School Description

Murrieta Mesa High School (MMHS) is a four-year comprehensive high school which is fully accredited by the Western Association of Schools and Colleges and offers students an excellent academic program. Our students are well prepared for the challenges that await them as they enter universities, community colleges, technical schools, the work force, and the military.

The college and career pathways offered at MMHS are: business, culinary, engineering, liberal studies/education, medical, and visual and performing arts. More recently we have added a Computer Science pathway. These pathways allow students to take required coursework for graduation and develop skills and experience in careers that meet their interests so they become equipped to compete in our state and nation's current job market. We work closely with our district to ensure we have CTE Pathways that will culminate in a capstone class in order to ensure our students are college and career ready.

MMHS has a fully-equipped kitchen that provides our students with opportunities to learn the culinary and hospitality business.

Students at MMHS see their education as being more valuable if they are involved in the school culture and community. Hence, our goal is to have 100% of the student body involved in at least one school activity. There are a vast array of opportunities for our students to get involved and connected, including our competitive athletic program, award-winning student activities program, a large number of clubs and service organizations, and our thriving visual and performing arts program.

Steve Ellis, Principal

Highlights & Accomplishments:

- In the fourth year of the California Assessment of Student Performance and Progress (CAASPP) assessments 64.4% of 11th grade students met or exceeded standards in English Language Arts and 33.2% of 11th grade students met or exceeded standards in Math
- The graduation Rate for the Class of 2019 was 98.2%

- MMHS became an AVID National Demo School in 2017
- MMHS earned a Model of Academic Excellence Award from Riverside County Office of Ed in 2015 for our Medical Pathway and Collaboration with Shivela Middle School.
- MMHS Culinary students competed in a national competition in Orlando, FL. Our students won the entree portion of the competition and won 2nd place overall.
- Eighty percent of our students are involved in a club, activity, or sport.
- In 2016 our Baseball team was the CIF Division 1 Champion and in 2017 our Softball team won the CIF Championship. In 2018 our Boys Track and Field Team won a CIF championship as well as the CA State Championship.
- MMHS received the Outstanding Activities Award from California Association of Student Leaders

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Murrieta Mesa High School opened in 2009 on 62 acres. The school has 82 classrooms, a multipurpose room, a library, and athletic facilities, including a stadium, pool complex, varsity and junior varsity baseball and softball fields, tennis courts, basketball courts, and sand volleyball courts. Over 1/2 of our core academic classrooms have mobile technology devices for student use. The school also has a 750-seat Performing Arts Center and administrative offices. The school houses a professional kitchen and cafeteria/lounge that allows the culinary students to prepare and serve for a variety of events on campus and in the community. Murrieta Mesa has ample space for the number of students enrolled at the school.

The students take pride in their school by keeping the campus clean daily. The district provides upkeep, maintenance, and cleaning of district schools. Classrooms, offices, and rest rooms are regularly cleaned daily and the principal works with the custodial staff to ensure a clean and safe school. District maintenance staff maintains landscaping. Corrective and preventative maintenance is scheduled on a routine basis to keep the school in good repair and working order. Work order requests assigned through a computerized work order system ensure that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	33	38	48	52	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

· Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Murrieta Valley Unified School District is committed to collaborating with parents and providing opportunities for engagement. Parents are welcome at school, and the school staff sincerely appreciates their support and participation. Parents are invited to attend Back-to-School Night in the fall, Open House in the spring, and a variety of parent information nights regarding graduation, college applications and financial aid. Parent and community involvement are encouraged through PTSA and School Site Council. PTSA is very active at Murrieta Mesa providing daily assistance on campus in the office, classrooms, and library, and with school activities such as tutoring, chaperoning dances, Red Ribbon Week, Reflections, assemblies, and activities to enhance school spirit and Ram PRIDE. PTSA also helps MMHS provide student recognition for academic success.

Parents are also involved in supporting band, choir, drama, and athletic teams. Mesa parents assist with fundraising and student support during rehearsals, programs, games, and other group activities. Mesa parents and students involved in our School Site Council help the school provide a quality education program that includes our academies and pathways to help all of our students reach their dreams and goals.

The contact person for parent involvement and PTSA is Mesa's PTSA president Elsa Cruz. Anyone who is interested in assisting with PTSA activities can email, PTSA_MMHS@murrieta.k12.ca.us

Lastly, MVUSD continues to be deliberate in its efforts to engage parents of diverse backgrounds and to obtain feedback regarding each student's academic journey, emotional supports and engagement within their school site. MVUSD parents are invaluable partners. At the district level, there are many opportunities for parents' involvement in groups such as; Action Team Partnership (ATP), African American Parent Advisory Council (AAPAC), Latino Parent Advisory Council (LPAC), District English Learner Advisory Council (DELAC) and Special Education Parent Advisory Council (SEPAC). Additionally, our school sites offer a variety of student and parent groups including: School Site Council (SSC), English Learner Advisory Council (ELAC), principal/student advisory groups, Coffee with the Principal, PTA/PTSA/PTO and staff leadership teams.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

School safety is a high priority at Murrieta Mesa. Campus supervisors, administrators, counselors, and a school resource officer are on campus daily to monitor the campus, supervise the students, and ensure a safe learning environment.

The district holds monthly safety meetings and our School Safety Staff works on our Safety Plan throughout the year. MMHS has adopted a Comprehensive School Safety Plan that was updated in October 2019. The plan is presented to all staff and parents, and we conduct student assemblies to address safety issues. In December of 2019 our School Site Council voted to accept the Safety Plan.

