 - Special Education expenditures include salaries and benefits, step and column costs, non-public schools, non-public agencies, services, legal costs, mediation agreements and discretionary funds. The contribution to special education is projected at \$33,265,445.
- ✚ Transportation
 - Transportation expenditures include salaries and benefits, step increases and general operating expenses including fuel, parts, and repairs. The District's state funding offsets a portion of these costs resulting in a contribution to transportation projected at \$3,996,167.

Local Control Accountability Plan

As a requirement of LCFF, districts must adopt and annually update a three-year LCAP (Local Control Accountability Plan). Districts will develop a plan that includes annual goals and actions that will be implemented to meet eight State priorities. MVUSD's LCAP goals are as follows:

- ✚ Goal 1 Student Learning and Achievement:
 - Ensure all students learn through access to high quality actions and services that increase school readiness, academic achievement, and civic/career/college readiness.

Murrieta Valley Unified School District - General Fund 2022-2023 Second Interim Budget Assumptions

Local Control Accountability Plan – continued

- ✚ Goal 2 Prevention/Intervention/Acceleration:
 - Provide high quality prevention/intervention/acceleration actions and services to eliminate barriers to student access to required and desired areas of study.
- ✚ Goal 3 Professional Development:
 - Ensure classroom teachers, instructional support staff, and school administrators are trained in the state standards, the standards aligned curriculums, proven researched-based instructional strategies, effective instructional technologies, instructional resources/assessments, and the collection and use of data in professional discussions to inform instruction and enhance student learning. Recruit and retain a diverse and highly qualified teaching staff and support staff to promote the implementation of best practices.
- ✚ Goal 4 Engagement, Culture and Climate:
 - Ensure all school sites have safe, welcoming, inspiring, and inclusive climates for all students and their families, so that all students are behaviorally and academically engaged in school and ready to learn.

In addition, services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year. The Demonstration of Increased or Improved Services for 2022-2023 is equal to 8.19%. Murrieta Valley Unified School District is projected to receive \$18,686,891 in Supplemental and Concentration Grant Funding. Districts must demonstrate how the percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

Goal 1	Goal 2	Goal 3	Goal 4	Total
\$ 11,826,820	\$ 4,987,416	\$ 1,043,160	\$ 2,323,381	\$ 20,180,777

2022-2023 Second Interim Budget incorporates all four district goals, expenditures related to student achievement and increased/improved services requirements.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.

Adult Education Fund 2022-2023 Second Interim Budget Assumptions

Overview

Adult Education Funds are designed to provide programs, which enhance adult education. The Murrieta Valley Adult School's mission is to equip students for life-long learning through lessons in academics, accountability, attitudes, and ethics that will facilitate the transition to a successful future.

The Adult Education Fund includes the General Education Development (GED). This program is designed for students to meet high school diploma standards.

Federal funding offers various categorical programs including Adult Basic Education (ABE), Adult Secondary Education (ASE), High School Diploma (HSD), English Second Language (ESL), English Literacy Civics (EL Civics), and Citizenship. The core elements of these programs provide adult basic education, general education development, citizenship, English as a second language, and instruction to the community.

Summer camps, preparation classes, and online classes are also included in the Adult Education Fund.

Revenues

Federal revenues are based the 2022-2023 grant awards. Total 2022-2023 Second Interim Budget federal revenues are projected at \$97,600.

State revenues include California Adult Education Program projected at \$310,397 and CalWorks projected at \$1,666. STRS On-Behalf Pension contributions to the California State Teachers' Retirement System (CalSTRS) are included at \$31,524. Total 2022-2023 Second Interim Budget state revenues are projected at \$343,587.

Adult Education Fund 2022-2023 Second Interim Budget Assumptions

Revenues-continued

Expenditures

State and local revenues are used to cover the costs associated with the Adult Education GED program and professional growth classes. Expenditures include salaries and benefits for the instructional and classified personnel and the operating costs to maintain these programs.

Federal revenues are used to fund categorical programs. Expenditures include salaries, benefits, operating costs, and administrative costs relating to such programs. Since the revenues received for these grants are restricted, expenditures must correlate with each program and cannot be commingled or spent in areas unrelated to the specific grant.

As allowable, the indirect cost rate for the Adult Education unrestricted program is 5%.

Salary and benefits account for 71% of total expenditures. Step and column for all certificated employees is \$885 plus statutory benefits of \$204 for a total of \$1,089. Step and column for all classified employees is \$1,488 plus statutory benefits of \$458 for a total of \$1,946. Other expenditures include books, instructional and administrative supplies, travel, and other operating expenses which

MURRIETA VALLEY
UNIFIED SCHOOL DISTRICT

Inspiring every student to think, to learn, to achieve, to care.

CHILD DEVELOPMENT FUND

2022 - 2023
Second Interim

Child Development Fund 2022-2023 Second Interim Budget Assumptions

Overview

Murrieta Valley Unified School District (MVUSD) childcare was established in 1982 to meet the need for before and after school childcare for students who are enrolled in the district. Child Development Funds also provide Parent Center classes, which are utilized to provide the educational needs for the benefit of caregivers and families.

