## School Notes

Buchanan Families,

It is hard to believe that the end of this school year is almost here! Even though we are winding down in days, the month of May continues to be a very busy month. This month is filled with performing arts activities, family centered events and continued perseverance with our academics. We encourage our students to "Try Everything" as we close out the school year.

Throughout the month of May, several performing arts activities are planned. Our fabulous 2<sup>nd</sup> grade classrooms will each be involved in patriotic performances to celebrate our patriotic roots with both music and song. Our Children's Chorus will also be performing a variety of songs at a student body assembly. Students are encouraged to try out for our annual Talent Show later this month.

Buchanan's family centered events kick off with our annual Open House/Science Fair Thursday, May 4<sup>th</sup> from 5:30 - 6:30 pm. For our incoming Kindergarteners we are hosting our "Kinder Here I Come" event on Monday, May 15<sup>th</sup> from 6:00 - 7:00 pm. This event provides parents with the necessary information about kindergarten here at Buchanan. Our amazing PTA is hosting their last family event with PTA's Blazing into Summer Event on Friday, May 19<sup>th</sup>. We look forward to seeing many of our Buchanan families joining us for these fun filled, memory making events. The district's sponsored annual Passport to Summer Success Expo event is Wednesday, May 31<sup>st</sup> from 5- 7 pm at Rail Ranch Elementary School.

Academically, our students are working hard to finish strong. Our 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grade students continue their CAASPP testing this month. Various grades levels will be taking the FRA, RI, and MI assessments also. In 5<sup>th</sup> grade, students have completed their DARE lessons and will be celebrating with DARE graduation on May 12<sup>th</sup>.

We hope you are able to join us for one or several activities during the month of May.

Good things are happening at Buchanan Elementary!

Jennifer Randel and Jim Curtis

Did you know.....

- Buchanan was awarded the 2016 Honor Roll award again for the 3<sup>rd</sup> straight year
- R.A.I.N. counselors received the state H. B. McDaniel Foundation group award for leadership and school counseling.
- PTA has less than 50 yearbooks to sell
- All library books are due the week of May 22-26
- Military ice cream social June 1

Dear Buchanan Families,

CAASPP Update for May.

Yeah May! If it is May, we are half way done with state assessments for the year. Yes, ELA testing has been completed and it is on to math, along with science for 5<sup>th</sup> graders.

Grade 3: Math May 8 – 12  
Grade 4: Math May 1 – 5  
Grade 5: Math May 15 – 19  
Grade 5 Science CAST: The week of May 22

Though we are half way done, the effort doesn't stop. We will keep preparing and you can help too. Here is a reminder of the small things you can do at home:

Maintain a normal bedtime (no late night movies during testing)

Serve your student a solid and well-rounded breakfast. Remember, too much sugar can cause students to crash with fatigue.

Most Important!!! **BE ENCOURAGING.** Encourage your student to keep trying even when the test seems too hard.

If you want extra practice, you can still have your student take a practice test. 5<sup>th</sup> grade parents, this includes a science practice for this year's field test. The link below will take you directly to the login page for the CAASPP practice tests:

## TK / Kindergarten News

Our TK/K kiddos have had so much fun learning about life-cycles (plants, butterflies, ladybugs, chicks) while mastering more and more K skills. We're looking forward to our very 1st bus field trip as well as our Countdown to Zee Last Day of School beginning with A for Aloha Day on May 4th. Please come see what's been "blooming" in your child's classroom by visiting our Open House on 5/4 from 5:30-6:30. We're continuing to work hard to "Better our Best"!

