

**MEETINGS AND NOTICES**

Meetings of the Governing Board are conducted for the purpose of accomplishing district business. In accordance with state open meeting laws (Brown Act), the Board shall hold its meetings in public and shall conduct closed sessions during such meetings only as authorized by law. To encourage community involvement in the schools, Board meetings shall provide opportunities for questions and comments by members of the public. All meetings shall be conducted in accordance with law and the Board's bylaws, policies, and administrative regulations.

A Board meeting exists whenever a majority of Board members gather at the same time and location, including teleconference location, to hear, discuss, deliberate, or take action upon any item within the subject matter jurisdiction of the Board or district. (Government Code 54952.2)

A majority of the Board shall not, outside of an authorized meeting, use a series of communications of any kind, directly or through intermediaries, including social media and other electronic communications, to discuss, deliberate, or take action on any item that is within the subject matter jurisdiction of the Board. (Government Code 54952.2)

However, an employee or district official may engage in separate conversations with Board members in order to answer questions or provide information regarding an item within the subject matter jurisdiction of the Board, as long as that employee or district official does not communicate the comments or position of any Board members to other Board members. (Government Code 54952.2)

In order to help ensure the participation of individuals with disabilities at Board meetings, the Superintendent or designee shall provide appropriate disability-related accommodations or modifications upon request in accordance with the Americans with Disabilities Act. (Government Code 54953.2, 54954.1, 54954.2)

**Regular Meetings**

The Board shall adopt a schedule specifying the date, time and place of each regular meeting at the board organization meeting in December of each year

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public and on the district's Internet web site. (Government Code 54954.2)

Whenever agenda materials relating to an open session of a regular meeting are distributed to the Board less than 72 hours before the meeting, the Superintendent or designee shall make the materials available for public inspection at a public office or location designated for that purpose. (Government Code 54957.5)

**MEETINGS AND NOTICES** (continued)**Special Meetings**

Special meetings of the Board may be called at any time by the presiding officer or a majority of the Board members. However, a special meeting shall not be called regarding the salary, salary schedule, or other compensation of the Superintendent, assistant superintendent, or other management employee as described in Government Code 3511.1. (Government Code 54956)

Written notice of special meetings shall be delivered personally or by any other means to all Board members and the local media who have requested such notice in writing. The notice also shall be posted on the district's Internet web site. The notice shall be received at least 24 hours before the time of the meeting. The notice shall also be posted at least 24 hours before the meeting in a location freely accessible to the public. The notice shall specify the time and location of the meeting and the business to be transacted or discussed. No other business shall be considered at this meeting. (Education Code 35144; Government Code 54956)

Any Board member may waive the 24-hour written notice requirement prior to the time of the meeting by filing a written waiver of notice with the clerk or secretary of the Board or by being present at the meeting at the time it convenes. (Government Code 54956)

Every notice of a special meeting shall provide an opportunity for members of the public to directly address the Board concerning any item that has been described in the meeting notice, before or during the item's consideration. (Government Code 54954.3)

**Emergency Meetings**

In the case of an emergency situation for which prompt action is necessary due to the disruption or threatened disruption of public facilities, the Board may hold an emergency meeting without complying with the 24-hour notice and/or 24-hour posting requirement for special meetings pursuant to Government Code 54956. The Board shall comply with all other requirements for special meetings during an emergency meeting. (Government Code 54956.5)

An emergency situation means either of the following: (Government Code 54956.5)

All telephone numbers provided by the media in the most recent request for notification must be exhausted. If telephone services are not functioning, the notice requirement of one hour is waived and, as soon after the meeting as possible, the Board shall notify those media representatives of the meeting and shall describe the purpose of the meeting and any action taken by the Board. In the case of a dire emergency, the Board president or designee shall give such notice at or near the time notification is given to the other members of the Board about the meeting. (Government Code 54955)

Within 24 hours after the time of adjournment, a copy of the order or notice of adjournment/continuance shall be conspicuously posted on or near the door of the place where the meeting was held. (Government Code 54955)
