School Description

Murrieta Mesa High School (MMHS) is a four-year comprehensive high school which is fully accredited by the Western Association of Schools and Colleges and offers students an excellent academic program. Our freshmen and sophomore academies, college and career pathways for juniors and seniors and integrated projects help prepare students for the Senior Culminating Project. Our students are well prepared for the challenges that await them as they enter universities, community colleges, technical schools, the work force, and the military.

The college and career pathways offered at MMHS are: business, culinary, engineering, liberal studies/education, medical, and visual and performing arts. These pathways allow students to take required coursework for graduation and develop skills and experience in careers that meet their interests so they become equipped to compete in our state and nation's current job market. MMHS has a fully-equipped kitchen that provides our students with opportunities to learn the culinary and hospitality business.

Students at MMHS see their education as being more valuable if they are involved in the school culture and community. Hence, our goal is to have 100% of the student body involved in at least one school activity. There are a vast array of opportunities for our students to get involved and connected, including our competitive athletic program, award-winning student activities program, a large number of clubs and service organizations, and our thriving visual and performing arts program.

Steve Ellis, Principal

Highlights & Accomplishments:

- In the fourth year of the California Assessment of Student Performance and Progress (CAASPP) assessments 64.4% of 11th grade students met or exceeded standards in English Language Arts and 33.2% of 11th grade students met or exceeded standards in Math
- The graduation Rate for the Class of 2018 was 98.2%
- 54.4% of 2017 graduates completed the A-G sequence of courses
- MMHS became an AVID National Demo School in 2017
- MMHS earned a Model of Academic Excellence Award from Riverside County Office of Ed in 2015 for our Medical Pathway and Collaboration with Shivela Middle School.
- MMHS Culinary students competed in a national competition in Orlando, FL. Our students won the entree portion of the competition and won 2nd place overall.
- Eighty percent of our students are involved in a club, activity, or sport.
- In 2016 our Baseball team was the CIF Division 1 Champion and in 2017 our Softball team won the CIF Championship. In 2018 our Boys Track and Field Team won a CIF championship as well as the CA State Championship.
- MMHS received the Outstanding Activities Award from California Association of Student Leaders

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2017-18 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 9	643
Grade 10	595
Grade 11	594
Grade 12	565
Ungraded Secondary	17
Total Enrollment	2,414

2017-18 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	5.7
American Indian or Alaska Native	0.2
Asian	4.0
Filipino	3.4
Hispanic or Latino	38.2
Native Hawaiian or Pacific Islander	0.4
White	41.2
Socioeconomically Disadvantaged	36.1
English Learners	2.4
Students with Disabilities	12.8
Foster Youth	0.2

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials			
Murrieta Mesa High School	16-17	17-18	18-19
With Full Credential	92	93	79
Without Full Credential	0	1	1
Teaching Outside Subject Area of Competence	0	0	15
Murrieta Valley Unified School District	16-17	17-18	18-19
With Full Credential	♦	♦	922
Without Full Credential	♦	♦	27
Teaching Outside Subject Area of Competence	♦	♦	50

Teacher Misassignments and Vacant Teacher Positions at this School			
Murrieta Mesa High School	16-17	17-18	18-19
Teachers of English Learners	2	1	0
Total Teacher Misassignments	7	10	0
Vacant Teacher Positions	0	0.5	0

* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

All textbooks used in MVUSD are aligned with the State of California's standards and curriculum frameworks, they are field tested with students, and reviewed by administrators, teachers and parents before being adopted by the Board of Education.

School Facility Conditions and Planned Improvements (Most Recent Year)

Murrieta Mesa High School opened in 2009 on 62 acres. The school has 82 classrooms, a multipurpose room, nine mobile computer/netbook labs, a library, and athletic facilities, including a stadium, pool complex, varsity and junior varsity baseball and softball fields, tennis courts, basketball courts, and sand volleyball courts. The school also has a 750-seat Performing Arts Center and administrative offices. The school houses a professional kitchen and cafeteria/lounge that allows the culinary students to prepare and serve for a variety of events on campus and in the community. Murrieta Mesa has ample space for the number of students enrolled at the school.

