Go to the District Website at: www.murrieta.k12.ca.us

Under parent tab click on Enrollment/Registration

On the Enrollment & Registration page click on the blue New Student Enrollment link

Click the "here" link and accept that you are being directed to external website

This is the external website – Click enroll a new student and follow the steps

Once you have completed the online enrollment, our registrar will send you an email with the steps to complete the enrollment. Documents to bring to that meeting: original birth certificate, immunizations and two bills to use as proof of residency.