Programs included in the Child Development Fund consist of: Student Enrichment and Extended Day (SEED), SEED camp for non-school days, Expanded Learning Opportunities Program, Parent Center, and Early Childhood Education-subsidized and parent pay programs. Family Services has a State Preschool direct contract with California Department of Education, Early Learning and Care Division (CDE-ELCD) that funds part-day programs at Buchanan, Cole Canyon, E. Hale Curran, Lisa J Mails, Monte Vista, Murrieta Elementary and Tovashal Elementary schools. State Preschool families must meet CDE-ELCD guidelines for income eligibility. The State Preschool staff to child ratio is one adult to eight children. Part-day State Preschool is offered one-hundred and eighty days per year, three hours per day. Family Services also offers families a parent pay, one-hundred and eighty days per year, three hours per day, early childhood education program. The parent pay program is for families that exceed state guidelines. The Early Childhood Education parent pay program is offered throughout the district. Family Services Early Childhood Education programs at E. Hale Curran, Buchanan, Murrieta, and Lisa J Mails combine with Special Education preschool programs to provide daily inclusion opportunities. The Early Childhood Education program provides comprehensive early learning experiences. Annually, children in the Family Services Early Childhood Education program have developmental, dental, hearing (CDC only), and vision assessments.

Family Services Child Development Center (CDC) is located at 24300 Las Brisas Road, North. Currently, MVUSD Family Services operates six full-day, full year, State Preschool and General Child Care classrooms at the Child Development Center. The CDC is open 7:00 a.m.—5:30 p.m. and is a year-round program, operating 243 days, closed only for District holidays. Families utilizing services at the Child Development Center are directly funded by CDE-ELCD. Toddlers will continue to be primarily funded through RCOE-ELCD, CDE-ELCD, General Child Care or California State Preschool funds and must qualify based on income and need. The expansion of Transitional Kindergarten and Universal Preschool will allow us to serve younger children. Based on a current waitlist and need for toddler care, we have added 12 additional toddler spots at our full day Child Development Center. Ten percent of the children at the Child Development Center are parent pay. The CDC follows State of California Title 5 regulations and Community Care Licensing Title 22 regulations. At the Child Development Center, staff to child ratio for three and four-year olds is one adult to eight children, group size of twenty-four. For toddlers, the staff to child ratio is one adult to four children, group size of twelve. The Child Development Center provides comprehensive early

learning experiences, developmental assessments, dental, hearing and vision assessments, and nutrition services.

Family Services also offers Student Enrichment and Extended Day (SEED) programs at all elementary schools. Summer, Spring, Winter, and Fall camps offer activities when children are not in school. Historically, there are over six-hundred students enrolled in the SEED program. Twenty-five percent of the families are subsidized through RCOE-ECSD funded by CDSS-CCDD. Historically, subsidized spaces were only available at Avaxat, Buchanan, Murrieta, Alta Murrieta, and E Hale Curran Elementary schools' SEED programs. However, in 2022-2023 school year, subsidized spots became available at all eleven elementary school sites. This expansion has better supported our community and eliminated the need for a family to transfer to a school that offers subsidized before and after school care. The staff to student ratio is one adult per eighteen children. Services are available Monday through Friday from 6:30 a.m. until the start of school and after school until 6:00 p.m. Kindergarten and TK Wrap-around is available when the child is not in Kindergarten or Transitional Kindergarten. Operational since 1994, the Parent Center is currently located at the Child Development Center, 24300 Las Brisas Road, North. Collaborating with Riverside County Mental Health and MVUSD Mental Health Team, a variety of classes are offered at the Parent Center (virtual during COVID-19). The Parent Center also provides free childcare so families can attend and meeting and support group space to district departments and the community.

In the 2021-2022 school year, the State of California created the Expanded Learning Opportunities Program (ELOP), which provides funding for before and after school and summer enrichment programs for transitional kindergarten through sixth grade. For the 2022-2023 school year, Avaxat/Student Enrichment and Extended Day (SEED) is piloting a nine-hour (7:00-4:00) school day for qualified students. SEED provides supervision before, during, and after enrichment opportunities. SEED will also continue to offer engaging and meaningful enrichment opportunities within the SEED program day. ELOP also provides extracurricular offerings for students at all elementary school sites. Beginning December 1, 2022, E. Hale Curran and Tovashal/ELOP now offer a *Meet and Eat* (7:00 until first bell) for students arriving to school early. Our goal is to offer *Meet and Eat* at all eleven elementary sites for the 2023-24 school year. We also intend on bringing this before school program to our middle schools for the 2023-24 school year. *Meet and Eat* support MVUSD families who must drop off early in the morning before gates are open. Family Services objective is to provide a safe, fun, and warm place to hang out with friends, make new friends, read, create, and collaborate before the school day starts.

Child Development Fund 2022-2023 Second Interim Budget Assumptions

Revenues

Revenues within the Child Development Fund are received from unrestricted and restricted sources.

Federal Revenues are based on 2022-2023 information provided by the grantee. Total 2022-2023 Second Interim federal revenues are projected at \$2,169,000.

