## General: Graduate

### National Hispanic Health Professional Student Scholarship

- **Eligibility:** Have a minimum GPA of 3.0, exceptional academic performance, documented leadership activities, and a commitment to a career providing healthcare services to the Hispanic community in the U.S., be open to any student enrolled full-time in the following accredited graduate programs: dental, medical (allopathic or osteopathic), pharmacy, nursing, public health, or health policy, U.S. citizen, permanent lawful resident, or have Deferred Action for Childhood Arrivals (DACA) status.
- **Award:** \$2,000 - \$5,000 (Medical students only).

### Mitchell Scholarship

- **Eligibility:** be a U.S. citizen, 18 years of age or older, but not yet 30, on September 28 of the year of application (those who turn 30 years of age on September 29 are ineligible), have a Bachelor's degree from an accredited college or university before beginning study as a Mitchell Scholar (Degrees from international accredited universities are acceptable, if all other conditions are met).

### British Marshall Scholarships

- **Eligibility:** be a U.S. citizen, hold your first undergraduate degree from an accredited four-year college or university in the U.S., by the time you would take up your scholarship. (i.e. September 2020), received an undergraduate degree with a GPA of 3.7 or better, graduated from the first undergraduate college or university after April 2017, must not have studied for, or hold a degree or degree-equivalent qualification from a British University or GCSE or A Levels taken at school in the U.K.
- **Award:** University fees, cost of living expenses, annual book grant, thesis grant, research and daily travel grants, fares to and from the U.S. and, where applicable, a contribution towards the support of a dependent spouse

### U.S. Department of Defense National Defense Science & Engineering Graduate Fellowship

- **Eligibility:** be a U.S. citizen or national who intends to pursue a doctoral degree in one of the fifteen supported disciplines: *Aeronautical and astronautical engineering, Biosciences (includes toxicology), Chemical engineering, Chemistry, Civil engineering, Cognitive, neural, and behavioral sciences (Note: PsyD programs are not eligible), Computer and computational sciences, Electrical engineering, Geosciences (includes terrain, water, and air), Materials science and engineering,*

*Mathematics, Mechanical engineering, Naval architecture and ocean engineering (includes undersea systems), Oceanography (includes ocean acoustics, remote sensing, and marine meteorology), Physics (including optics).*

- Demonstrate the ability and special aptitude for advanced training in science and engineering. Must have received or be on track to receive a Bachelor's degree by summer 2020.
- **Award:** Three years of tuition and all mandatory fees, monthly stipend of \$3,200 and up to \$1,200 a year in medical insurance.

### The National Endowment for Democracy (NED) Reagan-Fascell Democracy Fellows Program

- **Eligibility:** Demonstrate proficiency in the English language, propose a project focusing on the political, social, economic, legal or cultural aspects of democratic development, be available to work in residence at the International Forum for Democratic Studies in Washington, DC during the five-month fellowship period (October 1 - February 28 or March 1 - July 31), and no other fellowships or jobs may be held at this time.
- **Applicants on the practitioner track should:** have substantial practical experience working to promote democracy or human rights in their country of origin or interest, and be a mid-career professional.
- **Applicants on the scholarly track should:** possess a doctorate (a PhD, or academic equivalent) at the time of application, have a proven record of publications in their field, have developed a detailed research outline for their fellowship project.
- **Award:** Five-month fellowships for practitioners to improve strategies and techniques for building democracy abroad, and five-month fellowships for scholars to conduct original research for publication.

### The Rhodes Scholarship

- **Eligibility:** U.S. citizen or must have been admitted to the U.S. as a lawful permanent resident and must have maintained, and be expected to maintain, such legal status. If you have been granted deferred action under the government's Deferred Action for Childhood Arrivals (DACA) program AND your status is currently active, then you are also eligible to apply if you meet all other criteria below. o DACA applicants, like all others, must apply for the U.S. Scholarship or the new Global Scholarship, but not to both. Apart from DACA applicants, an applicant who is eligible to apply in an existing Rhodes jurisdiction should apply in that jurisdiction, and not to the Global Scholarship. Where there are risks of legal uncertainty, the applicant must make a determination. o Note: The Rhodes Trust makes no representations and does not offer any support regarding (a) the DACA applicant's ability to travel to the U.K., and (b) the DACA applicant's ability to return to the U.S. or to travel to another country upon conclusion of the scholarship; DACA applicants must assume this responsibility themselves. Be 18 years of age or older, but not yet 24, on October 1st of the year of application. Have achieved academic standing sufficiently advanced to assure completion of an undergraduate degree before June/July 2020 with a GPA of 3.7 out of 4.0 or higher.
- **Award:** All educational costs, such as matriculation, tuition, laboratory and certain other fees, are paid on the Scholar's behalf by the Rhodes Trustees. In addition, each Scholar receives a maintenance allowance (the stipend) adequate to meet necessary expenses for term-time and vacations. The Rhodes Trustees cover the necessary costs of travel to and from Oxford, one time each way. They do not pay for passports or visas, which are required for overseas students studying at Oxford. Election to the scholarship is normally for two or three years, depending upon the degree program pursued by the Scholar.