The students take pride in their school by keeping the campus clean daily. The district provides upkeep, maintenance, and cleaning of district schools. Classrooms, offices, and rest rooms are regularly cleaned daily and the principal works with the custodial staff to ensure a clean and safe school. District maintenance staff maintains landscaping. Corrective and preventative maintenance is scheduled on a routine basis to keep the school in good repair and working order. Work order requests assigned through a computerized work order system ensure that emergency repairs are given the highest priority.

School Facility Good Repair Status (Most Recent Year)		
Year and month in which data were collected: June 21, 2018		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No apparent problems.
Interior: Interior Surfaces	Good	No apparent problems.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	No apparent problems.
Electrical: Electrical	Good	No apparent problems.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	No apparent problems.
Safety: Fire Safety, Hazardous Materials	Good	No apparent problems.
Structural: Structural Damage, Roofs	Good	No apparent problems.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	No apparent problems.
Overall Rating	Exemplary	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	73.0	64.0	61.0	60.0	48.0	50.0
Math	33.0	33.0	46.0	48.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
9	14.2	26.1	46.2

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	563	560	99.47	63.75
Male	302	301	99.67	59.80
Female	261	259	99.23	68.34
Black or African American	30	30	100.00	56.67
Asian	30	30	100.00	73.33
Filipino	20	20	100.00	85.00
Hispanic or Latino	207	207	100.00	61.84
Native Hawaiian or Pacific Islander	--	--	--	--
White	232	230	99.14	65.22
Two or More Races	37	36	97.30	52.78
Socioeconomically Disadvantaged	224	223	99.55	54.26
English Learners	19	19	100.00	36.84
Students with Disabilities	67	66	98.51	24.24
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2017-18 CAASPP Assessment Results - Mathematics
Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	563	560	99.47	32.5
Male	302	301	99.67	31.89
Female	261	259	99.23	33.2
Black or African American	30	30	100	30
Asian	30	30	100	60
Filipino	20	20	100	70
Hispanic or Latino	207	207	100	26.09
Native Hawaiian or Pacific Islander	--	--	--	--
White	232	230	99.14	33.91
Two or More Races	37	36	97.3	16.67
Socioeconomically Disadvantaged	224	223	99.55	26.46
English Learners	19	19	100	10.53
Students with Disabilities	67	66	98.51	6.06
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Murrieta Valley Unified School District is committed to collaborating with parents and providing opportunities for engagement. Parents are welcome at school, and the school staff sincerely appreciates their support and participation. Parents are invited to attend Back-to-School Night in the fall, Open House in the spring, and a variety of parent information nights regarding graduation, college applications and financial aid. Parent and community involvement are encouraged through PTSA and School Site Council. PTSA is very active at Murrieta Mesa providing daily assistance on campus in the office, classrooms, and library, and with school activities such as tutoring, chaperoning dances, Red Ribbon Week, Reflections, assemblies, and activities to enhance school spirit and Ram PRIDE. PTSA also helps MMHS provide student recognition for academic success.

Parents are also involved in supporting band, choir, drama, and athletic teams. Mesa parents assist with fundraising and student support during rehearsals, programs, games, and other group activities. Mesa parents and students involved in our School Site Council help the school provide a quality education program that includes our academies and pathways to help all of our students reach their dreams and goals.

The contact person for parent involvement and PTSA is Mesa's PTSA president Elsa Cruz. Anyone who is interested in assisting with PTSA activities can leave a message for Elsa at Murrieta Mesa High School at (951) 677-0568.

