Mrs. Arens

YOUR TEACHER

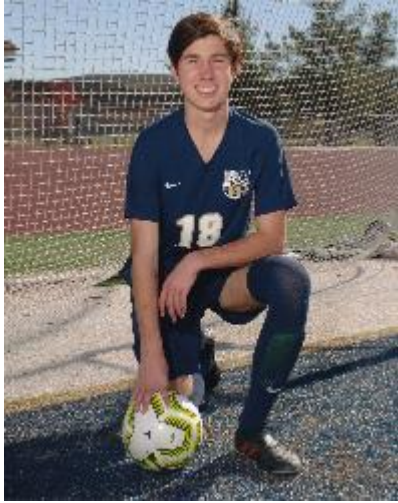

my family

Please allow me to introduce myself and tell you how very excited I am to have your child in my class. My name is Jennifer Arens. This is my seventh-year teaching here at Monte Vista Elementary. I previously taught in the Alta Loma School District before taking some time off to raise my two kids. Dillon will be a freshman at Illinois College where he will also be playing soccer. My daughter, Maggie will be starting her sophomore year at VMHS. Both of my kids attended Monte Vista starting with Kindergarten.

fun facts

We are a soccer family. My kids have tried all sorts of sports and soccer has just stuck. I coached my kids for many years. I myself play soccer. I play on a women's team and a coed team.

We also enjoy going to Disneyland and trying to relax at home when we are not out at a soccer game.

my teaching philosophy

We are going to have a fabulous year!

Our classroom will be an environment which all students feel comfortable and safe. I am a very positive individual and hope to instill this same positive attitude with your child as well as other important traits such as; responsibility, respect, choices, and consequences. All students will be expected to work hard and make good choices towards their behavior and academics. We can learn a whole lot if all students maintain positive attitudes and respect one another. Please feel free to contact me at anytime with any questions or concerns you have.

my favorite things

I am not a coffee drinker. I do drink a double chocolate chip frap (cream based, of course). I do most of my school shopping or other shopping at Amazon. My favorite types of candy are sour patch kids, Reese's peanut butter cups and I will not pass up on a donut (well, maybe maple bars).

LET THE FUN BEGIN!

LET'S HAVE A GREAT
SCHOOL YEAR!
