

DISTRICT SCHOOL ATTENDANCE REVIEW BOARD

The Governing Board recognizes that poor school attendance and behavior problems negatively impact student achievement and put students at greater risk of dropping out of school. The Superintendent or designee shall establish a comprehensive and integrated system for the early identification of attendance problems and shall implement strategies to encourage students' attendance. After other interventions have been exhausted, students with a pattern of unexcused absences may be referred to a school attendance review board (SARB), in accordance with applicable law, in order to receive intensive guidance and assistance.

The Superintendent or designee shall collaborate with the SARB and appropriate community agencies, including, but not limited to, law enforcement agencies, child welfare agencies, and health services, to provide school-based and/or community-based interventions tailored to the specific needs of the student.