Lastly, there are several parent focused groups through the district which are open to all parents. Some of these committees are; the African-American Parent Advisory Group (AAPAC), Latino Parent Advisory Council (LPAC), District English Language Advisory Committee (DELAC), Special Education Parent Advisory Committee (SEPAC) and Measure BB Oversight Committee. Each group is comprised of dedicated parents who are steadfast in promoting strategic efforts to support student learning and college/career readiness. In 2018, the AAPAC and LPAC hosted a the second annual 'Step Up to Success' parent event. This event focused on providing information about educational mandates and supports such as; A-G requirements, behavioral/social supports, college financial aid, and educational technology to improve student achievement. Each AAPAC, LPAC, DELAC and SEPAC meetings are regularly scheduled, noticed in advanced, provide childcare and interactive opportunities for parents to provide feedback.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

School safety is a high priority at Murrieta Mesa. Campus supervisors, administrators, counselors, and a school resource officer are on campus daily to monitor the campus, supervise the students, and ensure a safe learning environment.

The district holds monthly safety meetings and our School Safety Staff works on our Safety Plan throughout the year. MMHS has adopted a Comprehensive School Safety Plan that was updated in October 2017. The plan is presented to all staff and parents, and we conduct student assemblies to address safety issues.

Video surveillance cameras across our campus are a deterrent to trespassers, vandalism, and other illegal activities. They also help administrators with discipline issues and help in the investigation of any crimes that occur on campus during the school day or after school hours, making our school safer and more secure.

Murrieta Mesa is a closed campus that is fully fenced and secured. Visitors must go through the school office for permission to be on campus. We utilize the Raptor Visitor Management System to screen parent volunteers before they enter to ensure all volunteers are screened against California's Megan's Law database as well as all 50 states' sex offender databases.

The school contracts to provide unannounced canine searches of the campus for drugs, alcohol, and weapons. The district has a strictly enforced anti-discrimination policy that prohibits harassment of students or staff based on race, gender, disability, religion, or sexual orientation.

To prepare for emergencies, evacuation drills are conducted regularly throughout the school year, and our school actively participates in the statewide Great Shakeout. After each drill, we assess effectiveness and implement new procedures as needed. PTSA has provided emergency buckets for disaster preparedness, and the goal is to provide each classroom with a bucket. In addition, the school has an Emergency and Disaster Preparedness Plan, which specifies procedures for dealing with fire, flood, earthquakes, lock downs, hazardous materials, disaster recovery organization, and student accountability following a disaster and aligns with the federal NIMS emergency system. In the event of an emergency or urgent situation, our school uses a computerized calling system, Blackboard Connect, to immediately notify all families of an emergency via email, phone call, text and app alerts.

Suspensions and Expulsions			
School	2015-16	2016-17	2017-18
Suspensions Rate	2.9	3.7	3.1
Expulsions Rate	0.2	0.1	0.0
District	2015-16	2016-17	2017-18
Suspensions Rate	1.8	1.5	1.7
Expulsions Rate	0.0	0.0	0.0
State	2015-16	2016-17	2017-18
Suspensions Rate	3.7	3.7	3.5
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	5.0
Counselor (Social/Behavioral or Career Development)	0.0
Library Media Teacher (Librarian)	0.0
Library Media Services Staff (Paraprofessional)	1.0
Psychologist	0.8
Social Worker	0.0
Nurse	1.0
Speech/Language/Hearing Specialist	1.0
Resource Specialist (non-teaching)	12.0
Other	
Average Number of Students per Staff Member	
Academic Counselor	485

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)												
Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
English	28.0	29.0	29.0	14	17	15	34	24	26	33	40	45
Mathematics	27.0	27.0	29.0	17	19	15	39	35	29	22	25	39
Science	31.0	29.0	28.0	6	9	13	34	26	40	25	39	27
Social Science	31.0	31.0	31.0	6	6	10	24	17	19	31	40	36

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

All teachers in the MVUSD school district participate in ongoing professional development as a part of the district's commitment to continuous learning.

New teachers are provided support and the opportunity to clear their credential through the district's Teacher Induction Program, which takes them through a rigorous and reflective learning process with the help of a mentor teacher. All teachers who are new to the district also receive three days of training to learn about key focus areas, as well as district expectations and procedures.

