Nighthawk News

Dear Parents and Students,

We had a great start to the school year. Our staff and leadership students welcomed our students to school with three tunnels. Our first day of school was devoted to connecting with students, focusing on student social/emotional needs, procedures and school spirit. Our staff motto is "Touch Their Hearts", as our mission is to build relationships with students and to impact their lives both academically and emotionally. Our enrollment has grown substantially. To accommodate the growth we have had to add additional classes for our students.

We held our freshmen Welcoming assemblies during the second week of school. We began our "Office Hours" in-school intervention, where students visit the teacher of their choice to receive additional academic support during school hours. We also began our Recess Wednesdays, in which we have a prolonged break for teachers and students to engage in activities together. We had a wonderful evening welcoming our parents and community to our annual Back to School Night.

We encourage our students to get involved on campus. Our Club Rush is coming up in September. We have a variety of clubs for students to connect with. Our academic programs include International Baccalaureate and Advanced Placement courses. Our CTE pathways include: foods, photography, business, auto mechanics, engineering, law enforcement, computer programming and our newest program, fire science. We have also added a new Mount San Jacinto Community College annex on our campus, where students can take classes for dual credit. Our academic competitions include: Mock Trial, Virtual Enterprise, Science Olympiad and Robotics. Our award-winning performing arts department mixed with our successful athletic programs allow for something for all our students. We have strived to grow our leadership program on campus to allow our students to take ownership of our growing and engaging culture. Leadership classes include: Marine Junior ROTC, Senate, ASB, PLUS, Link Crew, and our Night Hawk Pride class.

Doing it the R.I.T.E. Way (Respect, Integrity, Teamwork, & Excellence),

Students who arrive late to school, and parents who are here to pick up their students early from school should go directly to the Attendance Office for assistance. You need to show your ID and be listed on the emergency contacts list to pick your student up. Your student will be released to you from there. Our goal is always the safety of our students.
