S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.

Analyze the status of other funds that may have negative fund balances at the end of the current fiscal year. If any other fund has a projected negative fund balance, prepare an interim report and multiyear projection for that fund. Explain plans for how and when the negative fund balance will be addressed.

S9A. Identification of Other Funds with Negative Ending Fund Balances

DATA ENTRY: Click the appropriate button in Item 1. If Yes, enter data in Item 2 and provide the reports referenced in Item 1.

1. Are any funds other than the general fund projected to have a negative fund balance at the end of the current fiscal year?

2. If Yes, identify each fund, by name and number, that is projected to have a negative ending fund balance for the current fiscal year. Provide reasons for the negative balance(s) and explain the plan for how and when the problem(s) will be corrected.

ADDITIONAL FISCAL INDICATORS

The following fiscal indicators are designed to provide additional data for reviewing agencies. A "Yes" answer to any single indicator does not necessarily suggest a cause for concern, but may alert the reviewing agency to the need for additional review.

DATA ENTRY: Click the appropriate Yes or No button for items A2 through A9; Item A1 is automatically completed based on data from Criterion 9.

- A1. Do cash flow projections show that the district will end the current fiscal year with a negative cash balance in the general fund? (Data from Criterion 9B-1, Cash Balance, are used to determine Yes or No)

- A2. Is the system of personnel position control independent from the payroll system?

- A3. Is enrollment decreasing in both the prior and current fiscal years?

- A4. Are new charter schools operating in district boundaries that impact the district's enrollment, either in the prior or current fiscal year?

- A6. Does the district provide uncapped (100% employer paid) health benefits for current or retired employees?

- A7. Is the district's financial system independent of the county office system?

- A8. Does the district have any reports that indicate fiscal distress pursuant to Education Code Section 42127.6(a)? (If Yes, provide copies to the county office of education.)

**ADULT EDUCATION
FUND**

**2020 - 2021
Second Interim**

Adult Education Fund

2020-2021 Second Interim Budget Assumptions

Overview

Adult Education Funds are designed to provide programs, which enhance adult education. The Murrieta Valley Adult School's mission is to equip students for life-long learning through lessons in academics, accountability, attitudes, and ethics that will facilitate the transition to a successful future.

The Adult Education Fund includes the General Education Development (GED). This program is designed for students to meet high school diploma standards.

Federal funding offers various categorical programs including Adult Basic Education (ABE), Adult Secondary Education (ASE), High School Diploma (HSD), English Second Language (ESL), English Literacy Civics (EL Civics) and Citizenship. The core elements of these programs provide adult basic education, general education development, citizenship, English as a second language and instruction to the community.

Summer camps, preparation classes, and online classes are also included in the Adult Education Fund.

Revenues

Federal revenues are based on the 2020-2021 grant awards. Total 2020-2021 Second Interim federal revenues are projected at \$66,726.

State revenues include AB104 Adult Education Block Grant funding projected at \$284,940. STRS On-Behalf Pension contributions to the California State Teachers' Retirement System (CalSTRS) are included at \$27,813. Total 2020-2021 Second Interim state revenues are projected at \$312,753.

Local revenues are projected at \$258,110 and include online classes offered to the public through Ed 2 Go, GED testing fees, summer camps programs, interest earnings and Riverside About Students CARES one-time grant.

Federal funding is equal to 10% of total revenues. State funding is equal to 49% of total revenues. Local revenue funding is equal to 41% of total revenues. Total 2020-2021 Second Interim revenues are projected at \$637,589.

Adult Education Fund 2020-2021 Second Interim Budget Assumptions

Revenues-continued

Expenditures

State and local revenues are used to cover the costs associated with the Adult Education GED program and professional growth classes. Expenditures include salaries and benefits for the instructional and classified personnel and the operating costs to maintain these programs.

Federal revenues are used to fund categorical programs. Expenditures include salaries, benefits, operating costs, and administrative costs relating to such programs. Since the revenues received for these grants are restricted, expenditures must correlate with each program and cannot be commingled or spent in areas unrelated to the specific grant.

As allowable, the indirect cost rate for the Adult Education unrestricted program is 5%.