Video surveillance cameras across our campus are a deterrent to trespassers, vandalism, and other illegal activities. They also help administrators with discipline issues and help in the investigation of any crimes that occur on campus during the school day or after school hours, making our school safer and more secure.

Murrieta Mesa is a closed campus that is fully fenced and secured. Visitors must go through the school office for permission to be on campus. We utilize the Raptor Visitor Management System to screen parent volunteers before they enter to ensure all volunteers are screened against California's Megan's Law database as well as all 50 states' sex offender databases.

The school contracts to provide unannounced canine searches of the campus for drugs, alcohol, and weapons. The district has a strictly enforced antidiscrimination policy that prohibits harassment of students or staff based on race, gender, disability, religion, or sexual orientation.

To prepare for emergencies, evacuation drills are conducted regularly throughout the school year, and our school actively participates in the statewide Great Shakeout. After each drill, we assess effectiveness and implement new procedures as needed. In addition, the school has an Emergency and Disaster Preparedness Plan, which specifies procedures for dealing with fire, flood, earthquakes, lock downs, hazardous materials, disaster recovery organization, and student accountability following a disaster and aligns with the federal NIMS emergency system. In the event of an emergency or urgent situation, our school uses a computerized calling system, Aeries Communications, to immediately notify all families of an emergency via email, phone call, text and app alerts.

Professional Development provided for Teachers

	Measure	2017-18	2018-19	2019-20
Nun	mber of school days dedicated to Staff Development and Continuous Improvement	2	3	3

All teachers in the MVUSD school district participate in ongoing professional development as a part of the district's commitment to continuous learning.

New teachers are provided support and the opportunity to clear their credential through the district's Teacher Induction Program, which takes them through a rigorous and reflective learning process with the help of a mentor teacher. All teachers who are new to the district also receive three days of training to learn about key focus areas, as well as district expectations and procedures.

All teachers take part in monthly staff meetings that are used for training, community building, and communication. Regular Early Release days provide teachers with time for Professional Learning Communities (PLC). This learning time is designed by teachers and focused on supporting all students in meeting the state standards. Staff development days are held three times throughout the school year. The design of these days may be facilitated by the site or district and involves training on district-wide focus areas. The district also provides training in the new standards to all teachers, both by grade level and by subject. These occur during the school year (release days) or in the summer. Individual schools also fund professional conferences for teachers based on current areas of focus.

The district also provides a foundational training entitled, Elements of Effective Instruction. The program is made up of fourteen modules, including topics such as classroom environments, student engagement, designing instruction, and digital learning experiences along with topics for special education teachers. These modules, along with follow up sessions, are repeated throughout the school year and summer and are available to all teachers, in both online and in-person capacities.

Staff development is provided in the form of community teams for those teachers taking part in or leading the implementation of intervention programs, such as Read 180/System 44. These regular meetings provide teachers with a deeper understanding about issues related to the programs and to intervention, as well as a forum for collaboration, reflection, and goal setting.

Staff development in 2019 – 2020 will focus on the following priorities: instructional shifts aligned with state standards for math, ELA, and NGSS; supporting English Learners through integrated and designated support; differentiation to meet the needs of all learners; equity and equitable practices; PLCs; and social emotional support for students. Lastly, the district has created: Data, Standards, Learning, and Instruction Specialist (DSLIs) at all

secondary school sites. The DSLIs are unique to each school site and develop site specific professional development for teachers in the areas on math, language arts and science.

Types of Services Funded

The district provides a wide array of programs to meet the needs of our diverse student body. This includes programs to identify and support students and their families through times of crisis and stress. A health technician, nurse, and psychologist are also available to meet with students.

The district provides a full-time counselors to our school to support social-emotional and academic success. Counselors teach guidance lessons and facilitate small groups on social skills, anger management, grief, and loss and provide support to military-connected students. They also provide individual responsive services, interventions and referrals on an as-needed basis (e.g. BreakThrough).

Homework clubs, before and after-school tutoring programs, and extended learning opportunities during the summer break provide additional support for students who need assistance with basic curriculum.

Career Technical Education Programs

Graduates are prepared to enter the workforce based on their completion of a rigorous curriculum of core academic subjects. Students are required to complete 40 hours of community service, which teaches them the importance of volunteer work and provides them with insight into different career pathways.

Students take aptitude tests and sign up for the ASVAB for career aptitudes. Murrieta Mesa offers College and Career Pathways in Business and Culinary, Engineering, Liberal Studies and Education, Medical, Computer Science and Visual and Performing Arts to connect students' learning with actual needs in our state and nation's economy. The pathways allow students to take required coursework for graduation as well as to take coursework in career areas of interest.

Our culinary kitchen allows students to learn culinary and hospitality skills and apply those skills for community and school events on campus. Other classes, such as Multimedia, Graphic Design, TV and Video Production, Accounting, Business Principles and Management, Sports and Entertainment Marketing, Drafting, Engineering, Health Careers, Medical Terminology and Computer Science courses also give students skills for employment

CTE programs provide students 14 or older with free job training, high school credit, certificates of training, career planning, job search skills, and preparation for higher level training. Through a partnership with Mt. San Jacinto College (MSJC), students who successfully complete approved high school and CTE courses with a grade of B or better qualify for college credit for the course taken.

Seniors complete a Senior Culminating Project. Each senior student must successfully complete the exit interview which is conducted before a select panel of staff and community members. The topic of this presentation style interview will allow for each student to reflect on their high school experience and present their post high school plan.

A highlight for the 2017/2018 school year was our Culinary CTE students participating in a competition at Disney World in Orlando, FL. They took first place in entree division and second place overall out of 50 teams.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
