## **LOCAL CONTROL ACCOUNTABILITY PLAN**

As a requirement of LCFF, districts must adopt and annually update a three-year LCAP (Local Control Accountability Plan). Districts will develop a plan that includes annual goals and actions that will be implemented to meet eight State priorities. MVUDS's LCAP goals are as follows:

- Goal 1    Student Achievement: Ensure all students learn through access to high quality actions and services that increase school readiness, academic achievement, and civic/career/college readiness
  
- Goal 2    Prevention/Intervention/Acceleration: Provide high quality prevention/intervention/acceleration actions and services to eliminate barriers to student access to required and desired areas of study
  
- Goal 3    Professional Development: Ensure classroom teachers, instructional support staff, and school administrators are trained in the state standards, the standards aligned curriculums, proven researched-based instructional strategies, effective instructional technologies, instructional resources/assessments, and the collection and use of data in professional discussions to inform instruction and enhance student learning
  
- Goal 4    Engagement: Ensure all school sites have safe, welcoming, inspiring, and inclusive climates for all students and their families, so that all students are behaviorally and academically engaged in school and ready to learn.

In addition, services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year. The Minimum Proportionality calculation for 2016-2017 is equal to 4.71%. Districts must demonstrate how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

The 2016-2017 budget incorporates all four district goals, expenditures related to student achievement and minimum proportionality requirements. Total 2016-2017 Second Interim Budget LCAP expenditures are equal to \$11,620,881 and reflect carryover balances and adjustments for actual salaries and benefits. The chart below summarizes expenditures for each goal.

# ADULT EDUCATION FUND

2016 - 2017  
Second Interim

# ADULT EDUCATION

## 2016-2017 Second Interim Budget Assumptions

Adult Education Funds are designed to provide programs, which enhance adult education. The Murrieta Valley Adult School's mission is to equip students for life-long learning through lessons in academics, accountability, attitudes, and ethics that will facilitate the transition to a successful future.

The Adult Education Fund includes the General Education Development (GED) and Hiset program. This program is designed for students to meet high school diploma standards.

Federal funding offers various categorical programs including Adult Basic Education (ABE), Adult Secondary Education (ASE), High School Diploma (HSD), English Second Language (ESL), English Literacy Civics (EL Civics) and Citizenship. The core elements of these programs provide adult basic education, general education development, citizenship, English as a second language and instruction to the community.

Summer camps, preparation classes, and online classes are also included in the Adult Education Fund.

### REVENUES

Beginning with the 2015-2016 fiscal year, the state implemented a new funding model titled the Adult Education Block Grant. Funding is based on 2012-2013 Adult Education expenditures equal to \$220,008.

Beginning with the 2015-2016 fiscal year, Murrieta Valley Adult Education entered into an agreement with Mt. San Jacinto Community College for AB104 Adult Education Block Grant funding. 2016-2017 Second Interim funding is projected at \$87,617. Total state revenues are equal to \$307,625.

Federal revenues are based on the 2016-2017 final grant awards. 2016-2017 Federal funding is projected at \$133,522.

Local revenues are projected at \$295,445 and include online classes offered to the public, summer camps programs, interest earnings and childcare fees for parents attending classes.

State funding is equal to 42% of total revenues. Federal funding is equal to 18% of total revenues. Local revenue funding is equal to 40% of total revenues. Total revenues are projected at \$736,592.

### EXPENDITURES

State and local revenues are used to cover the costs associated with the Adult Education GED program and professional growth classes. Expenditures include salaries and benefits for the instructional and classified personnel and the operating costs to maintain these programs.

Federal revenues are used to fund categorical programs. Expenditures include salaries, benefits, operating costs and administrative costs relating to such programs. Since the revenues received for these grants are restricted, expenditures must correlate with each program and cannot be commingled or spent in areas unrelated to the specific grant.

As allowable, the indirect cost rate for the Adult Education unrestricted program is 4.93%.

Salary and benefits account for 70% of total expenditures. Other expenditures include books, instructional and administrative supplies, travel, and other operating expenses which account for 30% of total expenditures.

2016 - 2017  
Second Interim

# CHILD DEVELOPMENT FUND

## 2016-2017 Second Interim Budget Assumptions

Murrieta Valley Unified School District child care was established in 1982 to meet the need for before and after school child care for students who are enrolled in the district. Child Development Funds also provide Parent Center classes, which are utilized to provide the educational needs for the benefit of caregivers and families.

