# Nighthawk News

Dear Parents and Students,

We have quickly come to the end of the six-week grading period of the second semester. The tough part is that it marks the point where we only have 12 weeks left with our seniors. We edge towards CAASPP testing, which comes up after spring break in April. Our ASB hosted two very spirited rallies this semester, one devoted to winter sports and one to celebrate our strong academic students and programs. We held our first week-long Night Hawk games with competition between the classes. Our winter sports have come to an end with some of the highlights being our wrestling team finishing 2<sup>nd</sup> in league and sixth in CIF. Our competitive cheer team finished sixth place in the Nation in Orlando, Florida. Our dance team finished 2<sup>nd</sup> in the Jazz competition in Nationals. Our boy's basketball team finished in third place in the Southwestern League and making it to the CIF playoffs. Our girls water polo team finished first, once again, in the Southwestern League. Our Robotics program has had at least two teams qualify for the state tournament. We are still waiting to see if our other two teams qualify. Our drama, choir and band programs are preparing for the spring play. Our band will participate in the spring festival and host their concert in March. Our choir is preparing for festival and their Arizona trip. Our spring sports have kicked off. Science Olympiad and Mock Trial are still competing and Virtual Enterprise is preparing for nationals in New York. The Scholar Bowl competition takes place on campus in the next month. We also will hold our annual Mr. Nighthawk competition.

We have been working through the course registration process with our students. Our counselors have been meeting with every student to discuss next year's courses. We encourage parents to engage with students in selecting courses for next year. March 9<sup>th</sup> is our MVHS Showcase. This event will take place in our gymnasium, and everyone is welcome to attend.

The Mission of Murrieta Valley High School is to inspire academic excellence, to create a caring and respectful community and to foster integrity and character in our students.

Doing it the R.I.T.E. Way (Respect, Integrity, Teamwork, & Excellence),

## Message from the Health Office:

Cold and flu season is upon us. If your child is calling or texting you that they are ill at school, ask them to check in at the Health Office—they need to see the Health Office before being released from school. Students with a fever or vomiting **MUST** go home.

When you arrive at school to pick them up, please check in at the Welcome Center next to the main entrance arch. The welcome center personnel will call the Health Office for your child. Students will only be released to their *parent or guardian* as documented in Aeries. If you would like your child released to someone different, even on your emergency list, please let the Health Office know ahead of time. Safety is our number one priority and we appreciate your understanding.

Students are **NOT ALLOWED** to text/call parents to be called out of class for illness. We are not able to call the classrooms during class time.

## **YOUR OPINION COUNTS!**

Our school is asking for feedback from parents, and students (grades 6-12) regarding strengths and weaknesses. This feedback is critical to a successful Local Control Accountability Plan and must be submitted to the State of California every year. The responses are collected as data and presented as such. The survey is anonymous. As an option, there is an opportunity to provide your contact information, if you have a specific concern, comment or question that requires follow up. The survey will take approximately 10 to 15 minutes to complete, and the time you take to provide us with feedback is greatly appreciated.

To take this survey, please visit: [www.murrieta.k12.ca.us/LCAPsurvey](http://www.murrieta.k12.ca.us/LCAPsurvey)
