

MURRIETA VALLEY UNIFIED SCHOOL DISTRICT MATHEMATICS PATHWAYS

Grades

➡ Acceleration Point: Arrows mark points of acceleration for students who want to progress along a different pathway.

- Higher Courses (Standard Pathway): MRWC or Statistics
- Higher Courses (Advanced Pathway): MRWC, Statistics, Calculus, AP Calculus AB or IB SL w/ Applications
- Higher Courses (Accelerated Pathway): MRWC, Statistics, Calculus, AP Calculus AB, Dual Enrollment, IB SL or IB HL

- Students must pass Math I to fulfill California high school graduation requirements.
- Students will be recommended for math courses based on assessment scores and parent/counselor consultation.
- Students may move onto or off an Accelerated/Advanced pathway at the conclusion of a school year.
- Students moving onto an Accelerated/Advanced pathway will be assigned asynchronous material to study independently over the summer and then given a standards-based assessment prior to enrolling in the class.
- Students may move off an Accelerated/Advanced pathway with parental permission.
- Adv Math I-III includes Pre-Calc Standards
