P.E. ABSENT MAKE UP WORK

Dear Students and Parents.

When you are absent a day in P.E. class you will need to make up the lost points. When you are absent you are not here to earn the daily points. You will have one week from the time of the absence to turn in your make up work. There are several options you have to make up the lost points. Listed below are those options. **For each day missed choose one option**. Thanks!

- Fitness activity for 30-60 minutes at home or at the gym, with a parent signature verifying the work.
- Two page sport article summary with the article or articles attached.
- A sport collage with 1 page summary of the activities featured.
- Mini sport report with two pages written for each day missed.
- Other written work during the missed P.E. day will also be required to be made up. (see teacher).
- It is the student's responsibility to keep track of what they are missing.
