HEALTH AND WELFARE BENEFITS

The District shall provide health and welfare benefits for certificated and classified employees in bargaining units. Benefits will be provided in accordance with negotiated employee agreements.

Benefits for employees who are not in bargaining units shall be the same unless otherwise specified in Board policy or individual contract.

The Superintendent or designee shall advise all employees of their rights and responsibilities related to continuing their health insurance benefits when their eligibility changes.

Retired Certificated Employees

The District health insurance program (including dental care benefits) shall be available to retired former certificated employees and their spouses, and to the spouses of certificated employees who died while employed by the District. (Education Code 7000)

The insurance shall provide full benefits for retired employees up to the age at which they become eligible for Medicare/Medicaid, and afterwards shall cover only those eligible expenses not covered by Medicare, Medicaid, or other health insurance programs.

Coverage under this program will continue only as long as the retiree reimburses the District monthly for the premium paid the insurance carrier. Retirees who fail to make this payment will no longer be eligible for the program.
