### School Description

Antelope Hills Elementary is a California Distinguished School that serves students in kindergarten through fifth grade. Antelope Hills' primary academic goal is to provide students with a standards-based curriculum that is presented in a meaningful and nurturing environment. While teaching the academic standards, we aim to instill high moral standards. Through the collaboration and support of teachers, parents, and community, students will build foundational skills at each grade level that will provide them with the building blocks of literacy, numeracy, thinking skills, and social skills so that they may feel confident as both learners and contributors in our ever-changing society.

We are focused on delivering curriculum to students in a variety of ways to address all learning styles. In addition to using district-adopted textbooks, we use technology, fine arts, simulation games and character education programs to ensure that our students have opportunities for success.

Preston Fairchild, Principal

### Highlights & Achievements:

- Over 87% of our students are participating daily in their virtual learning.
- Over 80% of our 3rd-5th graders participated in the Panorama Survey, providing important data to school staff.
- Multiple intervention programs have been provided to students in all grade levels, in an effort to fill academic gaps during virtual learning.
- Our PTA held a very successful Dance-A-Thon and book fair, which provides student support funds to all classes. PTA has also created very positive ways to provide school spirit to the students during the virtual learning model.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

Antelope Hills Elementary opened in August 2005. We currently have 29 regular education classrooms; 5 special education classrooms; a Sensory Gym; a multipurpose room with a kitchen; 3 computer labs; a library; an outdoor eating area; an amphitheater; administrative offices; a health office; teacher workrooms; and two play areas, one for kindergarten students and one designated for students in grades one through five.

Childcare facilities for students in kindergarten through grade five are located on campus in separate rooms. At certain times during the school year our school may be at or near capacity. When that occurs, new students may be assigned to an overflow school in the district where classroom space exists.

Upkeep, maintenance, and cleaning of the school are provided by the district's Facilities and Operational Services Department. The principal works with the custodial staff to ensure a clean and safe school. Graffiti is removed as soon as it is discovered.

Corrective and preventative maintenance is scheduled on a routine basis to keep the school in good repair and working order. Work order requests assigned through a computerized work order system ensure that emergency repairs are given the highest priority.

#### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	74	N/A	64	N/A	50	N/A
Math	66	N/A	52	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

MVUSD continues to be deliberate in its efforts to engage parents of diverse backgrounds and to obtain feedback regarding each student's academic journey, emotional supports, and engagement within their school site. MVUSD parents are invaluable partners. At the district level, opportunities for parents' involvement in groups such as Action Team Partnership (ATP), African American Parent Advisory Council (AAPAC), Latino Parent Advisory Council (LPAC), District English Learner Advisory Council (DELAC) and Special Education Parent Advisory Council (SEPAC) transitioned to virtual. Additionally, our school sites implemented virtual student and parent groups including: School Site Council (SSC), English Learner Advisory Council (ELAC), principal/student advisory groups, virtual PTA/PTSA/PTO and staff leadership team meetings and virtual school activities such as Friday Flag, and school counseling guidance lessons and appointments.

For more information on parent involvement contact the principal, Preston Fairchild or Assistant Principal, Melinda Loera at (951) 445-4110.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2020-2021)

School safety is a high priority at Antelope Hills Elementary. Administrators, teachers, and aides monitor the campus, supervise the students, and ensure a safe learning environment. School resource officers are available to respond to the school if assistance is needed. Antelope Hills Elementary is a closed campus that is fully fenced. Visitors and volunteers must report to the office for permission to be on campus. We utilize the Raptor Visitor Management System to monitor parent volunteers on campus to ensure all volunteers are screened against California's Megan's Law database as well as all 50 states' sex offender databases. Video surveillance cameras across our campus are a deterrent to trespassers, vandalism, and other illegal activities. They also help administrators with discipline issues and help with the investigation of any crimes that occur on campus during the school day or after school hours, making our school safer and more secure.

The district holds monthly virtual safety meetings, and our School Site Council (SSC) works on our Safety Plan throughout the year. We adopted a Comprehensive School Safety Plan that we review annually; our last review took place in January 2020. The plan is presented to all staff and parents, and we hold numerous student assemblies to address safety issues.

The district has a strictly enforced anti-discrimination policy that prohibits harassment of students or staff based on race, gender, disability, religion, or sexual orientation.

In a traditional school year, all MVUSD schools prepare for emergencies, through regular evacuation drills including the statewide Great Shakeout. In addition, our school has an Emergency and Disaster Preparedness Plan that aligns with the federal NIMS emergency system. The plan specifies procedures for dealing with fire, flood, earthquakes, lock downs, hazardous materials, disaster recovery organization, and student accountability following a disaster. In the event of an emergency or urgent situation, our school uses a computerized calling system through Aeries Communication, to immediately notify all families of an emergency via email, phone call, text and app alerts.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.2	1.2	1.7	1.5	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.22	1.27	2.5
Expulsions	0.0	.02	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio

Number of school days dedicated to Staff Development and Continuous Improvement	2	3	5

During the 2019-2020 school year, Murrieta Valley USD continued to provide professional development to support teachers and staff in delivering high quality learning for our students. During the spring closure for schools, district employees were offered a week-long professional development series focused on virtual learning skills and resources. All trainings centered around engagement strategies and 21st Century digital skills necessary to instruct students virtually. In addition, ongoing asynchronous and weekly live trainings were offered throughout the year to all staff.

As MVUSD prepared to strengthen teachers' online instructional pedagogy for the 2020-21 school year, teachers and administrators were provided access to the Leading-Edge Certification program, which is a 30-hour online course in robust virtual learning skills and strategies. During the summer, MVUSD provided opportunities for teachers to prepare for the upcoming school year focused on providing quality virtual instruction and mitigating learning loss for students in a virtual environment. Additionally, the student calendar was adjusted to move two professional development days to the beginning of the school year for intensive training on the implementation of our new learning management system (Canvas). All teachers take part in monthly virtual staff meetings that are used for training, community building, and communication.

New teachers are provided support and the opportunity to clear their credential through the district's Teacher Induction Program, which takes them through a rigorous and reflective learning process with the help of a mentor teacher. All teachers who are new to the district also receive three days of training to learn about key focus areas, as well as district expectations and procedures.

\* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/).

### Types of Services Funded

The district provides a wide array of programs to meet the needs of our diverse student body. This includes programs to identify and support students and their families through times of crisis and stress. A health technician, nurse, and psychologist are also available to meet with students and their families virtually and by appointment in-person.

The district provides a full-time counselor to our school to support social-emotional and academic success. Counselors teach guidance lessons and facilitate small groups on social skills, anger management, grief, and loss and provide support to military-connected students. They also provide individual responsive services, interventions, and referrals on an as-needed basis. During distance learning, our counselors have provided virtual "Counseling Corner", videos and office hours to assist students, families, and staff in need.

24/7 tutoring was implemented through Paper.co for all students in grades 4-12. This online 24/7 service is free to students, in lieu of in-person homework clubs, and before/after-school tutoring programs. Extended learning opportunities during the summer break continues to provide additional support for students who need assistance with basic curriculum.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
