School Description

Lisa J. Mails Elementary School school serves students in kindergarten through fifth grade. We have a unique focus on arts education and a strong emphasis on academic achievement. Students receive curricula and instruction similar to that found in the other schools in our district. This academic framework is enhanced by the arts focus, which includes music, theater, visual art, and dance as well as integrating the arts to support learning in the regular curriculum. The school focus is also brought to life through arts-related assemblies, field trips, and school-wide events, such as our Student Showcases, Artist-in-Residencies, and our annual Artist Fair. At Lisa J. Mails Elementary School, we have a mission of HEART: Harmony, Empathy, Achievement, Reflection, and Transformation. This mission is taught to each student and supported through school-wide recognition and daily character development.

Lisa J. Mails has an active parent community. Our PTA is integral to our mission, and parent participation occurs at many levels, supporting academics, our arts focus, and community-building events. We are a school in which, truly, parents and teachers come together to partner on behalf of the students we are serving!

Highlights & Achievements:

- Lisa J. Mails Elementary has continued to set attendance and engagement as a priority during the 20/21 school year. While in a virtual instructional model, LJM continues to maintain one of the lowest chronic absenteeism rates in the school district at 2.58% in December 2020.
- Lisa J. Mails has continued to engage students in a variety of ways during virtual teaching and learning. Teachers and staff continue to have spirit and theme-based days such as Kindness Challenge, Mindset Monday, Think Outside the Box Thursday, an Ornament Contest, a Lego Challenge, Virtual Soaring Spirit Assemblies, dress-up days, and much more.
- Lisa J. Mails continues to maintain an arts focus during virtual learning. Live open Art demonstrations are conducted every Wednesday providing students a rich opportunity to complete an art project with peers from across campus. Teachers and staff continue to plan and prepare art supplies as part of the bi-weekly materials pick-up, which allows for virtual classroom art activities. In the 3rd - 5th grade Panorama student survey, students commented that art was one thing they are enjoying most about school this year.
- Students continue to show academic growth as evident on the reading and math iReady diagnostic administered in August and again in December 2020. In the area of reading, students in Tier 1 (on track to meet grade-level standards) moved from 45% in August to 59% in December in grades 2nd - 5th. In the area of math, students in Tier 1 moved from 23% in August to 42% in December in grades 2nd - 5th.
- The Lisa J. Mails counseling services continue to thrive in the virtual environment. Students can easily navigate requesting a meeting with the school counselor and social-emotional learning lessons continue to be taught in classrooms. In addition, the school counselor utilizes peer leaders in the Kindness Crew to initiate school-wide campaigns such as singing for senior citizens and military veteran appreciation.
- At Lisa J. Mails, small in-person specialized cohorts began in November 2020. Currently, every SDC and RSP teacher provides an in-person cohort, to include Pre-K SDC. In addition, a daily in-person cohort was established for students that had minimal or no connectivity and engagement at home with virtual school.

- The Leadership Team at Lisa J. Mails has taken the 20/21 school year as an opportunity to reflect on our school's mission statement and core values for the purpose of redeveloping, engaging, and igniting the why behind what we do as a staff community.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Lisa J. Mails Elementary School opened in August, 2007 as the eleventh elementary school in the Murrieta Valley Unified School District. The campus has 39 classrooms, a multipurpose room with a kitchen, 3 computer labs, a library, an outdoor eating area, an amphitheater, administrative offices, a health office, teacher workrooms throughout the campus and two play areas, one for kindergarten students and one designated for students in grades 1-5.

The district's Facilities and Operational Services Departments provide upkeep, maintenance, and cleaning of district schools. Classrooms and restrooms are cleaned daily, and the principal works with the custodial staff to ensure a clean and safe school. The district's maintenance staff picks up litter and maintains landscaping using a regular, weekly schedule.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:
- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: July 17, 2020

B. Pupil Outcomes

State Priority: Pupil Achievement
The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)
At LJM, administration works hard to involve parents in their child's education. Parents are encouraged to remain active in our school virtually. Because of the pandemic, many activities were held virtually such as; Back-to-School Night, Open House, and parent-teacher conferences in October. Last year, our school continued to run the Watch DOGS (Dads of Great Students) program to support school safety and promote parent involvement. The Watch DOGS program involves fathers and other adult male relatives who volunteer for one day to help supervise students, provide classroom academic support, and participate in many other activities during the school day. This program has been well-received and has brought a positive male presence to our campus daily.

