## MURRIETA VALLEY HIGH SCHOOL NIGHTHAWK NEWS

## OCTOBER 2021 Letter From Our Principal

ի 🚺 🏹 Գ

Dear Parents and Students,

As we approach the middle of the first semester, I hope you have felt valued and connected to our Nighthawk community. It has taken a collective effort from parents, staff, students, and our community to effectively transition back into traditional school. We appreciate the collaboration and focus on doing what it takes to get our schools back! We have taken an exciting step as a district to provide device access to all students so that digital curriculum, online assessment tools, and various instructional methods can be utilized. Having technology in the hands of all students increases our ability for teachers to share feedback, increase engagement, and provide equitable opportunities for all, while better preparing students for future jobs.

The excitement students have shown on campus, at events, rally's, in the classroom, and in the Red Zone at football games has been inspiring. We are excited to have our first Homecoming Dance in two years, which will take place on Saturday October 9th. The quad of our school will be turned in to a carnival and it will be a great night. Encourage your student to attend! During September students took benchmark assessments for Reading and Math. The academic levels are monitored and assessed throughout their time as a student in MVUSD. Teachers use the feedback to guide instructional needs and planning within their departments. Our teacher's ability to utilize the data is an important part of increasing learning and academic development.

Thank you for everyone's support of MVHS and helping us be the best school we can. Doing it the R.I.T.E. Way (Respect, Integrity, Teamwork, and Excellence)

Ryan Tukua, Principal Murrieta Valley High School

## October 2021

### MORE UPCOMING DATES TO REMEMBER

- 10/2/21 SAT TEST
- 10/7 HOMECOMING RALLY
- 10/9 HOMECOMING
- 10/20 RECESS WEDNESDAY
- 10/23 ACT TEST
- 10/29 12 WEEK GRADING

## **Congrats to our Nighthawk Student of the Month Zoe Vilchez!!**

## **SUPPORT YOUR NIGHTHAWKS!!!**

Nighthawk Shout Out! Virtual Enterprise Fundraiser is here! As the students of Murrieta Valley High School return to school, so does virtual enterprise. Virtual Enterprise is an internationally recognized business simulation program that transforms students into executives. The students create a business, from start to finish, that replicates all functions of a real company. They compete with over 1,000 other VE firms and participate in competitions and trade shows.

On Monday, November 22, 2021, Virtual Enterprise will be hosting their main fundraising event, the 7th annual MVHS Virtual Enterprise Golf Tournament, at Bear Creek Golf Club. They are seeking golfers, sponsors and donors, as well as product donations that will be raffled off or given as prizes. Your donation directly benefits the Murrieta Valley High School Virtual Enterprise business program!

Updates on the program and ways to contribute to VE and the golf tournament can be found at

https://mvhsvirtualenterprise.weebly.com.

- LOST AND FOUND IS IN ROOM 814

The Support Team staff would like to thank our families for helping us start the new school year so successfully! It's wonderful to see all of the students smiling and enjoying all of the school events.

While we are on the right track and see progress day to day, we still need your support in starting each day on a positive note.

Here are a few areas in which you could encourage your students, which in turn helps us help them start the day right!

- Please encourage them to arrive on time so they don't need to wait at the attendance window to receive their tardy slip before class.
- Please encourage them to follow the dress code so they don't need to wear loaner clothes or receive detention. Pages 6-10 in the student handbook refer to these items. A link is provided above.
- Student ID's- Many students still haven't picked up a student ID which is required. Please have them come to the office to visit a guidance tech & then to the Hawk Rock to see Ms. Moon at break, lunch or after school to receive their ID.

### Officer Appreciation Day!!

Don't forget your parking permits!:) They are issued through bookkeeping.

## Fire Science Technology

## **Pink Patch for October**

Our Fire Science Technology Club has approved and created a "Pink Patch" of our Fire Science uniform patch.

Our Fire Science Technology Club has approved and created a "Pink Patch" of our Fire Science uniform patch. This is to promote public awareness to bring attention to the fight against breast cancer and to support breast cancer research organizations in combating this devastating disease. Public safety employees at each of the participating agencies around Murrieta wear their pink patches on their regular duty uniforms each year for the entire month of October during "Breast Cancer Awareness Month." The pink patches are intended to stimulate conversation with the community and to encourage public awareness about the importance of early detection and the on-going fight against this disease. For our Fire Science class we are selling patches for \$10.00 and a percentage of proceed raised will be donated to City of Hope. You can pick up a Patch in Rm 813 from Chief Snider.

Dru H. Snider Chief of Fire Science Technology Murrieta Valley High School Murrieta Valley Unified School District 42200 Nighthawk Way Murrieta, CA 92562 dsnider@murrieta.k12.ca.us

## PLUS & LINK CREW NEWS

The PLUS team hosted the National Suicide Prevention Week September 7th-10th with activities all week. Activities included resources on the Nighthawk News, a resource table at break and lunch, a Rock Painting Party to grow our Suicide Prevention Rock Garden at the front of the school, a "Take What You Need Wall", and beautifying our campus with chalk art. On Friday at the football game students, parents, and visitors participated in the Light the Night Suicide Prevention night.

> NATIONAL SUICIDE PREVENTION

## **MCJROTC OCT NEWSLETTER**

For Website JROTC page follow this link

Throughout the month of September our MVHS MCJROTC Cadets have successfully completed four major events. On the 3<sup>rd</sup> and 10<sup>th</sup> of September our Cadets carefully planned, organized, and executed two security details for our Varsity home football games. 64 of our Cadets dedicated over 6 hours each of their time to stand their post and ensure a safe environment for the fans and players.

On the 4th of September our Cadet Company hosted our 2021 Cadet Orientation for incoming and returning second year JROTC Cadets. The MCJROTC student staff have spent many weeks planning this critical training event. All details, from making certain that all Cadets are accounted for, to securing the proper facilities necessary for the event and verifying that all material needed to run the event was properly acquired. Throughout the day, our MCJROTC

Cadet staff ensured that all tasks were supervised and fully accomplished in a timely manner. Because of their efforts as leaders across the campus, over 20 new Cadets joined MCJROTC, raising our numbers to 143.

On the 18<sup>th</sup> of September our Cadet Company hosted our 2021 Raider Slayer Competition. This Raider competition consisted of 10 schools and 25 teams traveling from across the state. Our Cadet leadership managed all aspects of the competition including a working party of over 100 Cadets to accomplish the tasks required to make the event a success. The event was a massive success in organization, leadership, and honoring former MVHS students Sgt Williams and Sgt Ruiz.

Upcoming Events October 8 / October 28 – Football Security October 23rd – Basic Leadership Course

### A MONTHLY WELLNESS NEWSLETTER

OCTOBER 2021 · ISSUE 1 · VOLUME 3

### Substance Use & Mental Health

October is National Substance Abuse Prevention Month. Young people face a variety of life challenges that can affect their mental health and abuse of alcohol and other drugs. Let's raise awareness around substance use prevention and the promotion of positive mental health. Together we can reduce the impact of mental health and substance use disorders in our community.

Substances that students have tried at least once before the age of 18:

Drugs

91% Alcohol

40% Tobacco

47% Marijuana 18% Prescription

5% Illicit Substances

There is hope and help available to support recovery. Teens are resilient. Mental health and substance abuse conditions are treatable. Check out some interactive tools and resources to help you better understand your treatment options.