## First Grade News

Our amazing first grade students have made so much academic and social growth this school year. Academically, they have been continually working towards meeting both their i-Read and Fast Math goals along with meeting the end-of-year benchmarks & expectations. Socially, they have been practicing many important social skills such as being safe, respectful, responsible, and of course KAHFOOTY! On May 25<sup>th</sup> the first grade students will experience the traveling planetarium in the MPR. This in-house field trip is aligned with the NGSS (Next Generation Science Standards) and will be a unit opener for learning about space. Your child will surely have many exciting things to share about his/her experience. As the school year is coming to a close, many assessments will be administered and the students will continue to be encouraged to do their best, to persevere, and to not give up even when it seems too hard. First Graders Rock! ☺

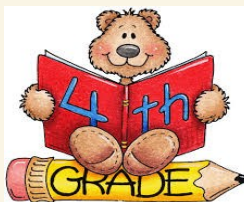

## Second Grade News

We can hardly believe that the school year is rapidly coming to an end. Our growth mindset for wrapping up the year is "We should open ourselves to the impossible and embrace the possibility." We have many fun and educational activities to end the year. We will be hosting our annual Patriotic Performance to learn about American Symbols in late May. In June we will be celebrating with our second grade science and sports days followed up with our annual 2nd grade picnic. The last day of school will consist of our Car Show and Drive-in Movie day.

## Third Grade News

Our 3<sup>rd</sup> Annual Astronomy Night was a big success. We look forward to having the Temecula Valley Astronomy Club come back yearly to host this wonderful evening for Buchanan families. It also allowed us to raise money to celebrate the end of 3<sup>rd</sup> grade with a field trip or activity. More information will be sent home soon! 3<sup>rd</sup> grade students will be taking the Math CAASPP the week of May 8<sup>th</sup>. Remember to have your child eat a healthy breakfast and get plenty of rest throughout the week. Remind them to persevere and do their best at problem solving when taking the test. Having a growth mindset can make all the difference in a student's performance at school and on tests.

## Fourth Grade News

Thank you families for giving your fourth graders the best chance of success during State testing by encouraging them to remember their growth mindset... do their best and persevere! We are finished with Language Arts and will begin the Math portion on May 1<sup>st</sup>. Just a reminder to help your child get extra rest that week and have a healthy breakfast so they may have just a bit more energy as they tackle the challenging tasks they may come across. Thank you as well for nurturing your child's science curiosity by supporting them in completing their Science Fair Project! We had History Brought to Life on April 26<sup>th</sup>, please ask your child about this assembly. Open House is Thursday, May 4<sup>th</sup>, we hope to see you there as your 4<sup>th</sup> grader showcases their hard work!

## Fifth Grade News

During the month of May, the 5<sup>th</sup> graders will have completed Physical Fitness testing, turned in Science Fair/Invention Convention projects and finished up the DARE lessons.

Science Fair and Invention Convention projects are due on May 1<sup>st</sup>. Projects will be displayed in the classrooms for Open House. The Invention Convention will be held in the MPR on May 5<sup>th</sup>. Parents are invited to attend. The Shark Tank portion of Invention Convention will be held on May 12<sup>th</sup> at 3:15 PM in the MPR. Five inventions will be selected to compete in Shark Tank. The students who are competing will be notified by their teacher on May 8<sup>th</sup>.

Each student was assigned to write an essay explaining what he/she learned from DARE. Essays were turned in and Detective Therien will read the essays and select the top essay winner. This student will read his/her essay during DARE graduation. DARE graduation is May 12<sup>th</sup> at 9:30 AM in the BES amphitheater. Families are invited to attend. May 12<sup>th</sup> will also be the day the students will have a panoramic picture taken by a local photographer. Pictures may be purchased on or before May 12<sup>th</sup>. Fliers will be sent home once the school has received them. We will also be finishing up with the CAASPP testing towards the end of May. The students have worked extremely hard this year. We are proud of all of the effort and skills the group has mastered.

At the end of each school year, 5<sup>th</sup> graders have the opportunity to participate in FUN WEEK. FUN WEEK is the last week of school. Students are earning honor points in order to participate in the field trips. The trips include swimming at California Oaks pool, roller-skating at Epic Rollertainment, watching a movie at Temeku, and a final awards assembly. Students earning Honor Roll and Physical Fitness Awards will be recognized during this assembly on the last day of school.

