School Description

Dorothy McElhinney Middle School (DMMS) serves students in grades six through eight. Students attend an academically challenging six-subject school day. The curriculum focuses on the core areas of language arts, math, social studies, and science. Regular classes, advanced classes in the core subjects, and intervention classes to improve basic skills are enhanced by PE and exploratory courses. All courses are designed to improve our students' opportunities for success in high school and beyond.

DMMS strives to develop each student's skills to meet life's challenges with honesty, integrity, courage, and the desire to reach for intellectual and personal excellence for the betterment of the community, the nation, and the world. Dorothy McElhinney Middle School also focuses on the arts. We provide singular experiences in each of the arts (music, theater, computer art, visual art, and dance), and as much as possible we incorporate the arts in the core subjects to support learning in the regular curriculum. Our arts teachers have created programs that inspire students to think creatively and build self-esteem.

Tom Patane, Principal

Highlights &Achievements

- Implemented ten special education and regular education in-school cohorts; daily virtual office hours; Virtual AVID Lessons, Virtual Success 101 Intervention Classes; Virtual College Visits and Virtual Honor Roll.
- Student Engagement in a virtual setting included, student Spirit Days, Virtual clubs, dances, WEB Events. We also developed virtual choir and drama performances.
- Parent Engagement has been reimagined from in-person meetings to virtual. This includes an African American Parent Advisory Committee, PTSA, and Virtual Parent/Teacher Conferences. We have also developed a process to conduct in-person home visits to identified families with low to no online engagement from the enrolled student in the household.
- School Counseling holds 'Wellness Wednesday' social and emotional lessons as well provide daily virtual counseling groups. Virtual Parent Meetings are held on an as needed basis to discuss academics and attendance with individual families.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Dorothy McElhinney Middle School opened in 2009 on 31 acres adjacent to Lisa J. Mails Elementary. The school has 63 classrooms, a multipurpose room, a gym, a computer lab, a library, a kitchen, and administrative offices. We have ample space for the number of students enrolled at the school. The district provides upkeep, maintenance, cleaning and landscaping. Corrective and preventative maintenance is scheduled on a routine basis to keep the school in good repair and in working order. Work order requests assigned through a computerized work order system ensure that emergency repairs are given the highest priority.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:
- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)
Murrieta Valley Unified School District is committed to collaborating with parents and providing opportunities for engagement. Active at DMMS are the Parent Teacher Student Association (PTSA) and School Site Council (SSC). The PTSA is actively involved in virtual activities such as Red Ribbon Week, and assemblies. The SSC helps to provide a quality education program for all of students. There is also a current Watch DOGS program (Dads of Great Students) which encourages volunteerism for fathers and father figures.

Lastly, MVUSD continues to be deliberate in its efforts to engage parents of diverse backgrounds and to obtain feedback regarding each student's academic journey, emotional supports, and engagement within their school site. MVUSD parents are invaluable partners and each parent group is comprised of dedicated parents who are steadfast in promoting strategic efforts to support student learning and college/career readiness. Group opportunities for parents are Action Team Partnership (ATP), African American Parent Advisory Council (AAPAC), Latino Parent Advisory Council (LPAC), District English Learner Advisory Council (DELAC) and Special Education Parent Advisory Council (SEPAC). Additionally, our school sites offer a variety of student and parent groups including: School Site Council (SSC), English Learner Advisory Council (ELAC), principal/student advisory groups, PTA/PTSA/PTO and staff leadership teams.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

School safety is a high priority at our school. Campus supervisors, administrators, and counselors are on campus daily to monitor the campus, supervise the students, and ensure a safe learning environment. Our computerized calling system, Aeries Communication, is used to immediately call, email, text, and app alert all families in an emergency. A School Resource Officer from Riverside County Sheriff's Department is available as needed during the school day or after school hours, making our school safer and more secure. Trained canines provide unannounced canine searches of the campus for drugs, alcohol, and weapons. Video surveillance cameras across our campus are a deterrent to trespassers, vandalism, and other illegal activities.

The district holds monthly virtual safety meetings. We have adopted a Comprehensive School Safety Plan is revised each year and reviewed by the School Site Council, staff and parents. We hold student assemblies to address safety issues at the start of the school year and again with eighth grade during second semester. To prepare for emergencies, we conduct evacuation drills regularly throughout the school year.

The school has an Emergency and Disaster Preparedness Plan which specifies procedures for dealing with fire, flood, earthquakes, lockdowns, hazardous materials, disaster recovery organization, and student accountability following a disaster, and it aligns with the federal NIMS emergency system.

Dorothy McElhinney is a closed campus that is fully fenced. Visitors must go through the school office for permission to be on campus. We utilize the Raptor Visitor Management System to screen parent volunteers before they enter to ensure all volunteers are screened against California's Megan's Law database as well as all 50 states' sex offender databases.

The district has a strictly enforced anti-discrimination policy that prohibits harassment of students or staff based on race, gender, disability, religion, or sexual orientation.

Suspensions and Expulsions

Suspensions	2.33	1.27	2.5
Expulsions	0.0	.02	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	5

During the 2019-2020 school year, Murrieta Valley USD continued to provide professional development to support teachers and staff in delivering high quality learning for our students. During the spring closure for schools, district employees were offered a week-long professional development series focused on virtual learning skills and resources. All trainings centered around engagement strategies and 21st Century digital skills necessary to instruct students virtually. In addition, ongoing asynchronous and weekly live trainings were offered throughout the year to all staff.

As MVUSD prepared to strengthen teachers' online instructional pedagogy for the 2020-21 school year, teachers and administrators were provided access to the Leading-Edge Certification program, which is a 30-hour online course in robust virtual learning skills and strategies. During the summer, MVUSD provided opportunities for teachers to prepare for the upcoming school year focused on providing quality virtual instruction and mitigating learning loss for students in a virtual environment. Additionally, the student calendar was adjusted to move two professional development days to the beginning of the school year for intensive training on the implementation of our new learning management system (Canvas). All teachers take part in monthly virtual staff meetings that are used for training, community building, and communication.

New teachers are provided support and the opportunity to clear their credential through the district's Teacher Induction Program, which takes them through a rigorous and reflective learning process with the help of a mentor teacher. All teachers who are new to the district also receive three days of training to learn about key focus areas, as well as district expectations and procedures.

Types of Services Funded

The district provides a wide array of programs to meet the needs of our diverse student body. This includes programs to identify and support students and their families through times of crisis and stress. A health technician, nurse, and psychologist are also available to meet with students and their families virtually and by appointment in-person.

The district provides a full-time counselor to our school to support social-emotional and academic success. Counselors teach guidance lessons and facilitate small groups on social skills, anger management, grief, and loss and provide support to military-connected students. They also provide individual responsive services, interventions, and referrals on an as-needed basis. During distance learning, our counselors have provided virtual "Counseling Corner", videos and office hours to assist students, families, and staff in need.

24/7 tutoring was implemented through Paper.co for all students in grades 4-12. This online 24/7 service is free to students, in lieu of in-person homework clubs, and before/after-school tutoring programs. Extended learning opportunities during the summer break continues to provide additional support for students who need assistance with basic curriculum.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
