School Description

At Rail Ranch Elementary we believe in providing a safe, nurturing environment for all and in promoting good manners, honesty, responsibility, and self-esteem in our students as we model those behaviors. We also believe in every child's potential to learn, and parents, community, and teachers share in that responsibility. We believe in open and honest communication and in respectfully meeting individual needs of the diverse population while recognizing other perspectives.

All children participate in an instructional program that fosters individual growth, academic progress, cultural literacy, good citizenship, and character education. We use academic standards, current research in education, district and state curricula, and student assessments to maintain a strong educational program.

Parent and community involvement and strong positive school leadership provide significant and necessary support for excellence in education.

Tammy Hunter-Wethers, Principal

Highlights & Achievements:

- Rail Ranch strives to embrace rigorous academic standards, providing excellence and creativity in teaching, and for creating a positive school climate during this year of virtual learning. The goal is to maintain equity and ensure all students have access to the technology.
- CAASPP testing for the 19-20 school year was cancelled due to nationwide school shutdowns due to the COVID Pandemic. Multiple measures of student ability have been implemented this year. Virtual testing through iReady in Language Arts and Math provided a baseline for student ability.
- Rail Ranch has two onsite parent groups that meet virtually. We have our African American Parent Advisory Council and our Latin Parent Advisory Council where information is shared, and parent input is gathered in regards to the decisions made about Rail Ranch.
- Our Learning Center instructional model provides additional instructional support to students in kindergarten through fifth grade virtually. Specialists reach out to students virtually and provide small group instruction virtual. Rail currently has three small cohorts onsite for the underserved students in Special Education and unengaged students.
- All Professional Learning Communities are focused on engaging all students in the virtual learning environment.
- Our Visual and Performing Arts programs are offered virtually. Students participate in online band instruction, choir, and the Arts. Our first grade students attended a virtual play performed by Murrieta Valley High School. Our fourth grade students participate in recorder instruction weekly.

The counselor provides Talk Tuesdays virtually for students to join and socialize with one another. Parents and teachers are encouraged to send weekly virtual shout outs to their students to be viewed at our virtual Friday Morning Sing.

All teachers provide office hours for parents to discuss any concerns.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Rail Ranch Elementary School opened in 1989 as the third elementary school in the Murrieta Valley Unified School District. Rail Ranch Elementary has 39 classrooms, a library, a multipurpose room, administrative offices, two play areas, and a childcare room. We have ample space for the number of students enrolled at the school. When the school reaches capacity, new students may be assigned to other schools in the district where classroom space exists.

Upkeep, maintenance, and cleaning of district schools are provided by the district. Schools and rest rooms are cleaned daily. District maintenance staff maintains the landscaping. Corrective and preventative maintenance are scheduled on a routine basis to keep the school in good repair. Work order requests assigned through a computerized work order system ensure that emergency repairs are given the highest priority.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:
- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	61	N/A	52	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)
Murrieta Valley Unified School District is committed to collaborating with parents and providing opportunities for engagement. Parents are encouraged to attend school assemblies, events and parent-teacher conferences virtually. Parent and community involvement is encouraged through PTA and the School Site Council (SSC). Rail Ranch also has an English Language Parent Coffee/DELAC meeting once a month to provide our non-English speaking parents an opportunity to ask questions about school programs and any paperwork sent home. At the meetings interpreters are provided for languages such as Farsi, Arabic, Tagalog, Spanish, and Vietnamese. Rail Ranch was also provides a parent English Language Acquisition class on site. The parents are eager to participate and feel this is a way to help their children academically.

The PTA is actively involved virtually in Red Ribbon Week, Reflections, Character Counts assemblies, book fairs, and activities to enhance school and community spirit, as well as reward and incentive programs. Our School Site Council includes three parents and three staff members that provide input on decisions for our students. Parent volunteers must attend an annual volunteer training and have a current RAPTOR/ Megan's Law evaluation file with the front office. The contact person for parent involvement is Desstiney Machnick, PTA president. She can be reached at PTA_RRES@murrieta.k12.ca.us. This year, PTA will do a virtual Read a thon that will encourage students to keep reading.

