

Retest/Redo Request Form

Name _____ Per. _____ Date _____

Assessment _____

Alternate test request (may or may not be approved!):

I would like to demonstrate mastery by _____

Reflect –Identify specific parts/standards that will be your focus for improvement.

Prepare – What will you do be successful? (“Study” is not enough – include how and when!)

1. Complete all missing assignments from the unit. (mandatory)

2. _____

3. _____

4. _____

I realize that:

- By doing the redo, I cancel my original grade. Whatever I earn on the redo will replace my score in Aeries.
- My teacher may change the format of the assignment for my redo. I might get a different assignment to demonstrate my understanding of the standard.
- This is an opportunity for me to excel, and I am responsible for following through on my commitment to better prepare and demonstrate my learning.
