

Symphonic Band

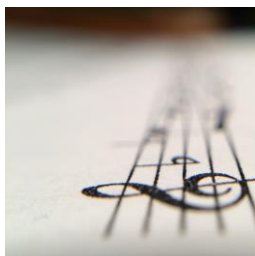

911 Tribute - Teacher and Staff Performance, MPR, 9/7/21

Dr. Garvin, Conductor

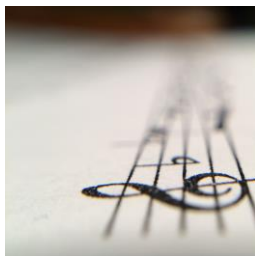

Warm Springs Symphonic Band

The Symphonic Band is the top-level band of the school. Students often move forward into successful high-level academic high school programs with success.

Yankee Doodle

From much earlier versions, around 1781, troops led by George Washington used this modern version as a song of national pride.

Simple Gifts

It is a Shaker song composed in 1848. This famous melody appears in Arron Copland's ballet music *Appalachian Spring*.

Students check in to their 4th period and go directly to MPR with instruments. They have been officially cleared for this graded activity. This will be recorded.
