TERMINATION AGREEMENTS

4317.5

The Governing Board believes that it is incumbent upon school districts to provide a truthful account of the reasons why an employee has left district employment. The Board, therefore, does not look with favor on any termination settlement agreement which prevents the district from giving prospective employers this information. If a termination settlement agreement is made, the Superintendent or designee shall inform prospective employers that such an agreement has been made and may give out information as provided for in the agreement.

In all cases in which an employee's conduct warrants probable cause for the suspension or revocation of the employee's teaching credential, the Superintendent or designee shall report the employee's suspension, termination or resignation to the Commission on Teacher Credentialing as required by law. (Code of Regulations, Title 5, 80311)