Lastly, MVUSD continues to be deliberate in its efforts to engage parents of diverse backgrounds and to obtain feedback regarding each student's academic journey, emotional supports and engagement within their school site. MVUSD parents are invaluable partners and each parent group is comprised of dedicated parents who are steadfast in promoting strategic efforts to support student learning and college/career readiness. Group opportunities for parents are; Action Team Partnership (ATP), African American Parent Advisory Council (AAPAC), Latino Parent Advisory Council (LPAC), District English Learner Advisory Council (DELAC) and Special Education Parent Advisory Council (SEPAC). Additionally, our school sites offer a variety of student and parent groups including: School Site Council (SSC), English Learner Advisory Council (ELAC), principal/student advisory groups, PTA/PTSA/PTO and staff leadership teams.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- • Pupil suspension rates;
- • Pupil expulsion rates; and
- • Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)
School safety is a high priority at Lisa J. Mails Elementary. Administrators, teachers, and aides monitor the campus, supervise the students, and ensure a safe learning environment. School resource officers are available to respond to the school if assistance is needed. Lisa J. Mails Elementary is a closed campus that is fully fenced. Visitors and volunteers must report to the office for permission to be on campus. We utilize the Raptor Visitor Management System to monitor parent volunteers on campus to ensure all volunteers are screened against California's Megan's Law database as well as all 50 states' sex offender databases. Video surveillance cameras across our campus are a deterrent to trespassers, vandalism, and other illegal activities. They also help administrators with discipline issues and help with the investigation of any crimes that occur on campus during the school day or after school hours, making our school safer and more secure.

The district holds monthly virtual safety meetings, and our School Site Council (SSC) works on our Safety Plan throughout the year. We adopted a Comprehensive School Safety Plan that we review annually; our last review took place in January 2020. The plan is presented to all staff and parents, and we hold numerous student assemblies to address safety issues.

The district has a strictly enforced anti-discrimination policy that prohibits harassment of students or staff based on race, gender, disability, religion, or sexual orientation.

In a traditional school year, all MVUSD schools prepare for emergencies, through regular evacuation drills including the statewide Great Shakeout. In addition, our school has an Emergency and Disaster Preparedness Plan that aligns with the federal NIMS emergency system. The plan specifies procedures for dealing with fire, flood, earthquakes, lock downs, hazardous materials, disaster recovery organization, and student accountability following a disaster. In the event of an emergency or urgent situation, our school uses a computerized calling system through Aeries Communication, to immediately notify all families of an emergency via email, phone call, text and app alerts.

Expulsions	0.0	.02	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement		3	5

During the 2019-2020 school year, Murrieta Valley USD continued to provide professional development to support teachers and staff in delivering high quality learning for our students. During the spring closure for schools, district employees were offered a week-long professional development series focused on virtual learning skills and resources. All trainings centered around engagement strategies and 21st Century digital skills necessary to instruct students virtually. In addition, ongoing asynchronous and weekly live trainings were offered throughout the year to all staff.

As MVUSD prepared to strengthen teachers' online instructional pedagogy for the 2020-21 school year, teachers and administrators were provided access to the Leading-Edge Certification program, which is a 30-hour online course in robust virtual learning skills and strategies. During the summer, MVUSD provided opportunities for teachers to prepare for the upcoming school year focused on providing quality virtual instruction and mitigating learning loss for students in a virtual environment. Additionally, the student calendar was adjusted to move two professional development days to the beginning of the school year for intensive training on the implementation of our new learning management system (Canvas). All teachers take part in monthly virtual staff meetings that are used for training, community building, and communication.

New teachers are provided support and the opportunity to clear their credential through the district's Teacher Induction Program, which takes them through a rigorous and reflective learning process with the help of a mentor teacher. All teachers who are new to the district also receive three days of training to learn about key focus areas, as well as district expectations and procedures.

Types of Services Funded

The district provides a wide array of programs to meet the needs of our diverse student body. This includes programs to identify and support students and their families through times of crisis and stress. A health technician, nurse, and psychologist are also available to meet with students and their families virtually and by appointment in-person.

The district provides a full-time counselor to our school to support social-emotional and academic success. Counselors teach guidance lessons and facilitate small groups on social skills, anger management, grief, and loss and provide support to military-connected students. They also provide individual responsive services, interventions, and referrals on an as-needed basis. During distance learning, our counselors have provided virtual "Counseling Corner", videos and office hours to assist students, families, and staff in need.

24/7 tutoring was implemented through Paper.co for all students in grades 4-12. This online 24/7 service is free to students, in lieu of in-person homework clubs, and before/after-school tutoring programs. Extended learning opportunities during the summer break continues to provide additional support for students who need assistance with basic curriculum.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
