# AVID's Mission

---

To close the achievement gap  
by preparing all students for college readiness  
and success in a global society.

**Advancement Via Individual Determination**

# AVID: Advancement Via Individual Determination

1

AVID is an academic, regularly scheduled, year-long elective class that assists students in their preparation for admission into four-year universities.

2

Each grade level offers a specialized curriculum; the program runs through elementary to senior year of high school

# Components of AVID

AVID's three main program components are:

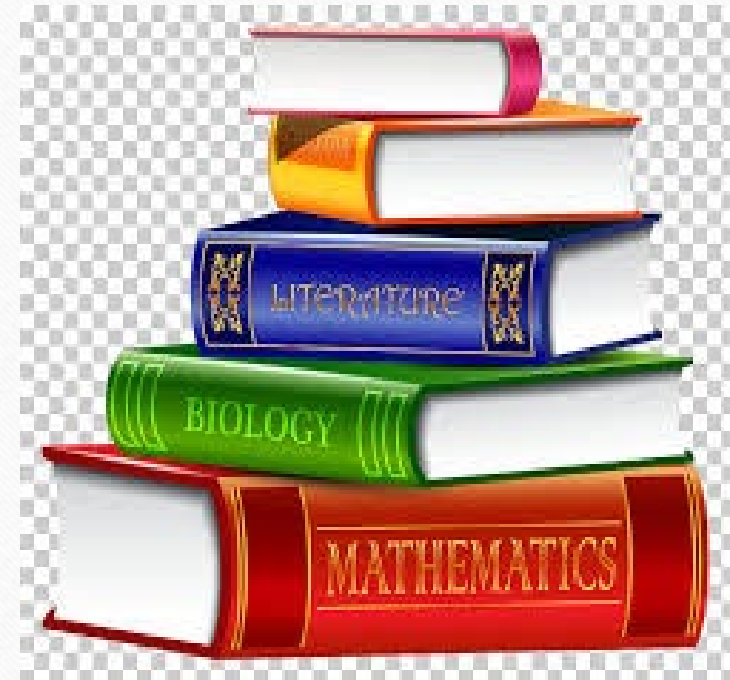

1. Academic instruction through tutorial support

2. Focused Note taking and organizational methodologies

3. College and Career exploration and motivational activities

# The benefits of AVID

- The mission of AVID is to ensure that ALL students will:
  - Successfully navigate the secondary and post-secondary education system
  - Succeed in rigorous curriculum
  - Complete a rigorous college preparatory path
  - Participate in the mainstream activities of the school
  - Increase their enrollment in four-year colleges
  - Become educated and responsible participants and leaders in society
