What is the ELPAC?

The ELPAC measures the English language proficiency skills that students need to succeed in school. Students who are English learners take the Summative ELPAC each spring until reclassified. Your child's ELPAC results are only one measure of your child's knowledge and skills in English. Other measures may include classroom tests, homework, and grades.

Visit the Starting Smarter website at <https://elpac.startingsmarter.org/> to

- understand your child's score report,
- review sample test questions, and
- find free resources to support your child's learning.
