School Description

Murrieta Mesa High School (MMHS) is a four-year comprehensive high school which is fully accredited by the Western Association of Schools and Colleges and offers students an excellent academic program. Our students are well prepared for the challenges that await them as they enter universities, community colleges, technical schools, the work force, and the military.

The college and career pathways offered at MMHS are: business, culinary, engineering, liberal studies/education, medical, and visual and performing arts. More recently we have added a Computer Science pathway. These pathways allow students to take required coursework for graduation and develop skills and experience in careers that meet their interests so they become equipped to compete in our state and nation's current job market. We work closely with our district to ensure we have CTE Pathways that will culminate in a capstone class in order to ensure our students are college and career ready.

Students at MMHS see their education as being more valuable if they are involved in the school culture and community. Hence, our goal is to have 100% of the student body involved in at least one school activity. There are a vast array of opportunities for our students to get involved and connected, including our competitive athletic program, award-winning student activities program, a large number of clubs and service organizations, and our thriving visual and performing arts program.

Steve Ellis, Principal

Highlights & Accomplishments:

- MMHS is an AVID National Demo School
- MMHS earned a Model of Academic Excellence Award from Riverside County Office of Ed in 2015 for our Medical Pathway and Collaboration with Shivela Middle School.
- Eighty percent of our students are involved in a club, activity, or sport.
- In 2016 our Baseball team was the CIF Division 1 Champion and in 2017 our Softball team won the CIF Championship. In 2018 our Boys Track and Field Team won a CIF championship as well as the CA State Championship.
- MMHS received the Outstanding Activities Award from California Association of Student Leaders multiple years in a row

Specific activities during distance learning to engage our community

- Mesa Men mentoring group - Parent meetings with guest speakers and a class for the students involved
- Mental Health Panel (virtual) with students and staff for students and parents.
- Cohorts for our most at-risk students - attending school both during hours and in the PM to get assistance with virtual learning
- Home visits - regular visits to students who are not engaged in virtual learning
- Technology supplies to help families navigate virtual learning from home

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Murrieta Mesa High School opened in 2009 on 62 acres. The school has 82 classrooms, a multipurpose room, a library, and athletic facilities, including a stadium, pool complex, varsity and junior varsity baseball and softball fields, tennis courts, basketball courts, and sand volleyball courts. Over 1/2 of our core academic classrooms have mobile technology devices for student use. The school also has a 750-seat Performing Arts Center and administrative offices. The school houses a professional kitchen and cafeteria/lounge that allows the culinary students to prepare and serve for a variety of events on campus and in the community. Murrieta Mesa has ample space for the number of students enrolled at the school.

The students take pride in their school by keeping the campus clean daily. The district provides upkeep, maintenance, and cleaning of district schools. Classrooms, offices, and rest rooms are regularly cleaned daily and the principal works with the custodial staff to ensure a clean and safe school. District maintenance staff maintains landscaping. Corrective and preventative maintenance is scheduled on a routine basis to keep the school in good repair and working order. Work order requests assigned through a computerized work order system ensure that emergency repairs are given the highest priority.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	72	N/A	64	N/A	50	N/A
Math	38	N/A	52	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Murrieta Valley Unified School District is committed to collaborating with parents and providing opportunities for engagement. Parent and community involvement are encouraged through PTSA and School Site Council. PTSA is very active at Murrieta Mesa providing virtual support and assistance when needed. PTSA also helps MMHS provide student recognition for academic success. Parents are also involved in supporting band, choir, drama, and athletic teams. Mesa parents assist with fundraising and student support during rehearsals, programs, games, and other group activities. Mesa parents and students involved in our School Site Council help the school provide a quality education program that includes our academies and pathways to help all of our students reach their dreams and goals. Anyone who is interested in assisting with PTSA activities can email, PTSA_MMHS@murrieta.k12.ca.us

Lastly, MVUSD continues to be deliberate in its efforts to engage parents of diverse backgrounds and to obtain feedback regarding each student's academic journey, emotional supports and engagement within their school site. MVUSD parents are invaluable partners. At the district level, there are many opportunities for parents' involvement in groups such as; Action Team Partnership (ATP), African American Parent Advisory Council (AAPAC), Latino Parent Advisory Council (LPAC), District English Learner Advisory Council (DELAC) and Special Education Parent Advisory Council (SEPAC). Additionally, our school sites offer a variety of student and parent groups including: School Site Council (SSC), English Learner Advisory Council (ELAC), principal/student advisory groups, Coffee with the Principal, PTA/PTSA/PTO and staff leadership teams.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

School safety is a high priority at Murrieta Mesa. Campus supervisors, administrators, counselors, and a school resource officer are on campus daily to monitor the campus, supervise the students, and ensure a safe learning environment.

The district holds monthly safety meetings and our School Safety Staff works on our Safety Plan throughout the year. MMHS has adopted a Comprehensive School Safety Plan that was updated in January 2021. The plan is presented to all staff and parents, and we conduct student assemblies to address safety issues. In December of 2019 our School Site Council voted to accept the Safety Plan.

