

**SEX OFFENDER NOTIFICATION**

The Superintendent or designee shall develop a plan for receiving and communicating information about registered sex offenders residing within district boundaries. He/she shall ensure, at a minimum, that the following components are part of the plan:

1. The Superintendent or designee shall appoint a staff member to serve as liaison with law enforcement regarding these matters.
2. The Superintendent or designee shall, at the beginning of each school year, contact local law enforcement to coordinate the receipt of information. Law enforcement shall be informed that all notifications and correspondence should be directed to the District liaison as well as the individual school sites. A letter shall be sent annually to local law enforcement, identifying the name, phone number and address of the District liaison.
3. The Superintendent or designee and the District liaison shall collaborate with law enforcement in order to alert children to the dangers of sex offenders, develop a system for distributing information about sex offenders, and train school staff and parents/guardians about the roles and responsibilities of both the District and law enforcement.
4. The Superintendent or designee shall, at the beginning of each school year, notify parents/guardians of the District's willingness and intention to work with law enforcement on this matter and shall explain the appropriate roles and responsibilities of both the district and law enforcement.

This communication shall also explain:

- a. The reporting requirements pursuant to Penal Code 290, including the fact that law enforcement is the agency best able to assess the relative danger of an offender
  - b. The ability of the parents/guardians to contact law enforcement for additional information
  - c. The District's policy and how the District plans to handle the information received from the law enforcement agency
5. If and when law enforcement notifies the district of the residency or employment of a sex offender within district boundaries, the Superintendent or designee shall determine which central office and school staff need to be notified. This determination shall be done on a case-by-case basis. Notification may be made to the following staff:
