School Description

Vista Murrieta High School (VMHS) is a four-year comprehensive high school fully accredited by the Western Association of Schools and Colleges. Vista Murrieta is a California Distinguished School, MAX Preps Most Spirited High School in the Nation for two consecutive years, Varsity Brands America's Most Spirited School, and a CIF Champion School of Character. We offer an excellent and diverse academic program, award-winning student activities program, outstanding interscholastic athletic and performing arts programs as well as many other social and academic enrichment opportunities.

Our school motto of CLASS (Character, Leadership, Attitude, Scholarship, and Service) is important to ensuring the success of all students. This motto permeates classrooms, extracurricular activities, athletic competitions, and the interaction among students, staff, and community. We believe every student can and should be prepared to continue on to higher education and become a productive member of the community upon graduation. We expect this attitude of success from staff, students, and parents alike.

Vista Murrieta offers 13 Dual Enrollment courses in the areas of English, Math, Social Science, Science, World Language, and Arts and Humanities. Students can complete a multitude of college credits with Dual Enrollment (in addition to credit via Advance Placement tests) by taking up to two courses per semester in their Junior and Senior year. We have increased the number of Advanced Placement courses and online courses as well since the advent of Dual Enrollment. We also have an Academic Seminar Program to support our incoming ninth grade students in a addition to subject-specific intervention classes in Math, English, Science, and Social Studies courses. Many more students take advantage of the VMHS "Broncotorials," which are Saturday tutorial sessions, and our after school tutoring provided in the library and science and math classrooms

Mick Wager, Principal

Highlights & Accomplishments:

- Our Associated Student Body won the state recognition from CADA/CASL for our outstanding student activity program for 15th consecutive year.
- VMHS varsity athletics remain very competitive in the Southwestern League and continues its winning tradition.
- Vista Murrieta's award-winning Golden Alliance marching band and color guard was recognized by the prestigious Sudler Shield Award in addition to winning the Al Castronovo Esprit de Corps Award at the national Bands of America competition. Our Winter Guard won the Winter Guard International Western Championship, and it was the first year our Winter Drum Line competed in the World Class Division, one of only 35 schools nationwide. Our choirs receive superior rankings at every festival in which they participated. Our students in our drama productions won numerous Youth Arts and Macy awards for their performances.
- Our Air Force JROTC was recognized with the Distinguished Unit Award for sixth year in a row.
- In the virtual setting, we have welcomed small specialized groups of students to campus
 in the following areas: special education, connectivity/engagement, and students in
 need of academic interventions.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Vista Murrieta campus consists of 68 acres overlooking Murrieta and the school opened in August 2003. All facilities are in excellent condition. There are more than 130 classrooms as well as computer and technology labs; a library; college/career center; state-of-the-art science facilities; a lecture hall; specialized classrooms for special education, ceramics, art, fashion, photography, and foods; a performing arts center that includes: band, choir, and drama classrooms, a multipurpose room with capacity for 335 and a theater with seating for 500; an ASB office; student store; workrooms for teachers; and offices for school administrators, staff, and the school nurse.

Athletic facilities include administrative offices; main and practice gymnasiums; an aquatics facility; an athletic stadium with an all-weather running surface; three competition baseball and softball diamonds; two full-size soccer fields; PE fields and courts; a weight room with state-of-the-art equipment; a fully equipped fitness lab and classrooms for health, wrestling, dance and aerobics. Other facilities include a fitness lab, kitchen facilities, and a staff lounge. We have a newly built Career and Technical Education building, which houses many of our CTE Pathway programs such as Engineering, Computer Programming, Audio/Tech, Sports Medicine, and Law Enforcement.

Daily and nightly cleaning by custodial staff ensures a clean school. Rest rooms are cleaned and monitored during the day by custodians and campus security, respectively, as to prevent vandalism. We document and remove graffiti as soon as it is discovered. Regular corrective and preventative maintenance is conducted on a routine basis to keep the school in good condition. Work order requests for facilities and technology are assigned through computerized systems to ensure that emergency repairs receive the highest priority. The district provides two full-time maintenance and technology persons on site who oversee maintenance and technology work order requests.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	74	N/A	64	N/A	50	N/A
Math	51	N/A	52	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

· Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Our school has significant support from parents. We encourage parent and community involvement through our PTSA, which actively supports programs, activities and provides scholarships to seniors. The PTSA also encourages senior citizens from the community to get involved in school functions, bringing a high level of community support. The School Site Council, consisting of parents, students, and staff members, meets regularly to evaluate the effectiveness of school programs, review curriculum, and approve specific funding for the budget. A Principal's Advisory committee consisting of students from a wide variety of backgrounds and grade levels meets monthly with the school principal and administration to discuss any site concerns from the student's perspective and offer suggestions for improvements.

Parent booster programs support large extracurricular organizations such as performing arts and athletics. Parent fundraising underwrites the purchase of specialized equipment, field trips for competitions, and offers financial support for those families in need. We also encourage parents to participate in ELAC, PTSA, African American and Latino Parent Advisory Committees, and the Dollars for Scholars Scholarship Foundation. Many activities support parent involvement and the dissemination of information, such as Parent Information Nights for incoming ninth grade students, AP and Dual Enrollment students, college-bound students, and athletes.

Parents assist with various school events including dances and field trips. Performing arts and athletic events are always well supported and attended by parents. Back-to-School Night, and various informational parent nights are well attended every year. Parents are encouraged to support the many organizations and athletic teams at functions on and off campus.

Lastly, MVUSD continues to be deliberate in its efforts to engage parents of diverse backgrounds and to obtain feedback regarding each student's academic journey, emotional supports and engagement within their school site. MVUSD parents are invaluable partners and each parent group is comprised of dedicated parents who are steadfast in promoting strategic efforts to support student learning and college/career readiness. Group opportunities for parents are; Action Team Partnership (ATP), African American Parent Advisory Council (AAPAC), Latino Parent Advisory Council (LPAC), District English Learner Advisory Council (DELAC) and Special Education Parent Advisory Council (SEPAC). Additionally, our school sites offer a variety of student and parent groups including: School Site Council (SSC), English Learner Advisory Council (ELAC), principal/student advisory groups, PTA/PTSA/PTO and staff leadership teams.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

School safety is a high priority. Campus security guards, administrators, and counselors, monitor the campus before, during, and after school as well as during breaks and lunches, supervise students, and ensure a safe learning environment. There is also a School Resource Officer on campus during school hours. This uniformed police officer provides support for administration and discipline issues and is a positive presence on campus. Vista Murrieta is a closed campus that is fully fenced, and students are not allowed to leave campus during the day without the consent of a parent or guardian. A campus supervisor monitors all visitors who enter the campus parking lot. Visitors must produce a photo ID, scan it through our Raptor Visitor Management System to screen parent volunteers before they enter to ensure all volunteers are screened against California's Megan's Law database as well as all 50 states' sex offender databases, and they wear a photo visitor sticker while on campus. All visitors must have specific school business to remain on campus.

The district holds quarterly virtual safety meetings and our SSC works on our safety plan throughout the year. We have adopted a Comprehensive School Safety Plan, and is reviewed every school year. The plan is presented to all staff and parents, and we hold numerous student assemblies to address safety issues and student expectations. Video surveillance cameras across our campus are a deterrent to trespassers, vandalism, and other illegal activities. They also help administrators with discipline issues and help in the investigation of any crimes that may occur on campus during the school day or after school hours, making our school safer and more secure.

The district has a strictly enforced anti-discrimination policy that prohibits harassment of students or staff based on race, gender, disability, religion, or sexual orientation.

To prepare for emergencies, evacuation drills are conducted regularly throughout the school year, and our school actively participates in the statewide Great Shakeout. In addition, our school has an Emergency and Disaster Preparedness Plan that aligns with the federal NIMS emergency system. The plan specifies procedures for dealing with fire, flood, earthquakes, lock downs, hazardous materials, disaster recovery organization, and student accountability following a disaster. In the event of an emergency or urgent situation, our school uses a computerized calling system through Aeries Communication, to immediately notify all families of an emergency via email, phone call, text and app alerts.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.6	0.9	1.7	1.5	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.5	1.27	2.5
Expulsions	0.05	.02	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	5

During the 2019-2020 school year, Murrieta Valley USD continued to provide professional development to support teachers and staff in delivering high quality learning for our students. During the spring closure for schools, district employees were offered a week-long professional development series focused on virtual learning skills and resources. All trainings centered around engagement strategies and 21st Century digital skills necessary to instruct students virtually. In addition, ongoing asynchronous and weekly live trainings were offered throughout the year to all staff.

