

Murrieta Valley USD How-To Change Language Settings In Aeries Communications

Steps to take:

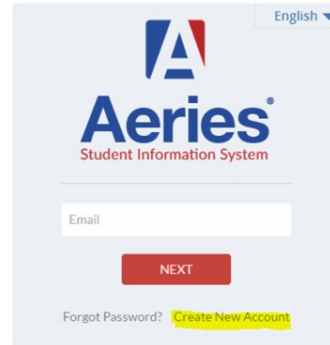

1.

Go to the Aeries Portal at:

<https://aeriesnet.murrieta.k12.ca.us/parent/LoginParent.aspx>

Log-in using your parent email and password (same as what is used for registration)

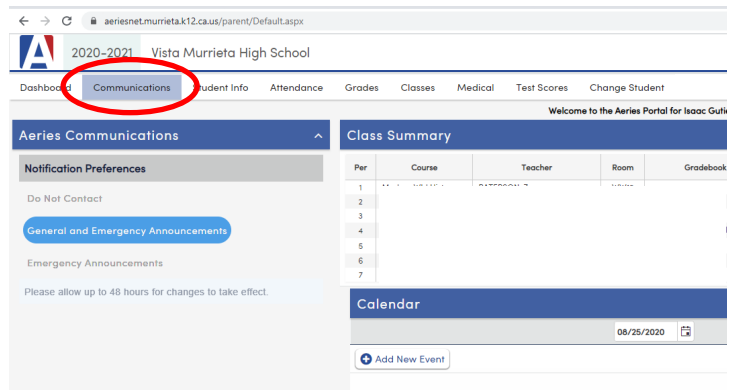

What it looks like:

2.

Once logged in the Aeries parent dashboard will appear: →

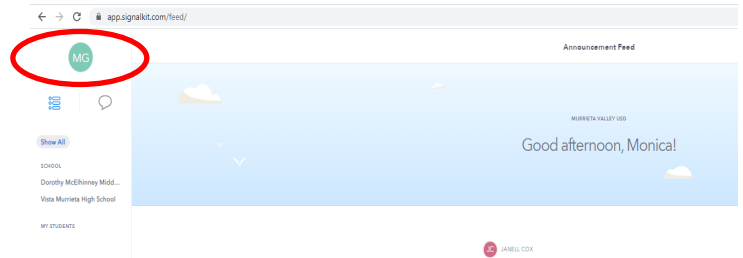

Click on the Communications tab (circled in red)

3.

Parents will then see the Aeries communication feed: →

Click on the initial circle to enter settings (circled in red)

4.

In the settings menu, parents may change their preferred language using the drop-down menu.

This is the language parents select to receive all communications.