Price is \$30.00 CASH ONLY. Order envelopes are available in the school office. A limited number of yearbooks were ordered for print, and only 50 are left to purchase.

Get yours NOW before they're sold out!

### Celebration Policy

Per MVUSD policy regarding food allergies, any food brought on campus to be shared with other students needs to have prior approval from school personnel.

As an alternative suggestion to food for student celebrations (i.e. birthdays), you may donate a book to the classroom or school library honoring your student. Another idea is to bring in a goody bag (**with no food items**) or a **non-food treat** for each student in the class.

Thank you for adhering to this policy for the safety of all students and staff.

## Field Trip Chaperones and Volunteers

All volunteers and chaperones must register every year with the district **BEFORE** they may volunteer in a classroom or chaperone on a field trip. Please see the office to complete the necessary forms and bring your government issued ID as they need to photocopy it. Thank-you for taking the time to volunteer!

### The Blazer Way - Be Safe ~ *Bicycle & Scooter Information*

If you ride a bike or scooter to school, **bring a lock** and **lock it up** in the bike rack. We would love to trust that everyone is honest and will leave other people's possessions alone, but this is not always the case. The best way to keep your bike or scooter safe is to lock it up.

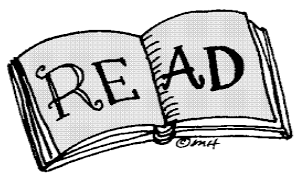

Also, California law requires that all **students must wear a helmet** when riding a bike or scooter. Students without a helmet will be sent to the office to call home for a helmet. Remember, this is to protect that incredible brain inside each student. Wear a helmet and be safe!

### **Student Lunches and Cafeteria Meals**

## **Buchanan's Reading Round-Up School Wide Incentive Program**

For the month of March, Buchanan read a total of 230,888 minutes with a grand total of 1,457,900 minutes read to date. Our school wide reading incentive program for the 2016/2017 school year will come to a close at the end of this month. Will Mrs. Randel and Mr. Curtis have an apple pie eating contest dressed-up as Pokémon and Raichu? With only 42,100 minutes left to go, the reading team is feeling very confident! We sure hope Mrs. Randel and Mr. Curtis like apple pie!

Happy Reading!

## Buchanan Elementary Annual Talent Show

It's time again for our annual talent show! If you have star power and would like to showcase your talent, please fill out the audition form that went home (there are more in the office) and return it ASAP to your teacher or Mrs. Hern (E-21) no later than Thursday, May 4<sup>th</sup>. You will be contacted with a *specific time to audition* along with a *Permission Slip* that you must bring with you to auditions or you cannot try-out. There are a limited number of performance spots available and judges will determine which acts will be a part of the show.

★ Auditions are Tuesday, May 9<sup>th</sup> and Wednesday, May 10<sup>th</sup> from 3:00 p.m.-5:00 p.m. in the MPR

★ Acts must be 3 minutes or less.

★ We will need a copy of your music on a CD, clearly marked with your name and song. (No phones) Please make sure you copy your music onto an audio disc.

We will also need the *lyrics printed out*.

★ Make sure your act is appropriate for elementary school kids. (G-rated, no inappropriate language etc.)

★ If you are chosen, a rehearsal will be on Monday, May 22<sup>nd</sup> from 1:45 p.m. – 3:45 p.m. in the MPR .

★ Performances will be on Tuesday, May 30<sup>th</sup>. Each act will perform for the school at either a 9:00 a.m. or 1:00 p.m. show.

★ Performances for parents will be on Tuesday, May 30<sup>th</sup> from 6:00-7:30p.m.

★ You will need to bring your own keyboard if you are playing the piano

★ If you are in a group, each person must bring a permission slip to the audition.

We are looking forward to see all of the amazingly talented kids we have here at Buchanan!!!

