

Top 13 Traits of Highly Successful Students

-Adapted from Marty Shea, Action COACH.

1. They work hard and smart!
2. They have laser-like focus.
3. They are incredibly curious and eager to learn.
4. They network with others (students, teachers, parents, family).
5. They continually work on improving themselves and never quit!
6. They are extraordinarily creative.
7. They are self-reliant and take responsibility for their successes and failures.
8. They are usually relaxed and keep their perspective when things go awry.
9. They live in the present moment.
10. They have learned to listen!
11. They are first responders that jump at new opportunities and experiences.
12. They take time out for themselves.
13. They under promise and over deliver.
