

Distance Learning Weekly Agenda

Mrs. Agrelius - System 44 & Read 180

Notes

I hope you are all doing well! I miss seeing each of you and your smiling faces. Please complete the daily assignments and fill out your daily work form when you are done. If you have any questions please contact me by email:

magrelius@murrieta.k12.ca.us

I will be checking your progress and am excited to see you move along in your learning!

To Do Each Day

- 20 minutes of System 44 or Read 180 Software
- 20 minutes of reading from a paperback or digital book
- Reading Counts quiz if you finish your book
- Complete the [Daily Work Form](#)

Software

For your Read 180 or System 44 software, please login [HERE](#) and complete your software as usual.

You will need a microphone for this, one option that many families have is a pair of earbuds that come with the Apple iPhone (they have a microphone on the cord). If you do not have access to a microphone, please let me know and I will adjust your software.

REMINDER: When you get to the spelling section, don't forget to use a piece of scratch paper.

REMINDER: Do your best on the fluency section, I will be listening to your recordings!

Reading

For your independent reading, you may read a book that you have at home or a digital book.

REMINDER: To find a digital book, you can click on the e-book library (System 44) or Independent Reading (Read 180) and pick a book within your Lexile. You may also find a book on the school's digital library, [SORA](#).

REMINDER: When you finish reading your book, don't forget to login to [Reading Counts](#) to take your quiz. I will be monitoring your points, let's make our goal 5 points a week.