As MVUSD prepared to strengthen teachers' online instructional pedagogy for the 2020-21 school year, teachers and administrators were provided access to the Leading-Edge Certification program, which is a 30-hour online course in robust virtual learning skills and strategies. During the summer, MVUSD provided opportunities for teachers to prepare for the upcoming school year focused on providing quality virtual instruction and mitigating learning loss for students in a virtual environment. Additionally, the student calendar was adjusted to move two professional development days to the beginning of the school year for intensive training on the implementation of our new learning management system (Canvas). All teachers take part in monthly virtual staff meetings that are used for training, community building, and communication.

New teachers are provided support and the opportunity to clear their credential through the district's Teacher Induction Program, which takes them through a rigorous and reflective learning process with the help of a mentor teacher. All teachers who are new to the district also receive three days of training to learn about key focus areas, as well as district expectations and procedures.

Types of Services Funded

The district provides a wide array of programs to meet the needs of our diverse student body. This includes programs to identify and support students and their families through times of crisis and stress. A health technician, nurse, and psychologist are also available to meet with students and their families virtually and by appointment in-person.

The district provides a full-time counselor to our school to support social-emotional and academic success. Counselors teach guidance lessons and facilitate small groups on social skills, anger management, grief, and loss and provide support to military-connected students. They also provide individual responsive services, interventions, and referrals on an as-needed basis. During distance learning, our counselors have provided virtual "Counseling Corner", videos and office hours to assist students, families, and staff in need.

24/7 tutoring was implemented through Paper.co for all students in grades 4-12. This online 24/7 service is free to students, in lieu of in-person homework clubs, and before/after-school tutoring programs. Extended learning opportunities during the summer break continues to provide additional support for students who need assistance with basic curriculum.

Career Technical Education Programs

Graduates are prepared to enter the workforce based on their completion of a rigorous curriculum of core academic subjects along with 40 hours of community service, which teaches them the importance of volunteer work and provides them with insight into different career paths. Students learn how to research potential employers, answer interview questions, and write business letters and resumes as part of their English classes. We encourage students to take the Armed Services Vocational Aptitude Battery (ASVAB) to help them evaluate their strengths, skills, and interests as part of their post-high school planning.

All students are enrolled in the California Colleges Guidance Initiative system; the program provides students with extensive career-related assessments and resources to explore the world of work in addition to including milestones at each grade level to help students stay on track to meet their college and career goals. All students are required to complete a Senior Culminating Project (SCP) in their senior year. This process starts with a career inventory in ninth grade and in tenth grade each student continues their Individualized Learning Plan through one-on-one sessions with their counselor. In their junior year, each student must write a reflective essay that is scored with a common district rubric. This process culminates with the SCP. Each senior student must successfully complete the SCP which is presented before a select panel of staff and community members. The topic of this presentation style interview will allow for each student to reflect on their high school experience and present their post high school plan.

Our high school offers courses intended to help students prepare for the world of work. The Riverside County of Educations' Career Technical Education (CTE) program provides students with a variety of technical courses such as TV and Video production, interactive media design, audio technology, culinary arts, law enforcement, forensic science and CSI, stagecraft, sports medicine. These courses let students explore career interests and post-high school career opportunities. Students sign up for classes through our site CTE representative. Courses are offered on and off campus. Off campus classes are offered at neighboring high schools and include programs such as automotive, medical front office, and fire science. Students taking courses off campus must be approved for early dismissal and provide their own transportation. Through a partnership with Mt. San Jacinto College, students who successfully complete approved high school CTE courses with a grade of B or better, qualify for college credit for the course after completion of 12 units with the college. Matriculation services are provided to students including online application and assessment process.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
