

Registration Process

Completed registration packet for incoming Transitional Kindergarten, Kindergarten and new enrollee (grades 1-5) will be accepted starting March 7th and throughout the year.

Registration hours are between 9:00am to 12:00pm AND 1:00pm to 2:00pm.

Packets need to be completed (forms and documents provided) in order to process the registration. *Incomplete packets will not be accepted.*

Immunizations Requirements:

All immunizations must be complete prior to registration.

If immunizations are incomplete, we cannot accept the registration packet unless you have a note from the doctor stating that immunizations will be given at a later date.

What are the timelines for Kindergarten and Transitional Kindergarten? □□

To register for Kindergarten, your child must be five years old by 9/1/16 □□

Students with birthdays between 9/2/16 to 12/2/16 may register for Transitional Kinder.

How do I know if my child is in Early Bird (AM) or Late Bird (PM)?

In general, students who are younger (with birthdays after April and May) will be in the Early Bird class, and students who are older (birthday before April and May) will be Late Birds.

Final decisions regarding this cut-off and Early Bird/Late Bird placement will be made in June and communicated at that time.

Will child care be available in the morning or afternoon?

Child care availability will be dependent upon need. We need six registered students to create a child care class. If you need child care, please pick up a SEED Packet at the Child Care Office in room F06. Family Services will work with our site to determine whether this care can be offered in the morning, afternoon, or both next year.

Cole Canyon is not my home school. Can I register here?

If Cole is not your home school, you must register at your designated school. Transfer requests may be submitted to Cole Canyon but unfortunately, this does not guarantee placement of your child at Cole Canyon. Notification of Acceptance will take place in June.