Programs included in the Child Development Fund consist of: Student Enrichment and Extended Day (SEED), SEED camp for non-school days, Parent Center, State Preschool and Kindergarten Readiness. Family Services has a State Preschool direct contract with California Department of Education that funds programs at Rail Ranch, Avaxat, and Lisa J. Mails Elementary schools. Family Services is subcontractor of Riverside County Office of Education to provide State Preschool at Murrieta, Tovashal, Buchanan, and Monte Vista Elementary schools. State Preschool families must meet California Department of Education (CDE) guidelines for income eligibility. The State Preschool staff to child ratio is one adult to eight children. State Preschool is offered one-hundred and eighty days per year, three hours per day. Family Services also offers families the Kindergarten Readiness program. This is a parent pay program for families that exceed state guidelines. Kindergarten Readiness, parent pay, is offered at Cole Canyon, Lisa J. Mails and E. Hale Curran Elementary Schools. Extended day for the Kindergarten Readiness programs is available creating full day programs, one-hundred and eighty days. Family Services preschool programs at E. Hale Curran, Buchanan and Murrieta combine with Special Education preschool programs to provide full inclusion programs. All State Preschool and Kindergarten Readiness programs provide comprehensive early learning experiences that prepare children for Kindergarten. Annually, children in the State Preschool and Kindergarten Readiness programs have dental and vision assessments.

Family Services Child Development Center (CDC) established in October, 2007 is located at 24300 Las Brisas Road, North. Currently, MVUSD Family Services operates four full-day, full year State Preschool classrooms at the Child Development Center for two through four year olds. The CDC is open 6:30 a.m.—6:00 p.m. and is a year-round program, operating 243 days, closed only for District holidays. Families utilizing services at the Child Development Center are primarily funded through Riverside County Office of Education, Children Services Unit (RCOE-CSU) with California Department of Education General Child Care or California State Preschool Program funds and must qualify based on income and need. However, there are a small percentage of children that are parent pay. The CDC follows State of California Title 5 regulations and Community Care Licensing Title 22 regulations. The State Preschool staff to child ratio is one adult to eight children. The Child Development Center provides comprehensive early learning experiences, dental and vision assessments and nutrition services.

Family Services also offers Student Enrichment and Extended Day (SEED) programs at all elementary schools. Summer, Spring, Winter and Fall camps offer activities when children are not in school. Currently, there are over five hundred students enrolled in the SEED program. The staff to student ratio is one adult per eighteen children. Services are available Monday through Friday from 6:30 a.m. until the start of school and after school until 6:00 p.m. For the Kindergarten and Transitional Kindergarten children, Kinder Prep and TK Wrap-Up are available when the child is not in Kindergarten and Transitional Kindergarten. Subsidized spaces through RCOE-CSU funded by CDE are available to eligible families at Avaxat, Buchanan and E Hale Curran Elementary Schools' SEED programs.

Operational since 1994, the Parent Center is currently located at the Child Development Center, 24300 Las Brisas Road, North. The Parent Center offers a variety of parenting classes. The Parent Center also provides meeting and support group space to the community.

## 2016-2017 Second Interim Budget Assumptions

### REVENUES

Revenues within the Child Development Fund are received from unrestricted and restricted sources.

Federal Revenues are based on 2016-2017 information provided by the grantee. 2016-2017 Second Interim federal funding is projected at \$510,373.

State Revenues in the Child Development Fund include grants from the California Department of Education and Riverside County Office of Education-Children's Services Unit. 2016-2017 Second Interim state funding is projected at \$1,579,456.

Unrestricted revenues in the Child Development Fund include local parent fees for the SEED, camp Kindergarten Readiness programs and interest earnings. Revenue from these sources is projected at \$1,618,800. 2016-2017 revenues include an improved rate schedule to better meet the needs of parents in the Kindergarten Readiness program.

Other Local revenues are projected at \$152,000 and include parent fees within the center-based and CSPP programs through the Riverside County Office of Education.

Federal and state revenue funding is equal to 54% of total revenues. Local revenue funding is equal to 46% of total revenues. Total revenues are projected at \$3,860,629.

### EXPENDITURES

Federal and state revenues are used to fund the restricted programs and cover such expenditures as salaries, benefits, operating costs and indirect costs. Since the revenues received for these grants are restricted, expenditures must correlate with each program and cannot be commingled or spent in other areas not relating to the specific grant.

