MASKS ARE REQUIRED in our facility.

Directions: We will have you enter our parking lot and turn right, and then left between the buildings to our back alley. Turn left in the alley and drive to the open door at the end of the building. Someone will be there to guide you in. The senior “ONLY” with mask on, will get out of the car and walk in our back door, be photographed and exit our front door. The driver will drop you off at our back door, and then go around to the front door to pick you up. If you are driving yourself, park in front and walk around to the back door. You will exit out the front door where your car is parked.

We will take one picture of you for the yearbook and/or one picture for the “Real You” and send you on your way. You will not be able to choose your image for the yearbook, and we will not retouch this picture. It will go into the yearbook just as we take it that day. If you would like these services that are not included, please make arrangements immediately for a studio session.

*Reminder: Only the senior will be allowed to walk through the studio. If your senior needs extra help, we will accommodate to make sure you have a great experience and a great image for the yearbook. We require every person entering our facility to wear a mask covering mouth and nose. We will have the mask removed just before the picture and then replaced just after.

What is the “Real You” picture?

The “Real You” photo is a fun casual photo sponsored by your yearbook company, “YB2”, that the seniors usually take on campus in the fall. We are taking them in our studio instead. You can bring props or even pets. What’s most important to you? Your sport? Hobby? Goals? Talents? Fashion? Spirit? Now you have a chance to show that in your yearbook as well as your formal picture. This photo is taken on a white background, so we do not suggest white as your main color.

But please remember:

****School dress code applies to these pictures. **Inappropriate shirts, icons, sayings, graphics on signs, prop placement, etc...will not be permitted. **Shirts are mandatory for ALL. **No more than 2 people in a photo. **Pets are OK. Your formal senior portrait looks great in the yearbook.....but what about the REAL YOU?**