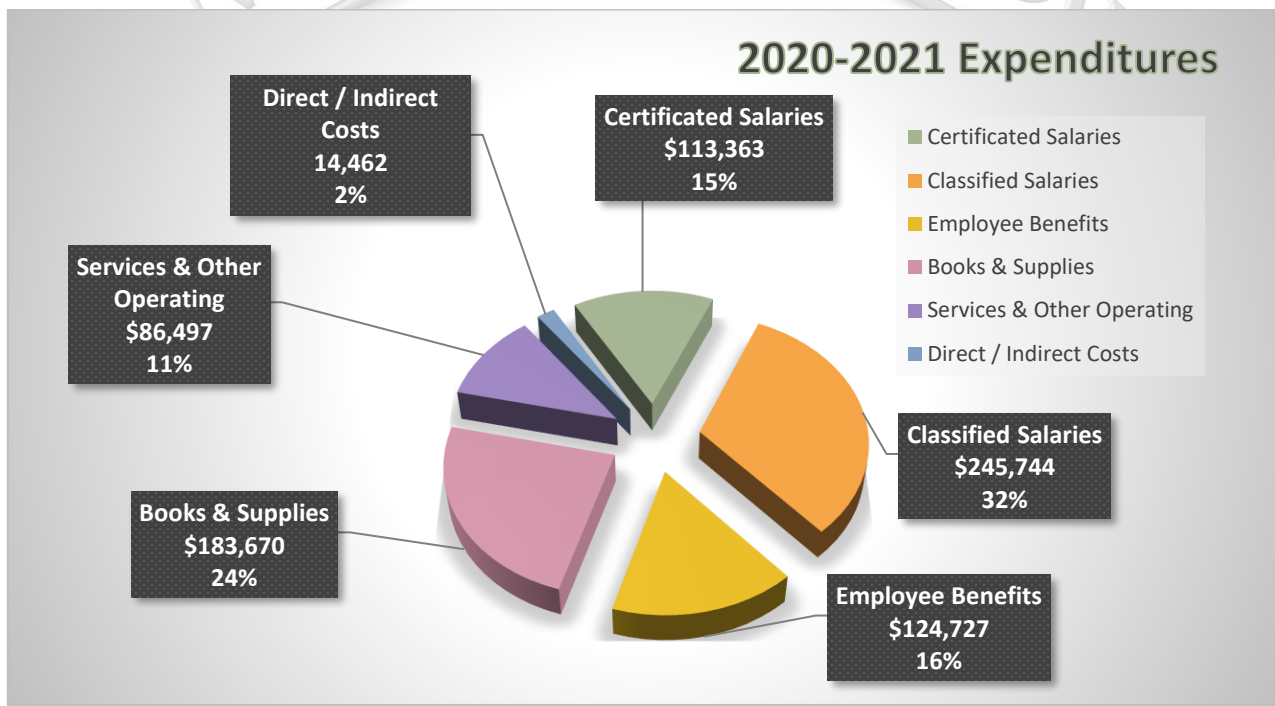

Salary and benefits account for 63% of total expenditures. Step and column for all classified employees is \$2,699 plus statutory benefits of \$821 for a total of \$3,520. Step and column for all certificated employees is \$1,224 plus statutory benefits of \$241 for a total of \$1,465. Other expenditures include books, instructional and administrative supplies, travel, and other operating expenses which account for 37% of total expenditures. Child Development Fund

2020-2021 Second Interim Budget Assumptions

Overview

Murrieta Valley Unified School District child care was established in 1982 to meet the need for before and after school child care for students who are enrolled in the district. Child Development Funds also provide Parent Center classes, which are utilized to provide the educational needs for the benefit of caregivers and families.

Programs included in the Child Development Fund consist of: Student Enrichment and Extended Day (SEED); SEED camp for non-school days; Parent Center; Early Childhood Education-subsidized and parent pay programs. Family Services has a State Preschool direct contract with California Department of Education, Early Learning and Care Division (CDE-ELCD) that funds part-day programs at Tovashal, Murrieta and Buchanan Elementary schools. Family Services is a subcontractor of Riverside County Office of Education-Early Care and Support Division (RCOE-ECSD) to provide part-day State Preschool at Lisa J. Mails, Tovashal, Cole Canyon, E. Hale Curran, Buchanan, and Monte Vista Elementary schools. State Preschool families must meet California Department of Education (CDE) CDE-ELCD guidelines for income eligibility. The State Preschool staff to child ratio is one adult to eight children. Part-day State Preschool is offered one-hundred and eighty days per year, three hours per day. Overview - continued

Family Services also offers Student Enrichment and Extended Day (SEED) programs at all elementary schools. Summer, Spring, Winter and Fall camps offer activities when children are not in school. Historically, there are over six-hundred and thirty students enrolled in the SEED program. However, due to the impacts of COVID-19 and school closures, current estimated enrollment in the SEED program is one-hundred and thirty students. Twenty-five percent of the families are subsidized through RCOE-ECSD funded by CDE-EESD. Subsidized spaces are available at Avaxat, Buchanan, Murrieta, Alta Murrieta, and E Hale Curran Elementary schools' SEED programs. The staff to student ratio is one adult per eighteen children. Services are available Monday through Friday from 6:30 a.m. until the start of school and after school until 6:00 p.m. Kindergarten and TK Wrap-around is available when the child is not in Kindergarten or Transitional Kindergarten. Operational since 1994, the Parent Center is currently located at the Child Development Center, 24300 Las Brisas Road, North. Collaborating with Riverside County Mental Health and MVUSD Mental Health Team, a variety of classes are offered at the Parent Center (virtual during COVID-19). The Parent Center also provides meeting and support group space to district departments and the community.

