

MVUSD Title I Advisory
Thursday, April 20th 2017

I. Welcome

- **Purpose and Intent of Advisory** - Ms. Mutchnick, Director of Elementary Education, shared the purpose and intent of the advisory.
- **Introductions** - All participants introduced themselves and their role at their sites.

II. Understanding Title I

- **What is Title I?** - Advisory went through powerpoint to provide members with specific information about Title I programs.
- **Important Components** - Advisory discussed some of the more important components of Title I, helping members understand the expectations of these items.

III. A Look at Title I in Murrieta

- **Title I schools and Current Allocations** - Ms. Mutchnick shared the schools that are Title I, as well as the current allocation of staffing for each site. Advisory looked at district-wide free and reduced status of schools to understand relationship between this and allocations.

There was discussion regarding need to communicate to parents the importance of filling out free and reduced lunch forms. It was suggested that this might be added to the Aeries Parent Portal. It was also asked if numbers could be low due to Kindergarten not having a formal lunch. There was a suggestion to add this to the Kindergarten Here I Come presentations.

Teacher Kristin Bean shared out the role of the Title I teacher to help parents understand all that the role entails.

- **Title I budget** - Advisory reviewed the budget for Title I to understand how funds are distributed and used.

IV. Future Work/Initiatives

- **Parent Involvement**
- **Program Needs**
- **Program Effectiveness**
- **Other Suggestions**

Participants discussed future items for discussion. Ms. Mutchnick shared importance of the advisory looking at program effectiveness, as well as the work being done to do this on a site level, too, through the SPSA's.

Staff shared out the upcoming Passport to Summer Success program available for all Title I students and serving to provide parents with information and resources for supporting their students academically and socially over the summer.

Ms. Mutchnick will follow up with specific date for next meeting.

Next Meeting: September/October 2017
