Nighthawk News

Dear Parents and Students,

Welcome to the first edition of the Nighthawk News for the 2019-2020 school year. We hope that all of our parents and students take the time to read this monthly newsletter in order to remain current on events occurring within the MVHS community.

I hope everyone has had a wonderful summer break. Our MVHS staff is very excited to welcome out students back to school from a relaxing summer. Our staff are committed to sharing the core tenets of our strong belief in "Doing it the R.I.T.E. Way" **Respect, Integrity, Teamwork and Excellence**, as we make meaningful connections with our students.

Above and beyond our excellent academic and elective programs, we will continue to expand access for students to participate in engaging activities outside of the classroom. We encourage students to get involved. We have more than thirty clubs offered on campus and urge students to get connected.

Our students were welcomed to Hawk's Landing the week of August 5th, where they connected with students and collected their academic schedules and books. Students received their MV Guides and I would like to encourage parents to look through this publication, as relevant dates and important information are contained in the handbook.

We will add more than twenty new teachers and support staff this year, as many of our staff retired this past year. Our emphasis continues to be to bring in staff that desire to build positive relationships with students. Our classes begin on Wednesday, August 14th. We have included fire science this year, as a new CTE pathway to join our current foods, engineering, criminal justice, business, computer programming and auto pathways. The MSJC annex will open in the portables by the pool with the following courses offered in the Fall: English 101 – 12th grade only, CSIS 101 (Computer Science), AJ 102 (Administration of Justice) and History 103.

This school year we will continue to offer "Office Hours" as an intervention period on most Thursdays and Fridays. Due to popular demand from teachers and students we have increased the number of days in which we will offer Office Hours. Our CAASPP scores came back with improvements in math and English, with our highest math scores ever. The California Healthy Kids Survey completed by students at all secondary schools in the state indicating students' perceived safety at school and student connectedness to the school showed the highest scores of any high school in the area.

I am grateful to have the opportunity to work with a community that is partnering to provide the best educational experiences for our students. We are looking forward to a great year at MVHS!

Doing it the R.I.T.E. Way (Respect, Integrity, Teamwork, & Excellence),

Dr. Mark Pettengill, Principal

SENIORS

This is the time to be sure you are receiving information from the school and your counselor! MVHS has accounts on Facebook, Twitter and TikTok as well. Be sure that you can log into Aeries and your Office 365 email account (9 digit student ID email). Look to your Aeries Communications or email for reminders from your counselor and teachers. Watch the kiosk and daily announcements for information about events, activities and deadlines. Don't miss out on the fun and excitement of your senior year by forgetting your deadlines or not being informed!

Office Hours Are Back!

Last year, MVHS began a new program called Office Hours. This is a dedicated block of time on most Thursdays and Fridays throughout the year. Office Hours is designed for the purpose of re-teaching, tutoring, study groups, make-ups and enrichment. This is an opportunity for our students to receive additional help and support from their current teachers during the school day. On these days, the bell schedule will be adjusted slightly to allow for an additional 30 minute period. Look for communications each week for which teachers/classrooms are available.