State Revenues in the Child Development Fund include grants from the California Department of Education-Early Learning and Care Division and the Expanded Learning Opportunities Program (ELOP). Due to the current health concern and its impact on enrollment, our direct and indirect contracts will be held harmless, meaning we will earn our full awards without regard to actual attendance. State revenues are projected at \$10,422,247. STRS On-Behalf Pension contributions to the California State Teachers' Retirement System (CalSTRS) are included at \$89,809. Total 2022-2023 Second Interim Budget state revenues are projected at \$10,512,056.

Other local revenues in the Child Development Fund include local parent fees and interest earnings. 2022-2023 Second Interim Budget local revenues are projected at \$3,219,250.

Federal and state revenue funding is equal to 80% of total revenues. Local revenue funding is equal to 20% of total revenues. Total 2022-2023 Second Interim Budget revenues are projected at \$15,900,306.

Child Development Fund 2022-2023 Second Interim Budget Assumptions

Expenditures

Federal and state revenues are used to fund the restricted programs and cover all salaries, benefits, operating costs, and indirect costs. Since the revenues received for these grants are restricted, expenditures must correlate with each program and cannot be commingled or spent in other areas not relating to the specific grant. Family Services plans on making program improvements at our CSPP and CCTR sites during the current year.

Parent fees and local revenues are used to cover the costs associated with unrestricted expenditures. Such expenditures consist of salaries and benefits, operating, and indirect costs to maintain these programs.

Salary and benefits are equal to 43% of total expenditures. Step and Column for all certificated employees is \$9,169 plus statutory benefits of \$2,735 for a total of \$11,904. Step and Column for all classified employees is \$27,665 plus statutory benefits of \$9,544 for a total of \$37,209. Other expenditures totaling 57%, include instructional and administrative supplies, non-capitalized equipment, travel, memberships, repairs and maintenance, reprographics, professional services, debt services and indirect costs. As allowable, the indirect cost rate of 5.34% is included for both unrestricted and restricted programs. Total 2022-2023 Second Interim Budget expenditures are projected at \$12,513,468.

Inspiring every student to think, to learn, to achieve, to care.

CAFETERIA SPECIAL REVENUE FUND

2022 - 2023
Second Interim

Cafeteria Special Revenue Fund

2022-2023 Second Interim Budget Assumptions

Overview

The Cafeteria Special Revenue Fund is a self-funded nutritional program that prepares and provides breakfasts and lunches for all elementary, middle, and high schools. The program also provides meals for preschool, county operated Head Start and State Preschools. In addition to meals, the program provides after school snacks for elementary, catering for events within the Murrieta Valley Unified School District, and a la carte meals at all middle and high schools. Meals and a la carte foods are available before school, during breaks and lunch periods.

All food prepared by the Nutrition Services Department meets or exceeds the federal and state approved menu planning system. This method requires that all meals be structured to meet such regulations for calorie ranges, sodium targets, whole grain servings and fruit and vegetable servings. Meals must also be less than 10% saturated fat with zero trans fats per serving. This method ensures our students are provided with the nutrients required for their age and development.

The Nutrition Services Program prepared and served 1,024,865 breakfasts and 2,116,657 lunches, as well as 186,430 a la carte meals during the 2021-2022 fiscal year.

Revenues

Pursuant to Assembly Bill 130 beginning in school year 2022-23 California will implement a statewide Universal Meal Program. This program will allow all students to receive breakfast and lunch at no cost. California's Universal Meals Program is designed to build on the foundations of the National School Lunch Program (NSLP) and School Breakfast Program and expands the California State Meal Mandate to require all students be offered a nutritiously adequate breakfast and lunch each school day.

Revenues within the Cafeteria Special Revenue Fund include federal and state reimbursements and unrestricted sources. Revenue projections are based on 180 student days. Federal and state reimbursements are based on qualifying meals. Projections include supplemental state funding to cover the difference between the federal free meal reimbursement rate, and the reduced-price and paid reimbursement rates. Revenue from these sources is projected at \$16,586,636 and is based on 2022-2023 program participation levels through January 2023. Federal donated commodities entitlement is projected at \$601,998.

Cafeteria Special Revenue Fund 2022-2023 Second Interim Budget Assumptions

Revenues – continued

Unrestricted revenues include meal sales, and interest earnings. Revenue from these sources is projected at \$618,492 and is based on a la carte food sales from the 2022-2023 participation levels through January 2023, current interest rates, cash-flow analysis, and historical data.

Approximately 35% of the students in the Murrieta Valley Unified School District qualified for either free or reduced meals. Federal and state reimbursements are equal to 96% of total revenues. Donated food commodities within federal revenues are equal to 8%. Local revenues are equal to 4% of total revenues. Total 2022-2023 revenues are projected at \$17,807,126.

Expenditures

All revenue sources are used to cover total expenditures within the Cafeteria Special Revenue Fund. Expenditures include classified salaries and benefits, office and food supplies, uniforms, non-depreciable equipment, food, travel, maintenance, reprographics, fees, other services, and indirect costs. As allowable, the indirect cost rate for the Cafeteria Fund is 5.34%.
