtual learning.
- Communicate with the school or teacher if support is needed.
- Support your student in doing their best work, but make sure it's their **own** work.
- Pair your parent Canvas App and check grades and progress regularly.
- Encourage your student to contact the teacher and use Paper Tutoring if help is needed.
- Monitor and respond to communication from the teacher and school.
- As much as possible, monitor your child's participation and work completion.

WORKING TOGETHER, WE CAN DO THIS!