Lastly, MVUSD continues to be deliberate in its efforts to engage parents of diverse backgrounds and to obtain feedback regarding each student's academic journey, emotional supports and engagement within their school site. MVUSD parents are invaluable partners and each parent group is comprised of dedicated parents who are steadfast in promoting strategic efforts to support student learning and college/career readiness. Group opportunities for parents are; Action Team Partnership (ATP), African American Parent Advisory Council (AAPAC), Latino Parent Advisory Council (LPAC), District English Learner Advisory Council (DELAC) and Special Education Parent Advisory Council (SEPAC). Additionally, our school sites offer a variety of student and parent groups including: School Site Council (SSC), English Learner Advisory Council (ELAC), principal/student advisory groups, PTA/PTSA/PTO and staff leadership teams.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- • Pupil suspension rates;
- • Pupil expulsion rates; and
- • Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)
School safety is a high priority at Rail Ranch Elementary. Administrators, teachers, and aides monitor the campus, supervise the students, and ensure a safe learning environment. School resource officers are available to respond to the school if assistance is needed. Rail Ranch Elementary is a closed campus that is fully fenced. Visitors and volunteers must report to the office for permission to be on campus. We utilize the Raptor Visitor Management System to monitor parent volunteers on campus to ensure all volunteers are screened against California's Megan's Law database as well as all 50 states' sex offender databases. Video surveillance cameras across our campus are a deterrent to trespassers, vandalism and other illegal activities. They also help administrators with discipline issues and help with the investigation of any crimes that occur on campus during the school day or after school hours, making our school safer and more secure.

The district holds monthly virtual safety meetings and our School Site Council (SSC) works on our Safety Plan throughout the year. We adopted a Comprehensive School Safety Plan that we review annually; our last review took place in December 2020. The plan is presented to all staff and parents, and we hold numerous student assemblies to address safety issues.

The district has a strictly enforced anti-discrimination policy that prohibits harassment of students or staff based on race, gender, disability, religion, or sexual orientation.

To prepare for emergencies, evacuation drills are conducted regularly throughout the school year, and our school actively participates in the statewide Great Shakeout. In addition, our school has an Emergency and Disaster Preparedness Plan that aligns with the federal NIMS emergency system. The plan specifies procedures for dealing with fire, flood, earthquakes, lock downs, hazardous materials, disaster recovery organization, and student accountability following a disaster. In the event of an emergency or urgent situation, our school uses a computerized calling system through Aeries Communication, to immediately notify all families of an emergency via email, phone call, text and app alerts. Schools are currently closed due to the Corona Pandemic. Once onsite learning resumes, regularly schedule drills will be reinstated.

Suspensions	0.27	1.27	2.5
Expulsions	0.0	.02	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	5

During the 2019-2020 school year, Murrieta Valley USD continued to provide professional development to support teachers and staff in delivering high quality learning for our students. During the spring closure for schools, district employees were offered a week-long professional development series focused on virtual learning skills and resources. All trainings centered around engagement strategies and 21st Century digital skills necessary to instruct students virtually. In addition, ongoing asynchronous and weekly live trainings were offered throughout the year to all staff.

As MVUSD prepared to strengthen teachers' online instructional pedagogy for the 2020-21 school year, teachers and administrators were provided access to the Leading-Edge Certification program, which is a 30-hour online course in robust virtual learning skills and strategies. During the summer, MVUSD provided opportunities for teachers to prepare for the upcoming school year focused on providing quality virtual instruction and mitigating learning loss for students in a virtual environment. Additionally, the student calendar was adjusted to move two professional development days to the beginning of the school year for intensive training on the implementation of our new learning management system (Canvas). All teachers take part in monthly virtual staff meetings that are used for training, community building, and communication.

New teachers are provided support and the opportunity to clear their credential through the district's Teacher Induction Program, which takes them through a rigorous and reflective learning process with the help of a mentor teacher. All teachers who are new to the district also receive three days of training to learn about key focus areas, as well as district expectations and procedures.

Types of Services Funded

The district provides a wide array of programs to meet the needs of our diverse student body. This includes programs to identify and support students and their families through times of crisis and stress. A health technician, nurse, and psychologist are also available to meet with students and their families virtually and by appointment in-person.

The district provides a full-time counselor to our school to support social-emotional and academic success. Counselors teach guidance lessons and facilitate small groups on social skills, anger management, grief, and loss and provide support to military-connected students. They also provide individual responsive services, interventions, and referrals on an as-needed basis. During distance learning, our counselors have provided virtual "Counseling Corner", videos and office hours to assist students, families, and staff in need.

24/7 tutoring was implemented through Paper.co for all students in grades 4-12. This online 24/7 service is free to students, in lieu of in-person homework clubs, and before/after-school tutoring programs. Extended learning opportunities during the summer break continues to provide additional support for students who need assistance with basic curriculum.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