Expenditures

Federal and state revenues are used to fund the restricted programs and cover such expenditures as salaries, benefits, operating costs and indirect costs. Since the revenues received for these grants are restricted, expenditures must correlate with each program and cannot be commingled or spent in other areas not relating to the specific grant.

Parent fees and local revenues are used to cover the costs associated with unrestricted expenditures. Such expenditures consist of salaries and benefits for classified personnel, operating, and indirect costs to maintain these programs.

Salary and benefits are equal to 86% of total expenditures. Step and Column for all certificated employees is \$11,019 plus statutory benefits of \$2,861 for a total of \$13,880. Step and Column for all classified employees is \$27,551 plus statutory benefits of \$8,048 for a total of \$35,599. Other expenditures totaling 14%, include instructional and administrative supplies, non-capitalized equipment, travel, memberships, repairs and maintenance, reprographics, professional services, debt services and indirect costs. As allowable, the indirect cost rate of 5.64% is included for both unrestricted and restricted programs. Total 2020-2021 Second Interim expenditures are projected at \$4,571,560.

REVENUE FUND**

Second Interim**

Cafeteria Special Revenue Fund 2020-2021 Second Interim Budget Assumptions

Overview

Cafeteria Special Revenue Funds are designed to provide nutritional food programs for the Murrieta Valley Unified School District. The Cafeteria Special Revenue Fund is self-funded and prepares and provides breakfasts and lunches for all elementary, middle, and high schools. In addition, the Nutrition Services Program provides meals for the preschool, county operated Head Start and State Preschools, as well as after school snacks for elementary and catering events within the Murrieta Valley Unified School District. In addition to these services, the Nutrition Services Program also provides a la carte meals at all middle and high schools. Meals and a la carte foods are available before school, during breaks and lunch periods.

All food prepared by the Murrieta Valley Unified School District Nutrition Services Department meets or exceeds the federal and state approved menu planning system. This method requires that all meals be structured to meet such regulations for calorie ranges, sodium targets, whole grain servings and fruit and vegetable servings. Meals must also be less than 10% saturated fat with zero trans fats per serving. This method ensures our students are provided with the nutrients required for their age and development.

The Nutrition Services program prepared and served approximately 513,576 breakfasts and 1,069,892 lunches, as well as 344,854 a la carte meals during the 2019-2020 fiscal year.

Revenues

Pursuant to Section 2202(a) of the Families First Coronavirus Response Act, the USDA has extended Summer Feeding programs nationwide through June 30, 2021. Murrieta Valley Unified has chosen to participate in the USDA Summer Seamless Program allowing all students to receive breakfast and lunch at no cost. Each meal received is reimbursed at the free rate.

Revenues within the Cafeteria Special Revenue Fund include unrestricted sources and federal and state reimbursements. Supplemental reimbursements, in accordance with the Federal Coronavirus Aid, Relief, and Economic Security (CARES) Act, provided an additional .75 cents for each meal served during March through August 2020 school closures equal to \$184,159. Revenue projections are based on 180 student days. Federal and state reimbursements are based on qualifying meals. Revenue from these sources is projected at \$4,494,066 and is based on food sales from July 2020 through January 2021. Federal donated commodities entitlement is projected at \$609,072 and is based on the number of lunches served during the 2019-2020 fiscal year.

Cafeteria Special Revenue Fund 2020-2021 Second Interim Budget Assumptions

Revenues – continued

Unrestricted revenues include meal sales, and interest earnings. Revenue from these sources is projected at \$7,000 and is based on food sales from July 2020 through January 2021, current interest rates, cash-flow analysis, and historical data. Per Title 2, Code of Federal Regulations, Section 200.426, bad debts from unpaid meal charges are an unallowable cost to federal programs.

Approximately 35% of the students in the Murrieta Valley Unified School District qualified for either free or reduced meals. Federal and state reimbursements are equal to 99% of total revenues. Donated food commodities within federal revenues are equal to 12%. Local revenues are equal to 1% of total revenues. Total 2020-2021 Second Interim revenues are projected at \$5,294,297.

Expenditures

All revenue sources are used to cover total expenditures within the Cafeteria Special Revenue Fund. Expenditures include classified salaries and benefits, office and food supplies, uniforms, non-depreciable equipment, food, travel, maintenance, reprographics, fees, other services, and indirect costs. As allowable, the indirect cost rate for the Cafeteria Fund is 5%.

Fund Balance

The Cafeteria Special Revenue Fund started the fiscal year with a beginning balance of \$1,210,132. The impacts of COVID-19 and school closures have resulted in significant revenue losses and therefore, projected deficit spending is estimated at <\$1,966,004>. This deficit will exhaust the beginning fund balance and require a contribution from the General Fund of \$755,872 to maintain a positive ending balance of \$0 for the 2020-2021 fiscal year.
