

# MURRIETA VALLEY UNIFIED SCHOOL DISTRICT MATHEMATICS PATHWAYS

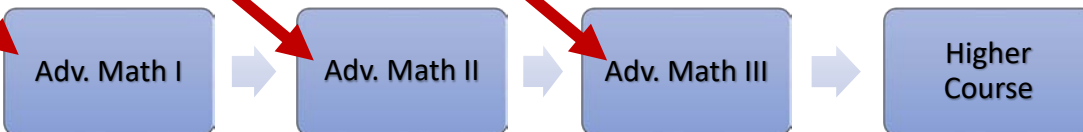

## Standard Pathway

## Accelerated Pathway

## Advanced Pathway

**Acceleration Point:** Arrows mark points of acceleration for students who want to progress to a different pathway.

 Students may be assigned online material to study and then complete a standards-based assessment prior to enrolling in the class.

- Dual Enrollment
- IB SL
- Calculus
- MRWC
- Stats

- Students must pass Math I/Algebra I to fulfill California high school graduation requirements.
- Students may move among pathways based on progress, needs and goals at any time.
- Adv Math I-III includes Pre-Calculus Standards.
- Students will be placed into math courses based on math grades, teacher recommendation, assessment scores and parent/counselor consultation.
- There may be individual cases that require individual attention and/or need for further advanced coursework based on student progress and performance.
