

MMHS AVID Parent Night Instructions

1. Access the Murrieta Mesa High School Website

2. Select 'Programs' at the top of the screen

3. Select 'AVID'

4. Select 'MMHS AVID Parent Night'

5. Read Parent Night Information

MMHS AVID Parent Night

The MMHS AVID program is only successful because of the relationships built between students, the AVID support team, and our parents. For this reason, we are committed to being a resource for our students and families throughout high school.

Each year we ask our students to have their parents attend or view our grade-level presentations. This is our way of letting our AVID parents know what to expect in the AVID classrooms and to inform families of how we continue to develop each student's college and career plan.

AVID students earn points for parent attendance or for sharing this information with their parents at home. If you are unable to join us, please review your student's grade-level presentation and use the Google Form link to complete the brief questionnaire acknowledging that you have received and reviewed your student's grade-level presentation.

6. Scroll down and select the presentation for your student's grade level by pressing the **'CLICK HERE'** link