### Fulbright U.S. Student Program

- **Eligibility:** U.S. citizen at the time of application, have a conferred Bachelor's degree or the equivalent before the start of the grant, in the creative/performing arts, with four years of professional training and/or experience to meet the basic eligibility requirement, good health. (Grantees will be required to submit a satisfactory Medical Certificate from a physician), have sufficient proficiency in the written and spoken language of the host country sufficient to communicate with the people and to carry out the proposed study/research (this is especially important for projects in the social sciences and the

humanities), may hold a J.D. at the time of application, Doctors of Medicine may receive grants for advanced academic study, but not for internships or residencies.

- **Award:** Up to one academic year of support for study and/or research in academic fields and the creative and performing arts, or one academic year as an English teaching assistant overseas, round trip to host country, room, board, and incidental costs. Also includes accident & sickness health benefits. Additional benefits vary by country.

### Fulbright-National Geographic Digital Storytelling Fellowship

- **Eligibility:** Candidates from all fields are encouraged to apply, preference will be given to candidates with demonstrated experience and talent in storytelling, must have completed at least an undergraduate degree by the commencement of the Fulbright award.
- **Award:** The Fulbright-National Geographic Storytelling Fellowship, a component of the Fulbright U.S. Student Program, provides opportunities for U.S. citizens to participate in an academic year of overseas travel and storytelling in one, two, or three countries on a globally significant theme. This Fellowship is made possible through a partnership between the U.S. Department of State and the National Geographic Society. Storytellers publish stories on the Fulbright-National Geographic Stories blog.

### Benjamin A. Gilman International Scholarship

- **Eligibility:** U.S. citizen, undergraduate student in good standing at an accredited institution of higher education in the U.S. (including both two-year and four year institutions), receiver of Federal Pell Grant or provide proof that you will be receiving a Pell Grant during the term of your study abroad program or internship, in the process of applying to, or accepted for, a study abroad or internship program of at least two weeks for community college students and three weeks for students from four-year institutions, in a single country and eligible for credit from the student's home institution. Proof of program acceptance is required prior to award disbursement.
- **Award:** \$5,000 - \$8,000.

### National Science Foundation (NSF) Graduate Research Fellowship Program (GRFP)

- **Eligibility:** Undergraduate or post baccalaureate not enrolled in graduate school and who will have adequate preparation to attend graduate school in the fall that begins after they apply to GRFP, graduate student who has not completed more than 12 months of a graduate program in a supported field of study, U.S. citizen, national, or permanent resident of the U.S., proposed research and graduate study must be in a STEM field or in STEM education, must enroll in a graduate degree program consistent with the relevant field of study proposed in their application and to undertake a course of study leading to a research-based Master's or Doctoral degree.
- **Award:** Each Fellowship consists of three years of support during a five-year fellowship period. Currently, NSF provides a stipend of \$34,000 to the Fellow and a cost-of-education allowance of \$12,000 to the graduate degree-granting institution for each Fellow who uses the fellowship support in a fellowship year.

### Government Finance Officers Association (GFOA) Scholarships

- **Eligibility:** Citizen or permanent resident of the U.S. or Canada, plan to pursue a career in state/provincial or local government finance, not a past winner of a GFOA scholarship, additional criteria for each scholarship can be found at the link above.
- **Award:** \$5,000 - \$15,000.

### Hertz Fellowship

- **Eligibility:** student of the applied physical, biological and engineering sciences or mathematics, U.S. citizen or permanent resident, willing to morally commit to making these skills available to the U.S. in time of national emergency. College seniors wishing to pursue the PhD degree in any of the fields of particular

interest to the Foundation, as well as graduate students already in the process of doing so, may also apply.

- **Award:** Funding from Hertz Foundation, \$34,000/ nine-month personal stipend, full tuition equivalent renewable for up to five years, coordination with Other Major Fellowship [Often Hertz awardees are also chosen to receive fellowship support from other sources. Hertz supports acceptance of multiple awards and works with each awardee, on an individual basis, to ensure compliance with all funding agencies.] Hertz Period - Full tuition equivalent and \$40,000/nine-month personal stipend, renewable for up to five years. \$5,000/year additional stipend for Fellows with dependent children

### Art Internship Program-Los Angeles County Arts Commission

- **Eligibility:** Currently enrolled undergraduate (two- or four-year) student who resides or attends college in Los Angeles County, completed at least one semester of college or will complete their undergraduate degree, legally able to work in the U.S.
- **Award:** A stipend of \$5,300 for a ten-week summer internship at a non-profit arts organization in the Los Angeles County area

