

Where Can My Student Go For Extra Academic Support?

SMART Program

We have set eight dates on the calendar for our Saturday Morning Academic Resources & Tools (SMART). This time will serve as an intervention and acceleration, based on student needs. Our first SMART Saturday will be held September 16th—classes scheduled are 10/14, 11/4, 12/9, 2/10, 3/10, 4/21 and 5/19. Sign up with any MVHS teacher no later than the Thursday before the SMART date you wish to attend—see teacher for SMART hours.

Late Start Monday Tutoring

Why sleep in? Late start Monday mornings will now feature our instructional aides leading one hour of tutoring in our library before school begins at 8:50. National Honor Society/California Scholarship Federation student tutors will also be available during that time. Available to all students on a walk-in basis.

After-School Tutoring

National Honor Society/California Scholarship Federation student tutors will be available every Wednesday and Thursday for one hour after school in the library. Available to all students on a walk-in basis.

EL/AVID Tutoring

Tutoring will be available on Mondays, Wednesdays and Fridays during the lunch period for our AVID and EL students. In Room 626.

Math Tutoring

Math tutoring will be available Mondays and Wednesdays for one hour after school in the library computer room. Available to all students on a walk-in basis.

Homework Hotline

Below is a link to a homework hotline through Harvey Mudd College. Phone tutoring is available Sunday through Thursday, from 6-9pm for all students.. Call 877-827-5462 or <https://www.hmc.edu/community-engagement/wp-content/uploads/sites/15/2013/12/HH-Flyer-English.pdf>.