All teachers take part in monthly staff meetings that are used for training, community building, and communication. Regular Early Release and Late Start days provide teachers with time for Professional Learning Communities (PLC). This learning time is designed by teachers and focused on supporting all students in meeting the state standards. Staff development days are held three times throughout the school year. The design of these days may be facilitated by the site or district and involves training on district-wide focus areas. The district also provides training in the new standards to all teachers, both by grade level and by subject. These occur during the school year (release days) or in the summer. Individual schools also fund professional conferences for teachers based on current areas of focus.

The district also provides a foundational training entitled, Elements of Effective Instruction. The program is made up of fourteen modules, including topics such as classroom environments, student engagement, designing instruction, and digital learning experiences along with topics for special education teachers. These modules, along with follow up sessions, are repeated throughout the school year and summer and are available to all teachers, in both online and in-person capacities. The district has also added a digital, gamified approach to learning through a program entitled Alludo.

Staff development is provided in the form of community teams for those teachers taking part in or leading the implementation of intervention programs, such as Read 180/System 44, and TTM math. These regular meetings provide teachers with a deeper understanding about issues related to the programs and to intervention, as well as a forum for collaboration, reflection, and goal setting.

Staff development in 2018 – 2019 will focus on the following priorities: instructional shifts aligned with state standards for math, ELA, and NGSS; supporting English Learners through integrated and designated support; differentiation to meet the needs of all learners; equity and equitable practices; PLC's; and social emotional support for students, as well as continued professional development focus on AVID strategies and Standards Based Grading.

FY 2016-17 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$46,620	\$47,903
Mid-Range Teacher Salary	\$77,198	\$74,481
Highest Teacher Salary	\$108,426	\$98,269
Average Principal Salary (ES)	\$124,964	\$123,495
Average Principal Salary (MS)	\$128,840	\$129,482
Average Principal Salary (HS)	\$140,555	\$142,414
Superintendent Salary	\$226,161	\$271,429
Percent of District Budget		
Teacher Salaries	42.0	35.0
Administrative Salaries	5.0	5.0

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded

The district provides a wide array of programs to meet the needs of our diverse student body. This includes programs to identify and support students and their families through times of crisis and stress. A health technician, nurse, and psychologist are also available to meet with students.

Counselors teach guidance lessons and facilitate small groups on social skills, anger management, grief and loss and provide support to military-connected students. They also provide individual responsive services, interventions and referrals on an as needed basis using the district-wide Breakthrough program.

Furthermore, tutoring programs and extended learning opportunities during the summer break provide additional support for students who need assistance with basic curriculum.

Students with Disabilities	89.4	77.2	67.1
Foster Youth	0.0	40.0	74.1

Career Technical Education Programs

Graduates are prepared to enter the workforce based on their completion of a rigorous curriculum of core academic subjects. Students are required to complete 40 hours of community service, which teaches them the importance of volunteer work and provides them with insight into different career pathways.

Students take aptitude tests and sign up for the ASVAB for career aptitudes. Murrieta Mesa offers College and Career Pathways in Business and Culinary, Engineering, Liberal Studies and Education, Medical, and Visual and Performing Arts to connect students' learning with actual needs in our state and nation's economy. The pathways allow students to take required coursework for graduation as well as to take coursework in career areas of interest.

Our culinary kitchen allows students to learn culinary and hospitality skills and apply those skills for community and school events on campus. Other classes, such as Multimedia, Graphic Design, TV and Video Production, Accounting, Business Principles and Management, Sports and Entertainment Marketing, Drafting, Engineering, Health Careers, Medical Terminology and Computer Science courses also give students skills for employment

CTE programs provide students 14 or older with free job training, high school credit, certificates of training, career planning, job search skills, and preparation for higher level training. Through a partnership with Mt. San Jacinto College (MSJC), students who successfully complete approved high school and CTE courses with a grade of B or better qualify for college credit for the course taken.

Seniors complete a Senior Culminating Project. Each senior student must successfully complete the exit interview which is conducted before a select panel of staff and community members. The topic of this presentation style interview will allow for each student to reflect on their high school experience and present their post high school plan.

A high light for the 2017/2018 school year was our Culinary CTE students participating in a competition at Disney World in Orlando, FL. They took first place in entree division and second place overall out of 50 teams.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
