

[APPLY AT FENDER.COM/CAREERS](https://www.fender.com/careers)

Within Fender Musical Instruments Corporation's global Manufacturing team, we are focused on delivering operational excellence to the business and our customers by promoting collaboration, building trust, and setting high standards. Our mission is to support and enable makers who fuel the pursuit of musical expression. We are currently searching for exceptional team members to join us on the Factory Floor in Corona, CA.

An American icon, Fender was born in Southern California and has built a worldwide influence extending beyond the studio and stage. A fender is more than an instrument, it's a cultural symbol that resonates globally.

The Factory floor is where our product is infused with the magic it needs to enable so many artists around the globe. The employee will be required to use hand tools to perform essential job functions. The people on the floor are each essential participants in a process that leads to a finished product that is proudly hand crafted In Corona, California. The right person for the job knows how to work with their hands and has an eye for detail. Each Factory employee takes pride in the job they perform to ensure that every part of the process is perfect.
