### School Description

At Rail Ranch Elementary we believe in providing a safe, nurturing environment for all and in promoting good manners, honesty, responsibility, and self-esteem in our students as we model those behaviors. We also believe in every child's potential to learn, and parents, community, and teachers share in that responsibility. We believe in open and honest communication and in respectfully meeting individual needs of the diverse population while recognizing other perspectives.

All children participate in an instructional program that fosters individual growth, academic progress, cultural literacy, good citizenship, and character education. We use academic standards, current research in education, district and state curricula, and student assessments to maintain a strong educational program.

Parent and community involvement and strong positive school leadership provide significant and necessary support for excellence in education.

Tammy Hunter-Wethers, Principal

### Highlights & Achievements:

- Rail Ranch was recognized as a 2016 California Gold Ribbon Elementary School for embracing rigorous academic standards, providing excellence and creativity in teaching, and for creating a positive school climate.
- Our school took part in the third year of the California Assessment of Student Performance and Progress (CASPP) assessment. Our third grade scored 73% proficient in La, which is a 22% increase from the previous year and 66% proficient in Math. The fourth grade scored 57% proficient in LA and 59% proficient in Math. Our fifth grade students scored 58% in LA and 55% proficient in Math.
- Rail Ranch was selected by the Campaign for Business and Education Excellence as a 2018 Honor Roll School for raising student achievement and closing achievement gaps.
- Our Learning Center instructional model provides additional instructional support to students in kindergarten through fifth grade.
- All Professional Learning Communities and Data Teams are working together to study relevant information in order meet the academic needs of all students.
- Our Visual and Performing Arts program includes Drama, Dance, Choir, Band, and Ballroom dancing, Recorder instruction, Artist Masters and Cultural Dance training.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Rail Ranch Elementary School opened in 1989 as the third elementary school in the Murrieta Valley Unified School District. Rail Ranch Elementary has 39 classrooms, a library, a multipurpose room, administrative offices, two play areas, and a childcare room. We have ample space for the number of students enrolled at the school. When the school reaches capacity, new students may be assigned to other schools in the district where classroom space exists.

Upkeep, maintenance, and cleaning of district schools are provided by the district. Schools and rest rooms are cleaned daily. District maintenance staff maintains the landscaping. Corrective and preventative maintenance are scheduled on a routine basis to keep the school in good repair. Work order requests assigned through a computerized work order system ensure that emergency repairs are given the highest priority.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	57.0	62.0	61.0	60.0	48.0	50.0
Math	54.0	60.0	46.0	48.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

### **C. Engagement**

#### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### **Opportunities for Parental Involvement (School Year 2018-19)**

Murrieta Valley Unified School District is committed to collaborating with parents and providing opportunities for engagement. Parents are welcome at school, and the school staff sincerely appreciates their support and participation. Parents are invited to attend Back-to-School Night in the fall, Open House in the spring, and parent-teacher conferences in October. Parent and community involvement is encouraged through PTA and the School Site Council (SSC). Rail Ranch also has an English Language Parent Coffee/DELAC meeting once a month to provide our non-English speaking parents an opportunity to ask questions about school programs and any paperwork sent home. At the meetings interpreters are provided for languages such as Farsi, Arabic, Tagalog, Spanish, and Vietnamese. Rail Ranch was also provided a grant to house a parent English Language Acquisition class on site. Mt. San Jacinto College provides a professor to teach a group of twenty-five parents the English language. The parents are eager to participate and feel this is a way to help their children academically.

The PTA is actively involved in Red Ribbon Week, Reflections, Character Counts assemblies, book fairs, and activities to enhance school and community spirit, as well as reward and incentive programs. Our School Site Council includes three parents and three staff members that provide input on decisions for our students. Parent volunteers must attend an annual volunteer training and have a current RAPTOR/ Megan's Law evaluation file with the front office. The contact person for parent involvement is Bridget Zuniga, PTA president. She can be reached at (951) 696- 1404 ext 2471.

Lastly, there are several parent focused groups through the district which are open to all parents. Some of these committees are; the African-American Parent Advisory Group (AAPAC), Latino Parent Advisory Council (LPAC), District English Language Advisory Committee (DELAC), Special Education Parent Advisory Committee (SEPAC) and Measure BB Oversight Committee. Each group is comprised of dedicated parents who are steadfast in promoting strategic efforts to support student learning and college/career readiness. In 2018, the AAPAC and LPAC hosted a the second annual 'Step Up to Success' parent event. This event focused on providing information about educational mandates and supports such as; A-G requirements, behavioral/social supports, college financial aid, and educational technology to improve student achievement. Each AAPAC, LPAC, DELAC and SEPAC meetings are regularly scheduled, noticed in advanced, provide childcare and interactive opportunities for parents to provide feedback.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

School safety is a high priority at our school. Administrators and teachers monitor the campus, supervise the students, and ensure a safe learning environment. School Resource Officers are available to respond to the school in the event assistance is needed.