## Positive Behavioral Interventions Supports Moment

### Be a Trail Blazer. Be a leader

You often hear Mrs. Randel say, “Be a Trail Blazer,” when it comes to inspiring Buchanan students and their day to day actions; but what does this mean? Well, one way to think about it is to be a great leader. Leadership is one of those terms we often use with kids over and over again, and you have to wonder, do they understand what we expect of them? It makes perfect sense to think that they may take this to mean they have to score 30 points in a basketball game or score a perfect 10 in gymnastics. We have to remember that in today’s world much of what student’s comprehend come in the form of less than 30 second video clips on YouTube. Sometimes we have to explain terms more explicitly to get the desired outcomes. So, what is leadership?

Forbes Magazine did a web article listing their top 10 qualities of leadership. Some are very specific to business, but there are a few that can be applied to Buchanan students and the Blazer Way.

**Positive Attitude:** Here at Buchanan we take a positive attitude and make it more specific. We ask our students to have a growth mindset. We ask them to keep trying even in the eyes of a struggle. When we have a positive attitude, we do not fail, rather we learn from our struggles.

**Honesty:** ...is the best policy. In business and in school it is how you gain trust from those you work with every day. At Buchanan it is a big part of the Blazer Way and Being Responsible.

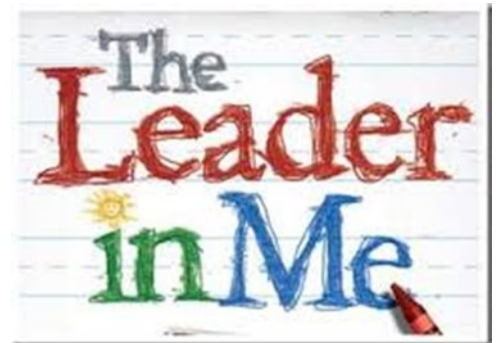

**Communication:** Talk things through. Use your words. Clearly state what is on your mind. The more leaders in this we have, the better our campus would be. Think of all the disagreements that could be solved peacefully if we all used our words.

**Creativity and Intuition:** Forbes lists these as two different qualities. For our elementary school students, one would be good enough. If we had some students who thought up new ideas, while others had instincts that helped them with good decisions; ‘Oh the places we would go,’ to quote Dr. Seuss.

**Commitment:** This might look a little different for an elementary school student than for a business person. For a Buchanan student this means seeing things through. Finish a project or homework assignment, listening and completing all directions, and attend school every day; these are the qualities of commitment at Buchanan.

**Confidence:** Yes, we can see confidence in students even as young as our kindergartners. What is really special is when that confidence is a reflection knowing right from wrong, completing all tasks as instructed, and from the friends we make during our elementary school career. When students see these qualities in another, they will follow, and so will the next student, so on, and so on.

Leadership, if we just tell a young student to do it, they may not know what to do. But, if we instill leadership qualities through the following of the Blazer Way, well then, we truly have a campus full of Trail Blazers.

## Good Sportsmanship

Losing is disappointing, so it's not surprising that kids don't like it. Adults don't like it either, but everyone can learn to control how they react to a loss. The tricky part is that sometimes we react before we even realize it.

### Ten Ways To Be A Good Sport

1. **Be polite** to everyone you're playing with and against. No trash talk — which means no saying mean things while you're in the middle of a game.
2. **Don't show off.** Just play your best. If you're good, people will notice.
3. **Tell your opponents "good game!"** whether you've won or you've lost.
4. **Learn the rules** of the game. Show up for practices and games on time — even if you're the star of the team.
5. **Listen to your coaches** and follow their directions.
6. **Don't argue with an official** if you don't agree with his or her call. If you don't understand a certain call, wait until after the game to ask your coach or the official to explain it to you.
7. **Don't make up excuses or blame a teammate** when you lose. Try to learn from what happened.
8. **Be willing to sit out** so other team members can get in the game — even if you think you're a better player.
9. **Play fair** and don't cheat.
10. **Cheer for your teammates** even if the score is 1,000 to 1! You could inspire a big comeback!