### Public Policy and International Affairs (PPIA) Fellowship Program

- **Eligibility:** U.S. citizen (legal permanent resident, or international student who is currently studying at a U.S. institution and may be accepted to study at select U.S. institutions), must have an expected graduation date, must not have received a Bachelor's degree, committed to completing a Master's degree in Public and/or International Affairs at a PPIA consortium graduate school, demonstrate interest in pursuing a professional career in designated programs.
- **Award:** Full tuition at PPIA Junior Summer Institute, assistance with travel expenses and a stipend up to \$1,500. PPIA Fellows will also be given university housing with a meal plan, books, and related course materials. Fee waiver when applying to member schools of PPIA graduate school consortium, and a \$5,000 scholarship at a PPIA graduate school if admitted for a Master's degree.

### Paul and Daisy Soros Fellowships for New Americans

- **Eligibility:** Birth parents must have both been born outside of the U.S. as non-U.S. citizens, and both parents must not have been eligible for U.S. citizenship at the time of their births, U.S. citizen (or valid green card or DACA), have a Bachelor's degree as of the fall of 2020 and may be applying to graduate school as you are applying to the fellowship, or may already be enrolled in the graduate program that you are seeking funding for as of the application deadline, planning to be enrolled full-time in an eligible graduate degree program at a U.S. university for the full academic year. Must not have reached or passed your 31st birthday as of the application deadline. There is no minimum age requirement.
- **Award:** Thirty Fellows will each receive up to \$90,000 in financial support over the span of two years.

### Supreme Court Fellows Program

- **Eligibility:** U.S. citizen that holds a J.D. or other postgraduate degree, completing or have recently completed at least one judicial clerkship and anticipate pursuing careers in the academy or in public service (optional).
- **Award:** One-year fellowship with compensation equivalent to GS-13/1 of the government pay scale at the applicable locality rate — currently \$96,970. Fellows are eligible for federal employees' health and life insurance, and other programs offered to federal employees. The Supreme Court Fellows Program is a residential fellowship, in that fellows are required to be in residence full time in the Washington, DC metropolitan area.

### American Association of University Women (AAUW) Career Development Grants Program

- **Eligibility:** Open to women who are a U.S. citizen or permanent resident, hold an earned (not honorary) Bachelor's degree, don't hold an earned graduate or professional degree, enrolled in courses/activities that are required for professional employment or advancement, enrolled in a Bachelor's or Associate degree program that is different from the field of study of the previously earned Bachelor's degree, Master's degree program, Certification program, Technical school, Professional degree (e.g., law or medicine). All courses of study must occur at a regionally accredited two- or four-year college or university in the U.S. or at a technical school that is fully licensed and/or accredited by the U.S. Department of Education.
- **Award:** \$2,000 to \$12,000 are used to cover tuition, supplies, books, fees, local transportation and childcare.

### Full Circle Scholarship

- **Eligibility:** U.S. citizen or a Canadian eligible to attend college in the U.S. under provisions of the Jay Treaty, enrolled in a certificate, Associate, Bachelor's, or graduate program at an accredited tribal, public, or private (non-profit) college or university, registered as an enrolled member of a federal or state recognized tribe, or a descendant of at least one grandparent or parent who is an enrolled tribal member. Alaska Natives may use Native Corporation membership, have a minimum cumulative GPA of 2.0. Students attending TCUs with less than a 2.0 GPA may be considered for Tribal College and University scholarships; however, each TCU makes this determination individually.
- **Award:** The amount of the award varies annually as it is based on interest earned on the funds in the account

### Federal Pell Grant

- **Eligibility:** Awarded only to undergraduate students who display exceptional financial need and have not earned a Bachelor's, graduate, or professional degree. (In some cases, however, a student enrolled in a post-baccalaureate teacher certification program might receive a Federal Pell Grant.) You are not eligible to receive a Federal Pell Grant if you are incarcerated in a federal or state penal institution or are subject

---

to an involuntary civil commitment upon completion of a period of incarceration for a forcible or non-forcible sexual offense.

- **Award:** Amounts can change yearly.

### American Indian Graduate Center (AIGC) Scholarships & Fellowships

- **Eligibility:** Be seeking a full-time degree at a nationally or regionally accredited higher education institution in the U.S., all applicants must be able to demonstrate tribal affiliation through the submission of a Tribal Eligibility Certificate. The TEC is due on the day the application is due. Individuals applying for multiple opportunities should submit just one TEC to AIGC. Each opportunity has specific affiliation requirements; please review the specific criteria that you are applying for to ensure eligibility.
- **Award:** Each AIGC scholarship has its own award amount.