Rail Ranch Elementary is a closed campus that is fully fenced. Visitors and volunteers must report to the office for permission to be on campus. We utilize the Raptor Visitor Management System to monitor parent volunteers on campus to ensure all volunteers are screened against California's Megan's Law database as well as all 50 states' sex offender databases. Video surveillance cameras across our campus are a deterrent to trespassers, vandalism, and other illegal activities. They also help administrators with discipline issues and help in the investigation of any crimes that may occur on campus either during the school day or after school hours, making our school safer and more secure.

The district has a strictly enforced anti-discrimination policy that prohibits harassment of students or staff based on race, gender, disability, religion, or sexual orientation.

Our school adopted a Comprehensive School Safety Plan that we review annually. The plan was last reviewed on March, 2018. The district holds monthly safety meetings and our School Site Council works on our Safety Plan throughout the year. The plan is presented to all staff and parents, and there are numerous student assemblies that address safety issues. We conduct evacuation and emergency drills regularly throughout the school year, and our school actively participates in the statewide Great Shakeout. After each drill, we assess effectiveness and implement new procedures as needed. In addition, the school has an Emergency and Disaster Preparedness Plan that aligns with the federal NIMS emergency system. The plan specifies procedures for dealing with fire, flood, earthquakes, lock downs, hazardous materials, disaster recovery organization, and student accountability following a disaster. In the event of an emergency or urgent situation, our school uses a computerized calling system, Blackboard Connect, to immediately notify all families of an emergency via email, phone call, text and app alerts.

**Professional Development provided for Teachers**

All teachers in the MVUSD school district participate in ongoing professional development as a part of the district's commitment to continuous learning.

New teachers are provided support and the opportunity to clear their credential through the district's Teacher Induction Program, which takes them through a rigorous and reflective learning process with the help of a mentor teacher. All teachers who are new to the district also receive three days of training to learn about key focus areas, as well as district expectations and procedures.

All teachers take part in monthly staff meetings that are used for training, community building, and communication. Regular Early Release and Late Start days provide teachers with time for Professional Learning Communities (PLC). This learning time is designed by teachers and focused on supporting all students in meeting the state standards. Staff development days are held three times throughout the school year. The design of these days may be facilitated by the site or district and involves training on district-wide focus areas. The district also provides training in the new standards to all teachers, both by grade level and by subject. These occur during the school year (release days) or in the summer. Individual schools also fund professional conferences for teachers based on current areas of focus.

The district also provides a foundational training entitled, Elements of Effective Instruction. The program is made up of fourteen modules, including topics such as classroom environments, student engagement, designing instruction, and digital learning experiences along with topics for special education teachers. These modules, along with follow up sessions, are repeated throughout the school year and summer and are available to all teachers, in both online and in-person capacities. The district has also added a digital, gamified approach to learning through a program entitled Alludo.

Staff development is provided in the form of community teams for those teachers taking part in or leading the implementation of intervention programs, such as Read 180/System 44, and TTM math. These regular meetings provide teachers with a deeper understanding about issues related to the programs and to intervention, as well as a forum for collaboration, reflection, and goal setting.

Staff development in 2018 – 2019 will focus on the following priorities: instructional shifts aligned with state standards for math, ELA, and NGSS; supporting English Learners through integrated and designated support; differentiation to meet the needs of all learners; equity and equitable practices; PLC's; and social emotional support for students.

**Types of Services Funded**

The district provides a wide array of programs to meet the needs of our diverse student body. This includes programs to identify and support students and their families through times of crisis and stress. A health technician, nurse, and psychologist are also available to meet with students.

The district provides a full time elementary counselor to our school approximately five days a week to support academic success. Counselors teach guidance lessons and facilitate small groups on social skills, anger management, grief and loss, and provide support to military-connected students.. They also provide individual responsive services, interventions and referrals on an as needed basis. Additionally, the counselor monitors chronic absenteeism during each reporting period.

Homework club meets before school and provides extra tutoring, and extended learning opportunities during the summer break provide additional support for students who need assistance with basic curriculum. After school math intervention classes are taught by credentialed teachers twice a week. This is funded through Title 1.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