Parent fees and local revenues are used to cover the costs associated with unrestricted expenditures. Such expenditures consist of salaries and benefits for classified personnel, operating, and indirect costs to maintain these programs.

Salary and benefits are equal 88% of total expenditures. Other expenditures totaling 12% include instructional and administrative supplies, non-capitalized equipment, travel, memberships, repairs and maintenance, reprographics, professional services, debt services and indirect costs. As allowable, the indirect cost rate of 4.93% is included for both unrestricted and restricted programs. Total expenditures are projected at \$3,778,712.

# CAFETERIA FUND

2016 - 2017  
Second Interim

# CAFETERIA SPECIAL REVENUE FUND

## 2016-2017 Second Interim Budget Assumptions

Cafeteria Funds are designed to provide nutritional food programs for the Murrieta Valley Unified School District. The Cafeteria Fund is self-funded and prepares and provides breakfasts and lunches for all elementary, middle, and high schools. In addition, the Nutrition Services Program provides meals for the preschool, county operated Head Start and State Preschools, as well as after school snack for elementary and catering events within the Murrieta Valley Unified School District. In addition to these services, the Nutrition Services Program also provides a la carte meals at all middle and high schools. Meals and a la carte foods are available before school, during breaks and lunch periods.

All food prepared by the Murrieta Valley Unified School District Nutrition Services Department meets or exceeds the federal and state approved menu planning system. This method requires that all meals be structured to meet such regulations for calorie ranges, sodium targets, whole grain servings and fruit and vegetable servings. Meals must also be less than 10% saturated fat with zero trans fats per serving. This method ensures our students are provided with the nutrients required for their age and development.

The Nutrition Services program prepared and served approximately 512,180 breakfasts and 1,266,329 lunches, as well as 531,834 a la carte meals during the 2015-2016 fiscal year.

### REVENUES

Revenues within the Cafeteria Fund include unrestricted sources and federal and state reimbursements. Revenue projections are based on 180 student days.

Federal and state reimbursements are based on qualifying meals. Revenue from these sources is projected at \$3,749,802 and is based on food sales from July 2016 through January 2017. Federal donated commodities entitlement is projected at \$465,350 and is based on the number of lunches served during the 2015-2016 fiscal year.

Unrestricted revenues include meal sales, catering sales and interest earnings. Revenue from these sources is projected at \$3,212,147 and is based on food sales from July 2016 through January 2017, current interest rates, cash-flow analysis, historical data, and local revenues.

Approximately 30% of the students in the Murrieta Valley Unified School District qualified for either free or reduced meals.

Federal and state reimbursements are 51% of total revenue. Local revenues are 43% of total revenues. Donated food commodities are 6% of revenues. Total revenues are projected at \$7,427,299.

### EXPENDITURES

All revenue sources are used to cover total expenditures within the Cafeteria Fund. Expenditures include classified salaries and benefits, office and food supplies, uniforms, non-depreciable equipment, food, travel, maintenance, reprographics, fees, other services, and indirect costs. As allowable, the indirect cost rate for the Cafeteria Fund is 4.92%.

Salary and benefits account for 45% of total expenditures. California food costs, commodities and supplies account for 49% of total expenditures. All other costs account for 6% of total expenditures. Total expenditures are projected at \$7,479,975.

2016-2017 Second Interim Budget includes 70.94 Full Time Equivalent Employees (FTE's). The health and welfare cap is budgeted at \$9,275 per FTE. Fixed charges are calculated at 24.188% for classified positions.

Second Interim

# COUNTY SCHOOL FACILITIES FUNDS

## 2016-2017 Second Interim Budget Assumptions

These funds are used to account for the apportionments received from the state for the purpose of new school construction and modernization projects. Receipt of these funds is typically contingent on a match of funds from District sources. For Murrieta Valley Unified School District, the match comes from the Bond Fund and/or the Capital Facilities Fund.

In May 2009 the District requested the State to rescind the funds received for the Cole Canyon Elementary School Growth project. The State agreed to this request and the District entered into a repayment plan for the funds received. In May 2011, the District made the final payment for this pay back.

In January 2017 the State determined that the District overpaid by \$3,000 and a refund in that amount was sent back to the District.

This money was deposited into the County School Facilities Fund in February 2017. Since the District has no other State funds at this time the money was transferred to Fund 25 where expenditures for the Cole Canyon project were paid in 2009.