Video surveillance cameras across our campus are a deterrent to trespassers, vandalism, and other illegal activities. They also help administrators with discipline issues and help in the investigation of any crimes that occur on campus during the school day or after school hours, making our school safer and more secure.

Murrieta Mesa is a closed campus that is fully fenced and secured. Visitors must go through the school office for permission to be on campus. We utilize the Raptor Visitor Management System to screen parent volunteers before they enter to ensure all volunteers are screened against California's Megan's Law database as well as all 50 states' sex offender databases.

The school contracts to provide unannounced canine searches of the campus for drugs, alcohol, and weapons. The district has a strictly enforced anti-discrimination policy that prohibits harassment of students or staff based on race, gender, disability, religion, or sexual orientation.

To prepare for emergencies, evacuation drills are conducted regularly throughout the school year, and our school actively participates in the statewide Great Shakeout. After each drill, we assess effectiveness and implement new procedures as needed. In addition, the school has an Emergency and Disaster Preparedness Plan, which specifies procedures for dealing with fire, flood, earthquakes, lock downs, hazardous materials, disaster recovery organization, and student accountability following a disaster and aligns with the federal NIMS emergency system. In the event of an emergency or urgent situation, our school uses a computerized calling system, Aeries Communications, to immediately notify all families of an emergency via email, phone call, text and app alerts.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	3.1	2.4	1.7	1.5	3.5	3.5
Expulsions	0.0	0.1	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.92	1.27	2.5
Expulsions	0.0	.02	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	5

During the 2019-2020 school year, Murrieta Valley USD continued to provide professional development to support teachers and staff in delivering high quality learning for our students. During the spring closure for schools, district employees were offered a week-long professional development series focused on virtual learning skills and resources. All trainings centered around engagement strategies and 21st Century digital skills necessary to instruct students virtually. In addition, ongoing asynchronous and weekly live trainings were offered throughout the year to all staff.

As MVUSD prepared to strengthen teachers' online instructional pedagogy for the 2020-21 school year, teachers and administrators were provided access to the Leading-Edge Certification program, which is a 30-hour online course in robust virtual learning skills and strategies. During the summer, MVUSD provided opportunities for teachers to prepare for the upcoming school year focused on providing quality virtual instruction and mitigating learning loss for students in a virtual environment. Additionally, the student calendar was adjusted to move two professional development days to the beginning of the school year for intensive training on the implementation of our new learning management system (Canvas). All teachers take part in monthly virtual staff meetings that are used for training, community building, and communication.

New teachers are provided support and the opportunity to clear their credential through the district's Teacher Induction Program, which takes them through a rigorous and reflective learning process with the help of a mentor teacher. All teachers who are new to the district also receive three days of training to learn about key focus areas, as well as district expectations and procedures.

Types of Services Funded

The district provides a wide array of programs to meet the needs of our diverse student body. This includes programs to identify and support students and their families through times of crisis and stress. A health technician, nurse, and psychologist are also available to meet with students and their families virtually and by appointment in-person.

The district provides a full-time counselor to our school to support social-emotional and academic success. Counselors teach guidance lessons and facilitate small groups on social skills, anger management, grief, and loss and provide support to military-connected students. They also provide individual responsive services, interventions, and referrals on an as-needed basis. During distance learning, our counselors have provided virtual "Counseling Corner", videos and office hours to assist students, families, and staff in need.

24/7 tutoring was implemented through Paper.co for all students in grades 4-12. This online 24/7 service is free to students, in lieu of in-person homework clubs, and before/after-school tutoring programs. Extended learning opportunities during the summer break continues to provide additional support for students who need assistance with basic curriculum.

Career Technical Education Programs

Graduates are prepared to enter the workforce based on their completion of a rigorous curriculum of core academic subjects. Students are required to complete 40 hours of community service, which teaches them the importance of volunteer work and provides them with insight into different career pathways.

Students take aptitude tests and sign up for the ASVAB for career aptitudes. Murrieta Mesa offers College and Career Pathways in Business and Culinary, Engineering, Liberal Studies and Education, Medical, Computer Science and Visual and Performing Arts to connect students' learning with actual needs in our state and nation's economy. The pathways allow students to take required coursework for graduation as well as to take coursework in career areas of interest.

Classes, such as Multimedia, Culinary Arts, Graphic Design, TV and Video Production, Accounting, Business Principles and Management, Sports and Entertainment Marketing, Drafting, Engineering, Health Careers, Medical Terminology and Computer Science courses also give students skills for employment

CTE programs provide students 14 or older with free job training, high school credit, certificates of training, career planning, job search skills, and preparation for higher level training. Through a partnership with Mt. San Jacinto College (MSJC), students who successfully complete approved high school and CTE courses with a grade of B or better qualify for college credit for the course taken.

A highlight for the 2017/2018 school year was our Culinary CTE students participating in a competition at Disney World in Orlando, FL. They took first place in entree division and second place overall out of 50 teams.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
