

Welcome to Mrs. Bernal's 6th Grade Math/Science Core Class

Students and Parents,

Welcome to the 2021-2022 school year! I am excited to have the opportunity to teach your child this year. In order to have a successful year, teachers, students and parents need to work as a team. I'm happy to help your child make this important transition to middle school.

Please ensure your child has supplies by Monday, August 16th. Please let me know if you are having trouble getting supplies. I'm looking forward to a great year!
