

2020/21 INCOMING FRESHMAN BASEBALL CAMP

The Murrieta Valley Baseball program is having a summer camp this year for incoming freshman. There will be an emphasis on defensive skills as well as hitting instruction. The camp is not mandatory and doesn't have any effect on tryouts which will be held in the fall. It is encouraged to have your son participate so the coaching staff can see your son prior to tryouts. It also can be a team bonding experience as well, which will help your son adjust to high school and be the best student athlete he can be.

DATES: Monday, July 13th through Friday July 17th

TIME: 9:00 a.m. – 11:00 a.m. daily

REGISTRATION and TUITION:

The registration and tuition cost is \$200.

Credit/Debit cards as well as cash is accepted.

Please pay the bookkeeper on campus prior to camp.

Your student athlete will need to have a physical as well as an athletic clearance prior to camp. www.athleticclearance.com

Camp includes a t-shirt and hat.
